General Information

Mission Statement: Our mission is to enrich the quality of life for our community through parks and recreation

Vision: Our vision is to provide for now, and future generations, a sense of community, preserved green space, diverse programs, excellent customer service, and life-changing experiences.

We Love Parents: With your child's best interest in mind, parents are asked to not be in the classroom during programs. Our instructors always welcome the opportunity to discuss a participant's progress with parents at any time. Thank you for your cooperation.

Behavior Policy: Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make the Recreation Department safe and enjoyable for all participants. Participants shall: 1) show respect to all participants and staff; 2) refrain from using foul language; 3) refrain from causing bodily harm to another participant or staff; and 4) show respect for equipment, supplies, and facilities. If participants are not able to exhibit appropriate behavior, or are distracting the teaching, they may be asked to leave the program.

Toilet Training Policy: Children enrolled in a Bloomington Parks & Recreation Department program for ages 3 and older must be toilet trained unless it is a parent/toddler class. Recreation Department programs stress the importance of children practicing their independence and we do not aid children in the bathroom. Our instructors are not responsible for diaper changing or toilet training. The Recreation Department reserves the right to deny participation by a child age 3 or older if they are not toilet trained.

Americans with Disabilities Act: We comply with the Americans with Disabilities Act (*ADA*) which prohibits discrimination on the basis of disability. We will make reasonable accommodations for individuals with disabilities who meet essential eligibility requirements for the desired program. Individuals with disabilities are encouraged to contact us at (309) 434-2260 regarding special accommodations needed for enjoyment of programs. Those who use telecommunications for the deaf (*TTY*) may reach the Recreation Department by calling our TTY number at (309) 829-5115.

Sincere Appreciation: A great big "thank you" goes to the District 87, Unit 5, and Central Catholic High Schools for the use of school facilities. The extra time and energy from secretaries, custodians, teachers, and principals is greatly appreciated.

WEATHER SAFETY GUIDELINES FOR OUTDOOR RECREATION PROGRAMS

Cold/Snow/Sleet/Ice:

If the temperature is at or below 10 degrees with or without wind chill, outdoor activities may be canceled. Every attempt will be made to maintain normal operations during extreme winter weather conditions. When the National Weather Service has issued travel warnings during the time period of a program, scheduled activities may be canceled.

Make-Up Policy:

When applicable, efforts will be made to make up any canceled programs and/or games with no guarantee(s).

Weather Related Communication:

- 1) Program Cancellations will be determined no earlier than 1 hour prior to the start of a program. If weather worsens less than 1 hour prior, cancellations can still be made with every effort to contact participants.
- 2) Special Event Cancellations will be determined no later than 3 hours prior to start. If weather worsens less than 3 hours prior, cancellations can still be made with every effort to contact participants.
- 3) Contractual programs, outside rentals, school sports, or groups using City recreation facilities are responsible for cancelling their own programs and notifying their participants.
- 4) Cancellations/Delays can be made on-site at the programs or events.

Progressive system where students move at their own pace through a series of levels. There is no experience needed for Level 1. Prerequisite for each class is successful demonstration of the skills taught at the preceding level. Skill cards are given out as students complete a session. Remember, some swimmers need more than one session before passing to the next skill level. Students are assigned to a level based on swim testing on the first day.

All winter/spring swim lesson programming will be located at Bloomington High School Pool.

Please Note: The water temperature at BHS ranges from 75 to 78 degrees, which may feel cool to swimmers.

Group Swim Lessons meet twice a week (Mon. and Wed.) for four weeks for a total of eight swim lessons. Private Swim Lessons meet once a week (Mon. or Wed.) for four weeks for a total of four swim lessons.

Insects and other arthropods are an important food source for birds and other wildlife, and they have economic and environmental impacts on our forests and crops. This information can also help us to understand whether migratory birds are migrating early enough to take advantage of those important food resources which they count on for successfully raising their young.

PARK SERVICES & FACILITIES

Tree Services

Tree Trimming

Trees are trimmed for pedestrian and traffic clearance as well as selective thinning of branches, removal of dead wood, or storm damage repair. Trees are not topped, unless deemed necessary by the City Forester or a member of the staff.

At the Parks and Recreation Department, we have established a goal to increase the quality of trees within our City parkways and parks. The Department is governed by guidelines set within our Forestry Ordinance, Chapter 19, Number 1984. This ordinance permits the Parks & Recreation Department to plant, trim, spray, preserve, and remove any tree on City property to insure public safety or to maintain the health of the tree.

The ordinance also requires that anyone wishing to plant or have work done to a tree on City property, by someone other than our Forestry staff, secure a permit from the Parks & Recreation Department first.

Please call (309) 434-2280 with any questions.

Tree City USA

The City of Bloomington is a designated Tree City USA - a program sponsored by the National Arbor Day Foundation in cooperation with the USDA Forest Service and the National Association of State Foresters. To become a Tree City USA, a community must meet four standards: a tree board or department, a city tree ordinance, a comprehensive community forestry program, and an Arbor Day observance.

Bloomington's staff of certified arborists and trained professionals enhance the Tree City USA designation.

Constitution Trail

Constitution Trail is a joint venture between the City of Bloomington, The Town of Normal and McLean County. Much of the trail follows the old Illinois Central Gulf Railroad right of way through the community. The trail was dedicated and named as such in celebration of the 200th birthday of the United States Constitution in 1987, and the grand opening of the Constitution Trail was May 6th, 1989.

The City of Bloomington, Town of Normal, and McLean County have plans for future trail expansion.

Over 50 miles of trail exist within the county. In 2000, the Constitution Trail was designated a Millennium Trail by The White House Millennium Council. Many groups sponsor the trail including McLeanCountyWheelers.com, GoToTrails.com, and Friends of the Constitution Trail.
