GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Bloomington
Illinois**

For the Fiscal Year Beginning

May 01, 2024

Christopher P. Morrell

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award for Distinguished Budget Presentation to the City of Bloomington for its annual budget for the fiscal year beginning May 1, 2024. In order to receive this award, a governmental unit must publish a budget document that meets the program criteria as a policy document, as an operations guide, as a financial plan and as a communications device. The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to the GFOA to determine its eligibility for another award.

- City of Bloomington Narrative
- City of Bloomington Organization Chart

HOW THE CITY BUDGET IS ORGANIZED

The City of Bloomington budget is organized into two books, “Budget Overview and General Fund” and “Other Funds and Capital Improvement”. There are sixteen sections in total, seven in book one and nine in book two. Each section is described below.

Book One-Budget Overview & General Fund

Introduction

This section includes How the City Budget is organized, the City Manager’s budget message, the City of Bloomington narrative and the City’s organization chart.

Demographics

This section includes details on demographic and economic statistics narrative, demographic and economic statistics chart, principal employers, capital asset statistics by function/program, assessed value and estimated actual value of taxable property and direct and overlapping property tax rates.

Procedural Information

This section includes information on the City’s Financial Policies and Strategies, Long-Term Financial Plan, City Budget Process, City of Bloomington Rates, Full-Time Employees by Department for the past 3 years and upcoming year and a breakout of positions by department/fund and the City of Bloomington full-time and part-time employee count by position/department.

Budget Overview

This section reports on all funds and their department/fund relationship used by the City for operations and includes the following:

- City of Bloomington Fund Structure Narrative
- City of Bloomington FY 2026 Budget Fund Structure Chart
- Basis of Budgeting and Accounting Narrative
- Basis of Budgeting and Accounting Chart
- Adopted Revenues FY 2025 Budget vs. Proposed Revenues FY 2026 Budget
- Adopted Expenditures FY 2025 Budget vs. Proposed Expenditures FY 2026 Budget
- Summary of Revenues all Funds by Source and by Fund Type
- Summary of Expenditures all Funds by Classification and by Fund
- FY 2026 Budget Summary of Revenues and Expenditures and Changes in Fund Balance

Revenue Summary

This section provides insight into the City’s overall revenues and includes the following:

- Major Revenue Analysis
- Municipal Tax Rate Comparison
- Revenue Comparison by Department/Fund
- Statement of Adopted Property Tax Levy

Expenditure Summary

This section details the City's overall expenditures including:

- Expenditure Overview
- Inter-Fund Transfer Summary
- Expenditure Comparison by Department/Fund

General Fund Departments

This section includes a narrative for all General Fund departments including performance measures and line-item budget details on revenue and expenditures by department.

Book Two-Other Funds & Capital Improvement Program

Special Revenue Funds

This section budgets for Motor Fuel Tax (MFT), Board of Elections, Drug Enforcement Funds, Community Development, IHDA, Library and Park Dedication.

Debt Service Funds

This section includes a narrative including a description of the City's debt obligations, budgets for the three bond funds and a schedule of payments by issue and by fund for the entirety of the issue/bond by principal and interest.

Capital Project Funds

Narratives and line-item budgets for all funds related to General Funded Capital Projects. These include the Capital Improvement Fund (CIF) and the Capital Improvement (Asphalt & Concrete) Fund.

Capital Equipment

The narrative and line-item budget for the capital lease fund is included. Also provided is a list for the upcoming fiscal year broken out by General Fund and Non-General Fund departments of machinery, equipment, and vehicles the City is proposing to purchase via lease or cash.

Enterprise Funds

This section includes narratives with performance measures and line item account budgets for City Funds accounted for and reported in the same manner as a private entity. These include Water, Sanitary Sewer, Storm Water, Solid Waste, Abraham Lincoln Parking Facility, 3 City owned and operated Golf Courses and Bloomington Arena.

Internal Service Funds

This section includes narratives and line-item account budget information for the Casualty Insurance, Employee Group Health Insurance and Employee Retiree Group Health Insurance Funds.

Fiduciary Funds

This section includes narratives, and line-item account budget information for the John M. Scott Health Resources.

Capital Improvement Program

This section includes detailed project list by fund for every proposed capital project for FY 2026. Also included is a detailed list of projects and whether or not the project is recurring or non-recurring. Finally, a detailed project sheet is provided explaining why the project is needed, the operating budget impact, cost, and a picture if applicable.

Appendix

This section includes the budget glossary.

**The City Manager Budget Message will be included in the FY 2026
Adopted Budget Book**

The City of Bloomington, Illinois

General Information

The City of Bloomington, incorporated in 1856, is a home rule unit of government under the 1970 Illinois Constitution. The City of Bloomington is located in the heart of Central Illinois, approximately 125 miles southwest of Chicago, 155 miles northeast of St. Louis, and 64 miles Northeast of Springfield, the State Capital. The City of Bloomington is the County Seat of McLean County, the largest county in Illinois (approximately 762,240 acres). The results of the 2020 Census show Bloomington have a population of 78,680 residents, of which approximately 78% are white, 10% African American, 8% Asian and 6% Hispanic or Latino. The median household income is \$67,507.

History

Prior to the 1820s, the area of today's Bloomington was at the edge of a large grove enjoyed by the Kickapoo people before the first Euro-American settlers arrived in the early 1820s.

Springing from the settlement of Keg Grove, later called Blooming Grove, Bloomington was named as county seat on December 25, 1830, when McLean County was created. When the County of McLean was incorporated a county seat was established; however, the legislation stated the site of Bloomington would be located later. James Allin, who was one of the promoters of the new county, offered to donate 60 acres of his own land for the new town. His offer was accepted and Bloomington was laid out. Its lots were sold at a big party on the 4th of July 1831. At this time there were few roads, but rich soils brought new farmers who began commerce by conducting their business in the newly formed county. People came from all over to trade and do business at the town's center, known today as Downtown Bloomington, including Abraham Lincoln who was working as a lawyer in nearby Springfield. In 1856, the City of Bloomington incorporated.

City Organization

The City is governed by a City Council elected on a non-partisan basis composed of nine Council members and a Mayor. The City Council is responsible to enact ordinances, resolutions, and regulations which govern the City, adopt the annual budget, as well as appoint members of various statutory and ordinance boards. The City's manager is responsible to carry out the policies and ordinances established by City Council, oversee the day-to-day operations of the City, and appoint the department heads of the City's departments. The Council is elected to four-year staggered terms, while the Mayor is elected to a four-year term. The Mayor is elected at large, the Council members by ward.

Economic Environment

The economic strength of the Bloomington-Normal metropolitan area is well diversified with no single dominating industry, although there are many substantial medium sized business and institutions. Diverse and stable employment sources include State Farm, Illinois State University, Illinois Wesleyan University, Country Financial, Rivian Automotive, Ferrero USA, Carle Medical Center, and OSF St. Joseph Medical Center. Multiple mid-size and small companies have insulated the Bloomington-Normal economy from severe economic swings that other communities have experienced, and this has allowed the community to maintain steady, balanced growth.

Public Safety

As an exemplary law enforcement agency, the City of Bloomington Police Department will proactively fight crime and discourage wrongdoing. The Police Department will enforce laws fairly and equally, upholding the rights of all, and will promote transparency and accountability. They will continue to develop and strengthen community relationships.

The City of Bloomington Police Department is authorized the following staffing, the Police Chief, 3 Assistant Police Chiefs, 6 Lieutenants, 16 Sergeants, 107 Patrol Officers, 15 Professional Support Staff, 1 Crime Analyst Supervisor, 1 Crime Data Analyst, 2 Crime Intelligence Analyst, 1 seasonal support staff, 4 seasonal background investigators and 3 canines.

The Fire Department provides the following services:

1. Emergency medical services and transportation
2. Fire suppression and rescue operations
3. Fire cause and origin investigations
4. Hazardous Materials response
5. Fire and safety public education
6. Aircraft Rescue and Firefighting (ARFF) services for Central Illinois Regional Airport (CIRA)

The City of Bloomington Fire Department consists of 1 Fire Chief, 3 Deputy Chiefs, 3 Battalion Chiefs, 1 Training Officer, 1 Public Education Officer, 18 Captains, 3 EMS Shift Supervisors, 21 Engineers, 69 Firefighters, 2 Training Supervisors and 5 Civilian Support Staff. The City operates 5 fire stations and provides emergency response for fire and rescue, emergency medical, auto extrication, hazardous materials, and airport rescue firefighting.

Education

Of persons 25 years or older in Bloomington, 95.3% are a high school graduate or higher and 48.2% have a bachelor's degree or higher.

The Bloomington-Normal community is served by three colleges which include Illinois State University, Illinois Wesleyan University and Heartland Community College. District 87 and Unit 5 school districts serve the community which includes 3 public high schools, 1 high school that is affiliated with Illinois State and 1 private/catholic high school.

Culture

The Community is located on Historic Route 66 and has a “Cruisin With Lincoln on 66” which is a Route 66 and Abraham Lincoln themed Visitors Center and Gift Shop which celebrates the rich, historical Bloomington-Normal connection to both Route 66 and Abraham Lincoln, with panels which detail these connections, tourist assistance for travelers of today, including a complete, interactive Route 66 map and a variety gifts and souvenirs, many crafted by local artists.

The David Davis Mansion, Bloomington Center for Performing Arts (BCPA) and Bloomington Arena are just a few of the many opportunities to experience culture and entertainment options in the community.

Recreation

The City of Bloomington offers many recreational amenities for its residents including 38 parks, a zoo, 3 city owned golf courses, 2 swimming pools including 1 that has an Aquatic Center, Bloomington Ice Center, and Constitution Trail which is a joint venture between the City of Bloomington and The Town of Normal. Much of the trail follows the old Illinois Central Gulf Railroad right of way through the community. The trail was dedicated and named as such in celebration of the 200th birthday of the United States Constitution in 1987 and the grand opening of Constitution Trail was May 6th, 1989.

The Special Opportunities Available in Recreation (S.O.A.R.) department exists to maintain and enhance the quality of life for individuals with disabilities through comprehensive, specialized recreation programs, activities and events. S.O.A.R. is a division of the Parks, Recreation & Cultural Arts Department and provides therapeutic recreation services in five component areas: Cultural Arts, Special Events, Special Interest, Youth and Sports & Fitness. S.O.A.R. also receives annual funding from the Town of Normal.

Transportation

The Community is served by the Central Illinois Regional Airport (CIRA) that provides commercial flights to Chicago, Detroit, Dallas, Denver, and multiple locations in Florida. Connect Transit provides bus service in the community and is funded through Federal, State and Local entities such as the colleges, Bloomington and Normal. Amtrak has a station located in the community and is one of the most highly used stops in the State of Illinois. Major highways that intersect the communities include Interstates 55 and 74.

Healthcare

The Community is served by 2 hospitals including Carle Medical Center, and OSF St Joseph Medical Center. Multiple Urgent Care options are available in the community in addition to a Cancer Care Center, and a Veterans Administration Clinic which came to the community in 2019.

Utilities

Ameren and Corn Belt are the 2 main electric providers in the community. Nicor provides Natural Gas for a majority of the community. Cable, Satellite and Streaming options are available for residents in the community through a number of providers including Comcast, Metro-Net and various streaming services.

Notes: As a home rule unit of local government, the City of Bloomington, Illinois has no statutory tax limit

Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all City property owners, although the county property tax rates apply to all City property owners; the Airport Authority rates apply to the property owners within that Authority's geographic boundaries.

*Rate presented is for Bloomington School District #87. City of Bloomington taxpayers in other school districts will have different rates. Other school districts that overlap with the City include: Normal School District #5, Tri-Valley Community Unit School District #3, and Olympia Unit #16.

N/A- At the time of publishing, McLean County did not have the overlapping rate for 2024. This will be added to the final approved budget document.

City of Bloomington, Illinois

FY 2026 Budget

Overview of Financial Policies and Strategies

Budgeting and Revenue Management

1. Maintain a diversified revenue structure.
2. Maintain a General Fund balance of 15% to 30% of revenues. Revised for FY2026 given credit rating guideline target.
3. Maintain a balanced General Fund budget (i.e., expenditures less than or equal to revenues) except for planned drawdowns of the fund balance where the projected fund balance remains within the target expressed in item 2 above.
4. The budget of a fund shall be considered "**balanced**" if the fund's budgeted expenditures for the year do not exceed the total of its budgeted revenues and unreserved, undesignated fund balance at the beginning of the fiscal year. The budget presented for FY 2026 is balanced.
5. Contribute to the Illinois Municipal Retirement Fund, Bloomington Firefighters' Pension Fund, and Bloomington Police Pension Fund the full amounts recommended each year by independent actuaries for employer contributions to ultimately achieve funded ratios as required by statute or local ordinance.
6. Impose moderate annual sewer, storm water, and solid waste rate increases to avoid large increases at irregular intervals. City Council approved an annual increase based on Consumer Price Index (Water, Sewer, Trash) effective May 1st each year. Water Rates, which hadn't been increased in 12 years, were significantly adjusted for FY 2025-FY 2027 to address approximately \$250M to \$400M in infrastructure needs. In FY 2028, the CPI-WST mentioned above will go into effect for Water Rates annually.
7. Review and update the five-year Operating Budget and Capital Improvement Plan on an annual basis to determine the City's ability to cover operating costs and any service level changes.
8. Budget for items that will be capitalized for financial reporting purposes in distinct expenditure accounts to facilitate the preparation of the Comprehensive Annual Financial Report.

Debt Management

1. Limit the period during which debt is outstanding to a time period not greater than the useful life of the asset financed by the debt.
2. In general, the City will strive to maintain a debt structure under which 50% of the outstanding principal will be repaid within ten years unless it relates to multi-generational infrastructure improvements.
3. Sell bonds through competitive, rather than negotiated, sales whenever possible.
4. To aid in debt issuances, the City will select a financial advisor and/or investment banker and bond counsel on a competitive basis. These advisors will be retained for several years to provide continuity and allow these professionals to develop an understanding of the City's needs. The City will abide by the Municipal Security Rulemaking Board (MSRB) standards in selecting a financial advisor.
5. The City will follow a policy of full disclosure on every financial report and bond prospectus (Official Statement), voluntarily following disclosure guidelines provided by the Governmental Finance Officers Association unless the cost of compliance with the higher standard is unreasonable.
6. Consider the refunding of outstanding debt when a goal of at least a 4% net present value savings can be obtained.

Cash Management and Investments

1. Require that all bank deposits not insured by the Federal Deposit Insurance Corporation be collateralized with high-quality securities having a market value of 102% of the underlying deposits.
2. Deposit on-hand cash no later than the next business day.
3. Maintain liquidity adequate to promptly pay financial obligations.
4. Purchase only those investments allowable under the Illinois Public Funds Investment Act.
5. Place all investment securities with a third-party custodian for safekeeping.
6. Earn a market rate of return on investments. The benchmark for short-term investments is the three-month Treasury Bill.

Procurement

1. Conduct a formal competitive bidding process for purchases in excess of \$25,000; unless exempt under procurement regulations.
2. Conduct competitive quotation process for purchases up to \$25,000.
3. Obtain City Manager approval for all proposed purchases up to \$50,000 after application of bidding regulations.
4. Obtain City Council approval for all proposed purchases in excess of \$50,000 after application of bidding regulations.
5. Purchasing Credit Cards (P-Cards) are used where appropriate.
6. Procurement reviews all requests for formal solicitations from Departments to determine if the project is subject to a PLA as outlined in Ordinance #2024-058 - Public Works Contracts and Project Labor Agreements.

Accounting and Financial Reporting

1. Issue an Annual Comprehensive Financial Report within 180 days of the end of each fiscal year that complies with generally accepted accounting principles.
2. Capitalize building improvements, land improvements, and infrastructure with a purchase price of \$100,000 or more. Capitalize vehicles, machinery, furniture, and equipment with a purchase price of \$5,000 or more.
3. Controlled non-capital items (e.g., police weapons, audio-visual equipment) will be physically inventoried as required by law or as directed by the responsible department head and shall not be inventoried less frequently than once each year.

Interim Financial Reporting:

1. The Finance Department provides the City Council, City Management and Public a monthly financial report that illustrates the following information:
 - Financial summary of major fund activity.
 - Detailed information on the General Fund year to date budget to actual performance.
 - Detailed information on major revenue as compared to the budget expectation.

LONG-TERM FINANCIAL PLAN

The City of Bloomington's long-term financial plan is closely tied to the budget process. Annually, the City develops a 5-year budget for operating and capital. The first year of this budget, after revisions, is the budget that the City Council adopts, and the City Staff implements on the residents and City Council's behalf. The 4 (future or out years) of the budget serve as a planning process for operating and capital expenditures with staffing, capital assets and projects on the radar for the future. The City has a replacement schedule for all equipment in its fleet. This is reviewed annually related to equipment replacement priority, cost, versus other available options. The City constantly reviews long-term plans for major Capital Projects. These include streets, parks, water mains and other distribution infrastructure, sewer mains and storm water management. These reviews are periodically shared with Council, facilitating discussion related to prioritization of future needs with funds that are expected to be available. These discussions assist staff in identifying available federal or state grants, future bond issues or bond refinancing, and other additional options to fund Capital Projects. The City's Strategic Plan runs through 2025. The City revisits the Strategic Plan each year to help develop a yearly Action Plan. There are six goals in the City's Strategic Plan. This plan was unanimously approved by the City Council on January 15, 2010. The Strategic Plan is tied to the basis of long-term planning, budgeting and daily operations. The goals include what they mean to you as a resident, objectives, and challenges and opportunities.

Strategic Plan

Goal 1: Financially Sound City Providing Quality Basic Service

Goal 2: Upgrade City Infrastructure and Facilities

Goal 3: Grow the Local Economy

Goal 4: Strong Neighborhoods

Goal 5: Prosperous Downtown Bloomington

Goal 6: Great Place to Live-Livable, Sustainable City

More information on the City of Bloomington's Strategic Plan is accessible through the City website. The path to the Strategic Plan is: <http://www.cityblm.org/index.aspx?page=426>

City of Bloomington, Illinois

FY 2026 Budget

Budget Process

Background - The City of Bloomington adopts a legally binding annual budget in accordance with Chapter 65 of the Illinois Compiled Statutes. The City's Fiscal Year runs from May 1st to April 30th. The City's budget serves as a roadmap for the fiscal year's expenditures and reflects the goals and priorities of the City's elected officials. The budget is formulated with the aid, support and input of the residents of Bloomington, City staff and various Boards and Committees. The City's Budget process begins in August with the formation of a budget calendar and ends in April with the final budget adoption. Formulation of the budget is a critical and difficult decision. The process involves analyzing resident input and data, projecting available revenue sources, identifying priorities, allocating resources and expenditures, reviewing City performance data, negotiating, and deliberating department budgets and establishing the fees, charges, and taxes necessary to provide adequate levels of services to the residents of Bloomington.

Budget Methodology - The expenditures in the Proposed Fiscal Year 2026 budget are projected by staff using a zero-based budget methodology. A zero-based budget approach requires each budget request be re-evaluated thoroughly, starting from the zero-base. This process is independent of whether the total budget or specific line items are increasing or decreasing. This process is very detailed and takes time to compile an adopted budget for Council review and ultimate approval.

Budget Team - The City's Budget Team is composed of the following positions: City Manager, Senior Deputy City Manager, Deputy City Manager, Finance Director, and the Budget Manager. During the preparation of the budget, the Finance Director and Budget Manager holds discussions with each department director and staff to review the City budget process. This meeting includes timetables and changes to the budget process. Guidance is provided at this meeting regarding additional positions, equipment and/or capital expenditures. The committee provides the City's economic outlook for each director regarding macro and micro growth within the City for forthcoming fiscal year as well as Council/City Manager directives.

Budget Compilation – Department's prepare their own budget requests except for line items budgeted by internal subject matter experts. Human Resources employs position budgeting to account for each position and all corresponding City paid benefits. Information services budgets for all software contracts, rolling stock of equipment and new software or hardware capabilities for all departments. The fleet manager provides the purchase list for all licensed vehicles and equipment, fuel costs and vehicle maintenance and repair. Finance budgets for all large tax revenues, debt service, workman's compensation, and general liability insurances, in addition to verifying department requests.

Budget Meetings - The City's Budget Team examines and analyzes each department's proposed budget and prepares work papers to assist the City Manager in evaluating the budget. The City Manager, in conjunction with the Budget Team, meet again with each department director to discuss proposed budget modifications. The budget process provides multiple touch points between departments and administration to understand the impact of decision making.

Budgetary Control - The City maintains budgetary control throughout the year by encumbrance accounting. All purchase orders and contracts are entered into the City's Financial System which shows the dollar amount entered as a commitment versus the current year budget. This allows departments to determine the budget dollars available throughout the fiscal year. Open encumbrances at year end are reported as assigned fund balances. The level of budgetary control is at the fund level.

Budget Amendments – The annual budget may be amended by a two-thirds vote of the City Council. On a quarterly basis as needed, budget staff will prepare an itemized register of recommended budget amendments. Council must vote to amend the operating budget if the following circumstances exist within any fund: increase in the overall expenditure of the fund, or a new source of revenue is identified.

Balanced Budget - The City's budget is balanced if the proposed expenditures do not exceed the available resources, including proposed revenue and use of fund balance. The FY 2026 Proposed budget is balanced.

Resident Involvement-Bloomington 101 - A program aimed at giving community members an overview of their local government. The program covers topics ranging from Police and Fire to Finance to Parks and Recreation. Participation in Bloomington 101 is free and open to anyone 16 or older. However, the ten-week program is capped at 25 participants. To be considered, applicants must agree to attend at least eight of the ten classes. The Bloomington 101 program is a great way to learn about the City of Bloomington and engage with local government officials. It covers a wide variety of topics and includes hands-on activities, facility tours and more.

Monthly Financial Reporting – The Finance department prepares a monthly financial summary report that is presented by the Finance Director at the second City Council Meeting of every month to discuss the prior months and year to date finances. These reports are also available on the City's website for residents' consumption.

<https://www.cityblm.org/government/advanced-components/documents/-folder-145>

Budget 101 Video Series – A voiceover video series of slides that walks the resident through the City's Budget Process. Additional videos are added annually as the budget is being developed to update stakeholders. <https://www.youtube.com/watch?v=D3h1yPjPkSM>

Public Hearing – A required public hearing usually held during a City Council meeting in March that provides residents the opportunity to provide input on the proposed budget.

Legal Debt Limit - The City of Bloomington is a Home Rule form of government. Under the Illinois Revised Statutes, Home Rule governments may issue notes more than any statutory limitation and they shall not reduce the debt incurring power otherwise authorized for any such unit of government. **Thus, the City of Bloomington has no statutory debt limit.**

Fund Balance -The difference between assets and liabilities in a governmental fund. The governmental funds account for the tax-supported activities of a government (as opposed to the proprietary funds, which account for self-financing, business-like activities).

CITY OF BLOOMINGTON RATES

Current Sales Tax Rate within City Corporate Limits

Illinois	5.00%	= State Sales Tax = 6.25%
Municipality	1.00%	
County	.25%	
Local	2.50%	= Home Rule Sales Tax = 2.50%
Total:	8.75%	

Last increase was in 2016 when the Local portion increased by 1.00%.

Local Tax Table

Tax Type	State Controlled			City Controlled		Total Tax	Total City	Notes
	State	County	City	Home Rule	Type - Specific*			
Food and Beverage	5.00%	0.25%	1.00%	2.50%	2.00%	10.75%	5.50%	Tax applies to activity that is not participative/exhibitive in nature
Package Liquor	5.00%	0.25%	1.00%	2.50%	4.00%	12.75%	7.50%	
Amusement	5.00%	0.25%	1.00%	0.00%	4.00%	10.25%	5.00%	
Hotel - Motel	5.64%	0.00%	0.00%	0.00%	6.00%	11.64%	6.00%	
Short Term Rental	0.00%	0.00%	0.00%	0.00%	6.00%	6.00%	6.00%	
Local Motor Fuel Tax					8 cents/gal	8 cents/gal	8 cents/gal	Local Only - does not include allocation of State portion of tax
Retail - General	5.00%	0.25%	1.00%	2.50%	0.00%	8.75%	3.50%	The extra 3% for the County is locally controlled.
Retail - Grocery/Prescription	0.00%	0.00%	1.00%	0.00%	0.00%	1.00%	1.00%	
Retail - Cannabis	5.00%	3.25%	1.00%	2.50%	3.00%	14.75%	6.50%	
Retail - Vehicle Use	5.00%	0.25%	1.00%	0.00%	0.75%	7.00%	1.75%	Tax on vehicles registered to residents - regardless of purchase location

* Most Local Taxes - are paid directly to the City - with the following exceptions / notes:

Similar to the State controlled taxes, local Cannabis retail sales taxes are remitted to the State - and the State then remits to the City.

Per an Intergovernmental Agreement:

The City collects Normal's Food and Beverage - and remits to them.

Water Rates

Effective May 1, 2024, the rates charged for water shall in no case be less than the monthly service charge which shall be determined by the water meter size as follows:

May 1, 2024 - April 30, 2025		
Meter Size	Inside City	Outside City
5/8 x 1/2 inch	\$1.66	\$3.66
5/8 x 3/4 inch	\$6.65	\$8.65
3/4 inch	\$7.98	\$9.98
1 inch	\$10.64	\$13.30
1 1/2 inch	\$13.97	\$17.29
2 inch	\$21.28	\$26.60
3 inch	\$37.24	\$51.87
4 inch	\$61.18	\$87.78
6 inch	\$122.36	\$174.23
8 inch	\$194.18	\$260.68

Effective May 1, 2025, the rates charged for water shall in no case be less than the monthly service charge which shall be determined by the water meter size as follows:

May 1, 2025 - April 30, 2026		
Meter Size	Inside City	Outside City
5/8 x 1/2 inch	\$2.21	\$4.86
5/8 x 3/4 inch	\$8.84	\$11.50
3/4 inch	\$10.61	\$13.27
1 inch	\$14.15	\$17.69
1 1/2 inch	\$18.57	\$23.00
2 inch	\$28.30	\$35.38
3 inch	\$49.53	\$68.99
4 inch	\$81.37	\$116.75
6 inch	\$162.74	\$231.73
8 inch	\$258.26	\$346.70

Effective May 1, 2026, the rates charged for water shall in no case be less than the monthly service charge which shall be determined by the water meter size as follows:

May 1, 2026 - April 30, 2027		
Meter Size	Inside City	Outside City
5/8 x 1/2 inch	\$2.94	\$6.47
5/8 x 3/4 inch	\$11.76	\$15.29
3/4 inch	\$14.12	\$17.64
1 inch	\$18.82	\$23.53
1 1/2 inch	\$24.70	\$30.58
2 inch	\$37.64	\$47.05

(City Code Ch. 27 Sec. 27) 7.48 Gallons = 1 cubic foot

Fire Protection Charges

Effective May 1, 2021, the monthly rate for private fire protection, in the form of a fire booster pump, sprinkler system, private fire hydrants or any other fire suppression equipment connected to the City's water system, shall be charged the rate of \$27.20 per inch, or fraction thereof rounded to the next highest inch, of fire service connection. Fire suppression systems that utilize a combined domestic and fire service line shall be calculated using the size of the combined line connection at the water main for determining the proper charge.

EFFECTIVE DATE	RATE PER INCH OF DIAMETER
May 1, 2021	\$27.20

Sanitary Sewer Monthly Rates

CITY SANITARY SEWER FEES		
EFFECTIVE DATE	RATE PER 100 CU FT	MONTHLY FIXED FEE
May 1, 2023	\$2.78	\$2.61
May 1, 2024	\$2.90	\$2.72
May 1, 2025	\$3.01	\$2.82

Effective on the billing cycle beginning May 1, 2019, the established monthly rates and charges for the use of service of the sewerage system of the City will increase annually, at a compounding rate of 3% over the rate from the previous year, on May 1 of each year until May 1, 2024. Effective and beginning May 1, 2024, the sewage fees shall be increased annually on May 1 of each year by CPI-WST (Water, Sewer, and Trash Collection), based on an average of the previous calendar year, or similar index if CPI-WST is not available.

BNWRD SANITARY SEWER FEES				
EFFECTIVE DATE	RATE INCREASE	FIXED FEE (2,000 gal or 267ccf)	VARIABLE FEE (1,000 gal)	VARIABLE FEE (100 ccf)
May 1, 2024	15%	\$10.51	\$2.92	\$2.18
May 1, 2025	12%	\$11.78	\$3.26	\$2.44
May 1, 2026	12%	\$13.19	\$3.66	\$2.73

Solid Waste Collection Fees

EFFECTIVE DATE	35 GAL. & LOW-INCOME FEE	65 GAL.	95 GAL.	BULK WASTE BUCKET	GARBAGE BAG STICKERS	SMALL TO LARGE CART FEE
May 1, 2023	\$18.54	\$28.98	\$33.62	\$25.00	\$3.00	\$30.00
May 1, 2024	\$19.34	\$30.23	\$35.07	\$25.00	\$3.00	\$30.00
May 1, 2025	\$20.07	\$31.36	\$36.39	\$25.00	\$3.00	\$30.00

Effective and beginning May 1, 2019, the refuse fees outlined above shall increase annually on May 1 of each year, at a compounding rate of 3% over the rate from the previous year until May 1, 2024. Effective and beginning May 1, 2024, the refuse fees shall be increased annually on May 1 of each year by CPI-WST (Water, Sewer, and Trash Collection), based on an average of the previous calendar year, or similar index if CPI-WST is not available.

Storm Water Monthly Rates

STORM WATER RATES	
EFFECTIVE DATE	RATE PER IAU
May 1, 2023	\$2.19
May 1, 2024	\$2.28
May 1, 2025	\$2.37

Effective on the billing cycle beginning May 1, 2019, the established monthly rates, and charges for the use of service of the stormwater of the City will increase annually, at a compounding rate of 3% over the rate from the previous year, on May 1 of each year until May 1, 2024. Effective and beginning May 1, 2024, the stormwater fees shall be increased annually on May 1 of each year by CPI-WST (Water, Sewer, and Trash Collection), based on an average of the previous calendar year, or similar index if CPI-WST is not available.

Single Family Residential (Effective May 1, 2025):

Gross area less than or equal to 7,000 square feet
\$4.73/month

Gross area greater than 7,000 square feet and less than 12,000 square feet
\$7.10/month

Gross area over 12,000 square feet \$11.83/month

Parcels other than Single Family Residential (Effective May 1, 2025):

Parcels less than 4,000 square feet will be charged a flat rate equivalent to (4) IAUs
\$9.46/month

Charge per Impervious Area Unit (IAU) is \$2.37/month

Impervious Area Unit (IAU): 1,000 square feet of impervious area equals one IAU.

City of Bloomington, Illinois

Fiscal Year 2026 Budget

Fund Structure

The accounts of the City are organized based on funds, each of which is a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, reserves, fund balance/net assets, revenues, and expenditures as appropriate.

Funds are classified in the following categories: governmental, proprietary, and fiduciary. Below is a list of funds and brief descriptions that are included within the City's financial statements. Many funds are composed of multiple divisions (ex. General, Debt Service, Water, etc.) and these divisions are consolidated for the purpose of financial statement preparation.

Governmental Funds – are those funds through which most governmental functions typically are financed.

Major Governmental Funds

- General – The General Fund is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- Library – The Library Fund accounts for the tax and other resources used to provide library services to operate the Bloomington Public Library.
- Debt Service – The Debt Service Fund accounts for the servicing of the general long-term debt not financed by a specific source. The Debt Service Fund is composed of the General Bond and Interest Fund, Arena Bond Redemption Fund, and the Multi-Project Bond Redemption Fund.

Non-Major Governmental Funds

- Motor Fuel Tax – The Motor Fuel Tax Fund accounts for the revenue and expenditures related to projects financed by the Motor Fuel Tax funds collected and distributed by the State of Illinois.
- Board of Election – The Board of Election Fund accounts for the tax resources used to provide for the Election Commission expense.
- Drug Enforcement – The Drug Enforcement Fund accounts for police department revenues from drug raids.
- Community Development – The Community Development Fund accounts for the federally funded block grant program designed to assist low- and moderate-income families and eliminate slum and blight conditions.
- IHDA Grants – The IHDA Grants Fund accounts for the state funded grant program for single family rehabilitation projects for low to moderate income households.

- Empire Street Corridor TIF Fund – The Empire Street Corridor TIF Fund is used to track the expenses and revenues related to the Empire Street Corridor Redevelopment Project Area.
- Downtown Southwest TIF Fund – The Downtown Southwest TIF Fund is used to track the expenses and revenues related to the Downtown Southwest Redevelopment Project Area.
- Downtown East Washington TIF Fund – The Downtown East Washington TIF Fund is used to track the expenses and revenues related to the Downtown East Washington Redevelopment Project Area.
- Downtown Redevelopment TIF Fund -- The Downtown TIF Fund is used to track the expenses and revenues related to the Downtown Redevelopment Project Area. The intent of this TIF District is to induce private development interest within the TIF Area and to fund improvements to public infrastructure
- Park Dedication – The Park Dedication Fund accounts for collections to be used for future park development.
- Capital Improvement – The Capital Improvement Fund accounts for the receipts and disbursements of monies used for the acquisition of capital facilities.
- Capital Lease – The Capital Lease Fund accounts for equipment purchased with proceeds from capital leases.
- Capital Improvement (Asphalt & Concrete) – The Capital Improvement (Asphalt & Concrete) Fund accounts for the receipts from the Local Motor Fuel Tax & .25% of the 1.00% Home Rule Sales Tax increase enacted January 1, 2016, used for street resurfacing and sidewalk repair.

Proprietary Funds – are used to account for government’s on-going organizations and activities which are similar to and often found in the private sector.

Enterprise Funds – are used to account for those operations that are financed and operated in a manner similar to private business or where the City has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability.

- Water – The Water Fund accounts for the operation of the City’s water treatment facilities and services.
- Sewer - The Sewer Fund accounts for the operation of the City’s waste disposal activities.
- Storm Water – The Storm Water Fund accounts for the operation of the City’s storm water management activities.
- Solid Waste - The Solid Waste Fund accounts for the activities of operating the City’s Solid Waste Program.
- Abraham Lincoln Parking Facility – The Abraham Lincoln Parking Facility Fund accounts for the activities of operating a parking facility owned by the McLean County Public Building Commission.
- Golf – The Golf Fund accounts for the activities of operating the City’s three golf courses.
- Bloomington Arena – The Bloomington Arena Fund accounts for the activities of operating the City’s Downtown sports and entertainment facility.

Internal Service Funds – are used to finance and account for services and commodities provided by designated departments or agencies to other department and agencies of the City.

- Casualty Insurance – The Casualty Insurance Fund accounts for the premiums and payments of claims for insurance for the City.
- Employee Group Healthcare – The Employee Insurance and Benefits Fund accounts for the premiums and claims of all covered City employees and their covered dependents and Township employees.
- Retiree Group Healthcare – The Retiree Group Healthcare Fund accounts for the premiums and claims of all covered City retirees and their covered dependents.

Fiduciary Funds – are used to account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the government.

- John M. Scott Trust – The John M. Scott Fund grants are awarded to community entities serving the healthcare needs of vulnerable McLean County residents, specifically those who are either un-insured or under-insured. These costs are funded through a private trust.

Identification of Unbudgeted Funds

The City has a fund which is included in the audited financial statements but is not included in the budget; the Foreign Fire Insurance Board (FFIB), which is considered outside the normal operations of the City.

- 6020 Employee Group Health Care
- 6028 Retiree Group Health Care

Fiduciary Fund

- 7210 J M Scott

* General Fund Functional Departments (not all listed)

Basis of Budgeting and Accounting

The City prepares budgets on a cash basis. This is different from the accounting process which utilizes a modified accrual basis. Cash basis recognizes the cash inflows and outflows of a business, without concern for the matching principle. In other words, revenues and expenses are recognized as cash is exchanged, not when earned or in the period they benefit. Modified accrual accounting is an alternative bookkeeping method that combines accrual-basis accounting with cash-basis accounting. It recognizes revenues when they become available and measurable and, with a few exceptions, records expenditures when liabilities are incurred.

The City's independent auditors annually provide a reconciliation of actual expenditures compared to the adopted budget in accordance with state law.

The City shall use the Annual Audited Financial Statements (Audit) to detail the final status of the City's finances compared to budget on the basis of Generally Accepted Accounting Principles (GAAP). In most cases, this conforms to the way the City prepares its budget. Exceptions are as follows:

1. Compensated absences are accrued as earned by employees (GAAP) as opposed to being expended when paid (Budget).
2. Capital Outlay within the enterprise funds are shown as assets (GAAP) and are shown as expenses in the budget.
3. Bond and loan principal payments within the enterprise funds are shown as reductions of liabilities (GAAP) and are shown as expenses in the budget.

Due to expenditure limitation statutes, the City must identify all possible expenditures and corresponding revenues within the budget. The Budget Manager, Finance Director and Department Heads closely monitor expenditures to ensure that they are being spent for the purpose identified in the budget and that the corresponding revenue is adequate. The Finance Director shall establish and maintain a detailed accounting structure to record revenues and expenditures at the level of detail shown in the budget.

Explanation of Significant Revenue Variances

- Property Tax increase by \$247K for Library to help pay for operating due to a larger facility due to expansion project.
- Home Rule and State Sales increase due to "Level the Playing Field Legislation" regarding Local Use Tax in Illinois, and inflation.
- Other Taxes decreased due to clawback by State on Replacement Tax revenues & Local Use Tax change regarding Level the "Playing Field Legislation."
- Intergovernmental decrease due to \$5.2 M ARPA deferred revenue to be spent in FY 2025 and only \$45K in FY 2026, \$3.4M less in State Grant Revenue forecasted for FY 2026.
- Charges for Services increase in annual increase for Water at 33% per year for 3 years (additional \$6.4M in FY 2026) Sewer, Storm Water and Solid Waste services, Ambulance Fee revenues (GEMT), and increase in employer and employee contribution for insurance costs.
- Investment Income decrease driven by interest rates expected to decline and less reserves as projects are completed in the State Motor Fuel Tax Fund.
- Miscellaneous revenues increase due to showing borrowing for Water Capital Projects totaling \$18M.
- Decrease in Capital Lease Proceeds as City is budgeting to pay cash for equipment in all funds in FY 2026.
- Decrease in Transfers in related to Capital Improvement Fund (-3.1M) and Asphalt & Concrete (-2.5M).
- Decrease in estimate for General Fund (-5.4M) and State MFT (-5.5M) while Sewer/Storm each increased by (+1.4M).
- Multi-Project Bond paid off in FY 2025.
- Capital Projects and Equipment both budgeted less than FY 2025.
- FY 2025 included borrowing for Locust/Colton Phase 8 (9M) and East Street Basin (8M). Water Fund is planning to borrow \$18M in FY 2026.

Explanation of Significant Expenditure Variances

1. Vacancy redux, OT-Events, Seasonals (BCPA, Zoo, Ice), annual for Classified and 11 Union CBAs
2. Increase in health plan costs. Increase in IMRF rate.
3. +\$1.5M Premiums/Claims, +\$1M Other Purch Services, +\$350K A&E/Oth Prof & Tech
4. +\$1M for water meters, +\$300K utilities, +\$170K water chemicals
5. \$7.4M decrease in Capital Projects. \$7.8M decrease in Capital Equipment.
6. Reduction related to paying cash for equipment in GF
7. Increase related to interest for FY 2025 Planned borrowing for Water Fund of \$15M
8. +\$1M to Police/Fire Pensions.
9. -\$4.4M in Contribution to Fund Balance across all funds
10. -\$3.1M Capital Improvement Fund, -\$2.5M Asphalt & Concrete
11. Multi-Project Bond paid off in FY 2025.
12. Capital Projects and Equipment both budgeted less than FY 2025.
13. FY 2025 included borrowing for Locust/Colton Phase 8 (9M) and East Street Basin (8M). Water Fund is planning to borrow \$18M in FY 2026.
14. Increase in employer and employee contribution for insurance costs.

^B Net use of fund balance column depicts uses or additions to fund balance reserves.

City of Bloomington, Illinois
FY 2026 Proposed Budget Fund Balance Notes
For projected changes of 10% or higher or with negative balances

1. **Motor Fuel Tax** – Fund balance has been accumulating for major capital projects and \$27.8M is budgeted to be spent in fiscal FY 2026.
2. **Drug Enforcement** – Accumulated funds will be spent on equipment and training.
3. **Library Fixed Assets** – Accumulated funds will be spent on equipment.
4. **Downtown East Washington TIF**– Tax rebate payment to developer.
5. **Capital Improvement** – Planned use of fund balance for capital projects.
6. **Capital Improvement (Asphalt & Concrete)** – Planned use of fund balance for capital projects.
7. **Water Fund** – Accumulating fund balance will decrease while completing critical capital water projects and replacing machinery and equipment.
8. **Sewer** – Accumulating fund balance will decrease while completing critical capital water projects and replacing machinery and equipment.
9. **Storm Water** – Accumulating fund balance will decrease while completing critical capital water projects and replacing machinery and equipment.

REVENUE SUMMARY

REVENUE SUMMARY

- Major Revenue Analysis
- Municipal Tax Rate Comparison
- Revenue Comparison by Department/Fund
- Statement of Adopted Property Tax Levy

Major Revenue Analysis

This section of the document provides detail and discussion on each of the City's twenty-five major sources of revenue. These revenues totaling \$233,355 million are 73.42% (83.17% when Use of Fund Balance is omitted) of total city revenue. Another 14.86% are miscellaneous revenues which include charges for services, miscellaneous fees, and reimbursements for City expenditures which are not specifically addressed in this section. The remaining 11.73% is the proposed use of fund balance or savings mainly used for capital projects. The following table summarizes major revenue sources:

Source	FY 2024 Actual	FY 2025 Projected	FY 2026 Proposed	Percentage to total revenue
Home Rule Sales Tax	\$30,575,355	\$30,323,794	\$30,663,269	9.65%
Property Tax Levy	\$29,025,685	\$29,478,106	\$29,825,765	8.91%
State Sales Tax	\$21,377,529	\$20,141,228	\$21,108,527	6.64%
Grants/Borrowing/Other Agencies	\$15,125,156	\$26,597,420	\$30,625,320	9.64%
Water Utility	\$15,252,410	\$19,758,240	\$26,142,017	5.96%

Use of Fund Balance	\$0	\$20,442,569	\$37,273,861	11.73%
Total All Revenues	\$267,861,903	\$296,643,821	\$317,854,336	100.00%

Revenue Projection Approach -All revenue accounts are projected by the Finance Department and carefully reviewed by the City Budget Review Committee. The Committee consists of the City Manager, Senior Deputy City Manager, Deputy City Manager, Finance Director, and the Budget Manager. The City projects annual revenues five years into the future using an analytical and objective process.

This process includes the examination of local, state (Illinois Municipal League) and national economic forecasts, in addition to legislative issues and rate changes when applicable. The City closely reviews historical data and trends, leading indicators, and specific performance of retail, including any new businesses or entities that may have opened or closed during the previous budget year. All City revenues are estimated in a conservative manner. The Finance Department reviews revenue and expense data monthly for adjustments that may need to occur during the fiscal year.

Bloomington's Calendar 2024 (FY 2026) Adopted Property Tax Levy

The tax rate resulting from the 2024 adopted tax levy is 1.18040 which is 0.1051 lower than the property tax rate from the 2023 tax levy. The council approved \$29,147,659 for the 2024 levy which incorporates an additional \$247,275 increase in the overall property tax levy to fund the Library, of which approximately the increased amount will be to fund maintenance & operation due to the Library Expansion.

Property taxes are used for a variety of purposes and the amounts levied are governed by various policies. In the 2024 adopted tax levy, pension funding needs account for 39% of the total City and Library Tax Levy. This amount is based on actuarial recommendations for each of the three Pension Funds. The Library Levy comprises 23% of the total Levy and serves as the primary revenue source for the Library. Bond and Interest expenditures are 6% of the total. The remaining 32% is spread throughout the general corporate fund. The graph below shows the amount of the levy adopted by the City Council and how it is allocated to different purposes.

Calendar 2024 (FY 2026) Property Tax Levy \$29,147,659

Home Rule Sales Tax

Background – Home Rule Units (cities with elected officials and more than 25,000 people) have the authority to impose a tax upon all persons who are in the business of selling tangible personal property at retail in their jurisdiction. The Home Rule Sales Tax rate is decided by the City however the actual revenue is collected by the State. The 2.50% rate does not apply to groceries, drugs, and personal property licensed through the Secretary of State's Office (vehicles, campers, trailers, motorcycles, etc.). The last increase approved by City Council took effect in fiscal year 2016. Home Rule Sales tax is earmarked for the debt service and operation of the BCPA, debt service related to the Bloomington Arena, and for the Street Resurfacing Program and to McLean County for Mental Health. The projection below is based upon historical trends and economic indicators in conjunction with deterministic techniques.

(in units of millions)

Statutory – The corporate authorities of a home rule unit (municipality or county) may impose a tax upon all persons who are in the business of selling tangible personal property at retail in their jurisdiction. The City of Bloomington's Home Rule Sales Tax is 2.50% and was established by local ordinance. **(Chapter 39: Article XI)**

**In FY2009, a .25 rate increase was enacted to offset the debt service of the Bloomington Arena.*

***On January 1, 2016, a 1.00% rate increase was adopted.*

State Sales Tax

Background – The state sales tax is 6.25% of which the City shares in 1.00% of sales made in Bloomington. There are four different types of sales taxes: Retailers' Occupations Act (ROT), the Service Occupations Tax Act (SOT), the Service Use Tax Act (SUT), and the Use Tax Act (UT). The ROT is imposed on Illinois businesses that make retail sales of tangible personal property for use of consumption. The SOT is imposed on service persons who sell or transfer tangible personal property as an incident to performing their service. The SUT is imposed on service persons who sell or transfer tangible personal property as an incident to performing their service and whose supplier is out of state. UT is imposed on the user of tangible personal property purchased at retail. The State Sales Tax is collected by the State and distributed to the City. State Sales Tax is allocated to the General Fund. This projection is based upon historical trends and economic indicators in conjunction with deterministic techniques and informed/expert judgment.

(in units of millions)

Statutory – The State sales tax established by State Statute is 6.25% overall. The State retains 5%, the City receives 1%, and the County receives 0.25%. **(35 ILCS: 105, 110, 115, 120)**

Water

Background - Revenues generated by the City's water rates fluctuate due to rate increases, consumption, weather conditions, and population growth. Water rates are charged in two ways. First, a flat rate is charged by the size of the meter being used on the property. The second rate is based on consumption for every 100 cubic feet of water used by a resident or business. Water rates are charged to support the operations and capital needs of the Water Fund. On November 27, 2023, City Council modified the rate effective May 1, 2024, increasing it by 33% every year for 3 years and every May 1st thereafter increasing rates by the Consumer Price Index-Water, Sewer & Trash (CPI-WST). For budgetary purposes, water consumption is tracked and used for trend to project revenues.

(in units of millions)

Authority - Water rates are established through local ordinance. The current water rates were instituted per Ordinance 2023-10 passed by City Council on November 27, 2023.

Income Tax

Background - The State of Illinois taxes the income of individuals and corporations at the rate of 4.95% and 7%, respectively, and shares 6% of the net tax collections with cities and counties. The amount each locality receives is based on its population in proportion to the total state population. Projections were based on estimates provided by the Illinois Municipal League (IML).

(in units of millions)

Statutory – (35 ILCS 5/) Illinois Income Tax Act

Sanitary Sewer Fees

Background – Revenues from this fee are allocated to the Sewer Fund to support the maintenance and rehabilitation of the City’s sanitary sewer system. Sewer rates were raised accordingly in September 2017 with an effective date of May 1, 2018, and increase 3% annually. On November 27, 2023, City Council modified the rates effective May 1, 2024, and every May 1st, with rates increasing by the Consumer Price Index-Water, Sewer & Trash (CPI-WST). The City completed a sewer and storm water master plan which identified approximately \$134 million in capital needs over the next 20 years. A Sewer and Storm Water rate study has addressed funding strategies for needed infrastructure improvements.

(in units of millions)

Statutory – The City’s sanitary sewer fees are set by City ordinance. (**Chapter 37: Article IV**).

Solid Waste Fees

Background – The City’s Solid Waste Program is accounted for within the Solid Waste fund. A phased in rate structure went into effect on May 1, 2014, based on a cart structure. Bloomington residents have the option of choosing from a 35, 65, or 95-gallon cart, priced at \$18.00, \$28.14, and \$32.64 per month respectively for Fiscal Year 2023. On November 27, 2023, City Council modified the rates effective May 1, 2024, and every May 1st, with rates increasing by the Consumer Price Index-Water, Sewer & Trash (CPI-WST). The City also introduced a ‘Pay as You Throw’ sticker program where residents can pay \$3.00 for each additional bag of garbage over the size of the cart charged. Free bulk waste collection occurs each spring and fall. Those who did not place items at the curb by the deadline for the spring or fall collection have the option of taking items to the Citizen Convenience Center at no additional charge or placing the items at the curb, which will be picked up at a cost of \$25 per bucket (about 2.5 cubic yards). Currently, there are no charges for brush and leaf pickup or recycling.

(in units of millions)

Statutory – The City’s refuse fees are set by City ordinance. (**Chapter 21: Section 301.6**)

** On November 27, 2023, City Council modified the rates effective May 1, 2024, and every May 1st, with rates increasing by the Consumer Price Index-Water, Sewer & Trash (CPI-WST).*

Utility Taxes

Background – The City’s utility taxes are broken into four components: natural gas, electric, telecommunications, and water. Over the past decade, revenues from the utility tax have remained flat. On April 28, 2014, the City Council adopted an increase in each component of the utility tax which remains earmarked for Police and Fire pensions.

(in units of millions)

Statutory – The City’s utility tax rates are set by City ordinance. (**Chapter 39: Article II; Article IX; and Article X**)

Note: Utility tax rate increases went into effect in FY 2015.

Ambulance Service

Background – The City began to provide ambulance service in FY 2006 after the closure of the area’s private ambulance service. The City provides basic and advanced life support to Bloomington locations and bills for these services. The City does not provide transport services between nursing homes and physician offices. Ambulance Fees are used to offset expenditures within the Fire Department and automatically increase by 3% annually. Ambulance fee revenues are offset by approximately half due to industry insurance write offs and bad debt expenses. Beginning in FY 2024, write offs are netted against the revenues received annually.

(in units of millions)

Statutory – The City’s ambulance fees are set by City ordinance. (**Chapter 17: Section 92 Ordinance 2011-28**).

Local Motor Fuel Tax

Background - The Local Motor Fuel Tax is an eight cent (\$0.08) per gallon tax on all gasoline and diesel products. The original four cents (\$.04) tax was effective August 1, 2014, and increased to eight cents (\$.08) effective May 1, 2019. This tax is separate from the (39.2¢ or 46.7¢) per gallon Motor Fuel tax that the state levies. The revenues generated by the Local Motor Fuel tax will be used to fund the City's street resurfacing program and sidewalk repair program.

The Local Motor Fuel Tax took effect August 1, 2014, and was increased to eight cents (\$.08) as of May 1, 2019.

(in units of millions)

Statutory – The Local Motor Fuel Tax rates are set by City ordinance. (**Chapter 39: Article XVIII**)

Food and Beverage Tax

Background – This 2% tax is imposed on prepared food and beverages served within the City’s corporate limits. Increases and/or decreases in tax are determined by customer demand at any point in time. The Food and Beverage tax has increased since FY 2022 due to less COVID-19 mitigations and higher inflation. The FY 2026 budget is projected accordingly. The Food and Beverage Tax is used to offset expenditures within the General Fund.

(in units of millions)

Statutory – The City’s food & beverage tax rates are set by City ordinance. (**Chapter 39: Article XVI**)

Storm Water Management Fee

Background – Revenue from this fee is allocated to the Storm Water Fund to support the maintenance and rehabilitation of the City’s storm water system. Storm Water rates were raised accordingly in September 2017 with an effective date of May 1, 2018, and increase 3% annually. On November 27, 2023, City Council modified the rates effective May 1, 2024, and every May 1st, with rates increasing by the Consumer Price Index-Water, Sewer & Trash (CPI-WST). The City completed a Sewer and Storm Water master plan which identified that approximately \$134 million in capital needs over the next 20 years.

(in units of millions)

Statutory – In accordance with **Chapter 37 Article V Ordinance No. 2004-23**, there is an established monthly storm water rate.

State Motor Fuel Tax

Background – The State of Illinois imposes a tax on motor fuel to build and maintain roads and highways. When gasoline is purchased in Illinois, a portion of the motor fuel tax (MFT) goes to the State of Illinois for distribution. The State divides these tax dollars to cities based upon population. Each unit of local government receives these tax dollars to provide improvements or maintenance to the roadways under their jurisdiction. Effective July 1, 2023, through June 30, 2024, State Motor Fuel tax is 45.4 cents a gallon for gasoline and 52.9 cents a gallon for diesel. This tax is increased annually by the State of Illinois beginning on July 1, 2019. Staff incorporates the recommendations of the Illinois Municipal League to project this source of revenue.

(in units of millions)

Statutory – Statutory regulations in the Illinois Compiled Statutes can be found at **35 ILCS 505/13a**.

Golf Related Revenue

Background – Revenue from golf fees is allocated to the Golf Course Fund which supports the operating and capital needs of three City owned golf courses. The budget for fiscal year 2026 shows an increase as demand increased due to COVID-19 and has continued with younger participants returning to the game. Revenue is budgeted through golf trends in Central Illinois.

(in units of millions)

Statutory – Golf rates are examined and reviewed at the end of each season.

Local Use Tax

Background - In 1955, the General Assembly passed the Use Tax Act. Use Tax is a sales tax that requires purchasers of tangible goods bought for use in Illinois to report and pay the attributable taxes of 6.25% (state sales tax rate). This was intended to cover tax made on purchases from out of state by catalog or mail order sales. This law now applies to internet purchases. Staff incorporated the recommendations of the Illinois Municipal League to project this revenue for budgetary purposes. Due to “Level the Playing Field Legislation”, this revenue will decline, and Home Rule & State Sales will increase.

(in units of millions)

Statutory – The Local Use Tax is set by State Statute (35 ILCS 105/1 to 105/22).

Corporate Personal Property Replacement Tax (CPPRT)

Background - Replacement Tax are taxes on the income or invested capital of corporations, partnerships, trusts and public utilities. Replacement taxes are collected by the State of Illinois and paid to local governments and given to replace the money lost by local government when local government's power to impose personal property taxes on corporations, partnerships, and other business entities was eliminated on January 1, 1971. The Replacement Tax is allocated between the General Fund, Debt Service Fund, Library Fund, and Pension Funds. Staff incorporated the revenue recommendations of the Illinois Municipal League to project this revenue for budgetary purposes. Due to an Illinois Department of Revenue payment error, funds have been clawed back over the past couple of years by the State of Illinois. This will continue in FY 2026.

(in units of millions)

Statutory – The Replacement Tax is set by State Statute (**35 ILCS 5/201**).

Franchise Tax

Background – The City of Bloomington’s current franchise tax rate is 5%. Comcast (cable television), Ameren Illinois (electric), and Corn Belt (electric) currently pay a franchise tax to the City. Ameren Illinois and Corn Belt disburse this fee to the City monthly while Comcast disburses their fees to the City quarterly. The Franchise Tax is used to offset expenditures within the General Fund. The budget for franchise tax is based upon analytical trends, staff expertise, and an economic forecast prepared by City staff; it is projected to remain the same.

(in units of millions)

Statutory – The City’s Franchise Tax is set in accordance with State Regulations. **(805 ILCS 5/15.05)**

Hotel/Motel Tax

Background – The City of Bloomington has incorporated a 6% Hotel/Motel Tax. The City uses these funds to promote economic growth in the City as well as offset other expenditures in the General Fund. The budget for Hotel/Motel tax is based upon analytical trends.

(in units of millions)

Statutory – In accordance with **Ordinance No. 2002-93**, there is an established hotel/motel tax.

Amusement Tax

Background – On April 21st, 2014, the City adopted a four percent (4%) Amusement tax levied on exhibitive entertainment, including, but not limited to, sports spectating, theatrical, dramatic, musical, or artistic performance; motion picture shows or movies; video or videotape; digital versatile disk (DVD) rentals; and subscription video programming services (such as Cable TV). The ordinance was amended by City Council on February 14, 2022, to include streaming services. Tax exemptions apply for most tax-exempt organizations, youth organizations and public or private universities *hosting* events. The Amusement Tax is used for general operations.

(in units of millions)

Statutory – The Amusement Tax rates are set by City ordinance. (**Chapter 39: Article XIX**)

Municipal Tax Rate Comparison

Municipality	Population	2023 Property Tax Rate ¹	SALES TAX				Total Sales Tax Rate	Food & Beverage Tax	Vehicle Use Tax	Packaged Liquor Tax	Municipal Motor Fuel Tax	Hotel/Motel Tax

² - Does not include TIF portion of Property Tax.

EXPENDITURE SUMMARY

EXPENDITURE SUMMARY

- Expenditure Overview
- Inter-Fund Transfer Summary
- Expenditure Comparison by Department/Fund

Expenditure Overview

Salary and benefits make up 29.68% of all City expenditures with another 3% from contractuals related to workers' compensation and general liability insurance. Intergovernmental Expenditures represents \$15.7M in payments to the Public Safety pensions and transfers of \$5.5M to regional agencies.

Budget Expenditure Process

Budget Methodology - The expenditures in the Proposed Fiscal Year 2026 budget are projected by staff using a zero-based budget methodology. A zero-based budget approach requires each budget request be re-evaluated thoroughly, starting from the zero-base. This process is independent of whether the total budget or specific line items are increasing or decreasing. This process is very detailed and takes time to compile an adopted budget for Council review and ultimate approval.

Budget Team - The City's Budget Team is composed of the following positions: City Manager, Senior Deputy City Manager, Deputy City Manager, Finance Director, and the Budget Manager. During the preparation of the budget, the Finance Director and Budget Manager holds discussions with each department director and staff to review the City budget process. This meeting includes timetables and changes to the budget process. Guidance is provided at this meeting regarding additional positions, equipment and/or capital expenditures. The committee provides the City's economic outlook for each director regarding macro and micro growth within the City for forthcoming fiscal year as well as Council/City Manager directives.

Budget Compilation – Department's prepare their own budget requests except for line items budgeted by internal subject matter experts. Human Resources employs position budgeting to account for each position and all corresponding cities paid benefits. Information Technology budgets for all software contracts, rolling stock of equipment and new software or hardware capabilities for all departments. The fleet manager provides the purchase list for all licensed vehicles and equipment, fuel costs and vehicle maintenance and repair. Finance budgets for all large tax revenues, debt service, workman's compensation, and general liability insurances, in addition to verifying department requests.

Budget Meetings - The City's Budget Team examines and analyzes each department's proposed budget and prepares work papers to assist the City Manager in evaluating the budget. The City Manager, in conjunction with the Budget Team, meet again with department directors to discuss proposed budget modifications. The budget process provides multiple touch points between departments and administration to understand the impact of decision making.

Salary and benefits make up 52.51% of General Fund expenditures with another 2% of contractuals related to workers' compensation and general liability insurance. Intergovernmental Expenditures represents \$15.7M in payments to the Public Safety pensions and transfers of \$5.5M to regional agencies.

Salaries:

Salary expenditures include full time, part time, seasonal, retroactive pay, and overtime expenses. For FY 2026, salary expenditures are approximately 24% of all City-wide expenditures.

Salary Expenditures – All Funds

*This table and subsequent chart identify salary increases/decreases by department and division General Fund salaries increased \$4.86M over the previous year. Further explanations are listed on the next page.

General Fund Salaries Notes

1. Non-Departmental lowered the vacancy savings due to new Fire/EMT hiring practices & attrition plan.
2. Billing moved a position from Collections to Billing in FY 2026.
3. Billing had a position move from Collections. Removed a Support Staff V position in FY 2026.
4. BCPA increased seasonal budget for FY 2026 compared to FY 2025 due to more shows.
5. Miller Park Zoo increased seasonal budget for FY 2026 compared to FY 2025 due to an exhibit needing to have a staff member in order for the exhibit to remain open to the public.
6. Bloomington Ice Center increased seasonal budget for FY 2026 compared to FY 2025 due to adding ISU hockey full-time.
7. Police salaries increased due to increase in Overtime Budget and contract agreements.
8. Building Safety salaries decreased due to reorganization. Four staff members moved to Community Enhancement and a Fire Inspector position is being eliminated.
9. Community Enhancement salaries increased due to reorganization. Seven staff members moved to Community Enhancement from Building Safety and Economic Development.
10. Economic Development salaries decreased due to reorganization. Threes staff members moved to Community Enhancement.
11. Parking Operations has 2 positions that are being eliminated.

Benefits:

Benefit expenditures include the City's share of health and life insurance, retirement contributions, unemployment insurance, worker's compensation, and uniform/tool allowances. For FY 2026, General Fund benefits are approximately 4.4% of all City-wide expenditures.

Th

is table and subsequent chart identify benefits increases/decreases by department and division. General Fund benefits increased over the previous year by 5.85%.

General Fund Benefits Notes

1. City Clerk staff changed insurance plans during open enrollment.
2. Collections had a position moved to Billing resulting in a decrease in benefits.
3. Legal staff changed insurance plans during open enrollment.
4. A number of Parks programs did not have the proper benefits budgeted for seasonals in FY 2025.
5. Police Communication Center staff changed insurance plans during open enrollment.
6. Reorganization of departments had staff 7 staff moving to Community Enhancement From Building Safety and Economic & Community Development departments.
7. Parking Operations staff was reduced by 2 employees for FY 2026.
8. Snow & Ice Removal budget for OT was reduced which led to a lower benefit budget for FY 2026.
9. Engineering had 1 position removed and another split between 2 different departments in FY 2026.

Other Expenditure Accounts:

Contractuals

This category relates to services provided to the City by outside agencies or self-employed contractors. Contractuals make up 22% of all expenditures and 15% of General Fund expenditures. Contractuals include insurance premiums and claims for workers compensation and general liability, professional services and repair/maintenance accounts for buildings, equipment, and vehicles.

Commodities

This category relates to products purchased by the City to support its daily operations including all payments for utilities and supplies (i.e., street materials, fuel, etc.). Commodities make up 7% of all expenditures and 8% of General Fund expenditures.

Capital Expenditures

This category summarizes major capital projects such as road resurfacing, water, sewer and storm water lines and the purchase of machinery, equipment, and vehicles. The capitalization threshold for machinery, equipment and vehicles is \$5,000 or greater. Capital expenditures make up 25% of all expenditures and 2% of General Fund expenditures.

Debt Service

Is comprised of principal and interest payments for the City's capital lease program, payments on bonds, Illinois Environmental Protection Agency Loans, and any other debt instruments in use by the City. Debt service makes up 3% of total City expenditures and 1% of General Fund expenditures. The General Fund expenditures are related to Capital Lease principal and interest and some cash payments for machinery, equipment, and vehicles. Other General Fund related debt service is paid through Transfers Out.

Inter-Governmental Expenses

This category relates to payments made to other local, state, and federal governments for services and/or products purchased by the City to support its daily operations. Inter-Governmental Expenses make up 7% of all expenses and 15% of General Fund expenses. Payments include Police and Fire Pensions, Convention and Visitor's Bureau, Economic Development Council, McLean County for Mental Health Services and Connect Transit totaling \$21.2M for FY 2026.

Other Expenditures

This category relates to payments which do not fall into other designated City expenditure categories. Other Expenditures make up 1% of all expenditures and 1% of General Fund expenditures. Examples include the Rust Grant and community relations.

Transfers Out

This category relates to transfers made between City funds. Transfers out make up of 4% of all expenditures and 5% of General Fund expenditures. General fund transfers include transfers to Capital Improvement Fund for non-enterprise fund capital projects not related to street resurfacing/sidewalks, Debt Service funds, Enterprise funds for operations and debt service.

NON-DEPARTMENTAL 10010010

Purpose

The Non-Departmental division is a centralized budget where non-specific General Fund revenues are accounted. This division is known mainly for housing approximately 74.8% or \$102,450,951 of total General Fund revenues or approximately 32.2% of total City revenues in the FY 2026 Proposed Budget.

FY 2026 Revenue

Revenues tracked within this division by FY 2026 Projected Estimate include:

Type of Revenue	Budget
Home Rule Sales Tax	\$25,072,380
State Mandated Sales Tax	\$21,108,528
Income Tax	\$14,011,455
Property Tax	\$10,844,003
Food & Beverage Tax	\$5,988,688
Utility Tax	\$5,531,095
Use of Fund Balance	\$3,284,994
Hotel/Motel Tax	\$2,367,668
Replacement Tax	\$2,265,087
Franchise Taxes	\$1,645,339
Amusement Tax	\$1,591,329
Packaged Liquor Tax	\$1,500,000
Local Use Tax	\$1,498,118
Video Gaming Tax	\$1,332,234
Interest Revenue	\$1,250,000
Vehicle Use Tax	\$1,245,833
Other Taxes	\$704,700
Licenses	\$650,500
Fines & Forfeitures	\$387,000
Other Revenue	\$172,000
Total:	\$102,450,951

In the projection of revenue, staff has based their estimates on historical micro and macro-economic trends, current economic outlook, estimates from professional organizations such as the Illinois Municipal League and staff expertise. Staff remains cognizant of the possibility that the overall State and Federal economy may impact these revenues.

Fun Facts

The Non-Departmental portion of the State Sales Tax and Home Rule Sales Tax is projected to total \$46,180,908 in FY 2026. This makes up 45.1% of the revenues in the Non-Departmental department.

ADMINISTRATION

10011110

Purpose

The City of Bloomington operates under the Council-Manager form of government. The City's legislative authority is vested in a ten-member Council which is comprised of the Mayor and nine City Council members who are elected from their respective wards. Under this organizational structure, the Mayor and Council appoint a City manager to act as the chief operating officer. The City Council sets policy direction, and the City Manager is responsible for implementing those policies in an efficient and effective manner.

The purpose of the Administration Department is to provide professional leadership in the management and execution of policies and objectives formulated by City Council, development, and recommendation of alternative solutions to community problems for Council consideration, and planning and development of new programs to meet future needs of the city. The professional Administration staff provides strategic planning support, guidance, communication, and leadership to assure that quality municipal services are provided to members of the community through excellent customer service.

Authorization

As chief executive officer of the City, the City Manager is responsible for the overall management of City operations, including implementation of policy decisions and legislative actions taken by the City Council, oversight of the City budget and supervision of all City departments. The City Manager has the right to recommend that the City Council adopt certain measures or take certain actions that he/she deems appropriate and in the best interest of the municipality.

The City Manager supervises the administration of the affairs of the City and appoints specified offices established by Section 2-29 of the City Code. The Administration Division and its related activities have been codified in the City's Code under Chapter 2: Sections 38 – 41. The City Manager's duties have also been codified in State Statute 65 ILCS 5/5 (several sections including, but not limited to: 3.7, 1-4, 1-11, 3-6, 3-7)).

FY 2026 Budget & Program Highlights

- Servant Leadership – Our city team will first seek to serve and support our residents, the community, and fellow co-workers in the work that we do.
- Implementation of City Council goals and directives.
- Communications – We will focus on providing the tools and support to “tell the City's story” and keep the community informed through the multitude of new and traditional media avenues available today.
- Community and Diversity – We will support initiatives which focus on celebrating diversity in the community and how our differences make this community stronger.
- Downtown – Support the development of the streetscape plan to transform the downtown core.
- Customer Service – continue to create exceptional customer service with the public and within the organization.

What we accomplished in FY 2025

- Named a new City Manager and Deputy City Manager
- Restructured the Public Works Department and named its Director and Assistant Director.
- Restructured Department of Operations and Engineering Services (DOES) to Engineering Department and named its Interim Director.
- Restructured ECD into two different departments namely: Community Impact & Enhancement Division (CI&E) and Development Services and named its directors.
- The newly renovated Library opened its doors to the public with its ribbon cutting last August 2024.
- City completed the purchase of Owen's Nursery that will be the new location of Public Works and Fleet.
- Introduced Continuous Improvement initiatives to directors and departments.
- Enhanced efficiencies in City Manager updates and City Council Requests.
- Initiated the Housing Symposium that was attended by roughly 55 people from different fields of expertise: McLean County Chamber of Commerce Executives, BNEDC representatives, HUD representatives, contractors, developers, real estate agents, etc.
- Kicked off the Homeless Coalition meeting partnering with different organizations to address homelessness in Bloomington-Normal.
- City Manager and Deputy City Managers started Employee Forums to engage with all employees from different departments.
- Completed Phase 1 of the Downtown Streetscape construction design to bring a new look, feel and energy to downtown Bloomington and replace aging infrastructure. Construction set to begin in Spring 2026 pending city council approval.
- Established a Downtown TIF Increment Financing district to help spur downtown development.
- Ward 2 Council Member was appointed by Council to fill in a resignation.
- Created a Purpose Committee where each department is represented and headed by the City Manager to brainstorm ideas to spread the City's mission of Making Life Better internally and externally.
- Negotiated agreement to purchase the Front & Center, Former Elks and Former People's Bank building downtown. The properties have been vacant for years and have fallen into significant disrepair with the city having pursued remedies for decades.

Challenges

FY 2026 and beyond

- Implementing new ways to make interaction with city government easier and more efficient to include electronic means.
- Leading the organization through a projected deficit at the end of 2026 if current revenue trends don't stabilize.
- Continue to provide excellent services to residents with limited budget.
- Find alternative sources of funding for the capital improvement needs outlined in the Five-Year Capital Improvement Plan.
- Provide value-added City services with limited resources.
- Monitor any further reductions in state shared revenue that will impact staff levels and services.

Purpose

The City Clerk Department manages the legislative processes of more than 30+ City Boards & Commissions including its primary boards, the City Council and Committee of the Whole. The Department is responsible for the administration and supervision of 50+ City license/permits. The Department supports, facilitates, and assists in many Citywide projects, as well as oversees the City Code, all City records, and ensures transparency for all through making sure the City complies with the Freedom of Information Act and the Open Meetings Act.

FY 2026 Budget & Program Highlights

Citywide Document Storage Solutions – The City's customized Laserfiche database provides a searchable document database for internal users. The program's reporting mechanism equips staff to better monitor contracts and key documents while notifying them of crucial upcoming dates or areas where special attention may be needed. The program also promotes transparency as it can be direct linked to JustFOIA for fulfillment of Freedom of Information Act (FOIA) requests.

- **Freedom of Information Act (FOIA) Database** – JustFOIA is an active database and software program used by the City to accept and fulfill FOIA requests. JustFOIA allows for FOIA request tracking, content storage, and history capabilities for all users. Implementation of the system has allowed for improved efficiency and reporting, as well as has simplified procedures for internal and external users and has taken transparency to a new level.

- **Continued Maintenance of the City Code** – The recodification project is still in process. In FY 2026, the project will continue as the City Clerk Department works with other departments to address and implement improvements to City Code. Continued, timely maintenance will be very important. Transparency is highly increased by the use of eCode360, which maintains the City's Code online in a searchable format.

- **Retention and Disposal of Documents** – Transparency and accessibility are key! The City continues its conversion to fully electronic and paperless documents.

- **Professional Development** – Having a well-trained staff is crucial when you have a busy workload and work in an environment that is everchanging. Increased efficiencies, leading by example, and providing the highest level of customer service can be extremely difficult when trying to also create a work-life balance considerate of staff's health. Professional Development opportunities help staff work and live better and happier lives.

Goals/Objectives for Fiscal Year 2026

- **Professional Development** – Continue to train Citywide Staff to comply with the Open Meetings Act, the Local Records Act, and the Freedom of Information Act. Regularly offer professional development opportunities to promote growth and heightened interest in longevity at the City -- A well-trained and happy staff is important and is a necessity in keeping up with workload while aiming to be a productive, efficient, and effective City.

- **Transparency & Ease of Doing Business** - The City Clerk Department is committed to continuing to work with all City departments to move documents, forms, filing systems, etc. online through the use of a variety of programs (JustFOIA, SeamlessDocs, Granicus, eCode360, etc.). We also welcome feedback from

business owners and the community on how we can better serve and improve the processes we implement.

- **Records/Data Management Solutions** – Continue to assist all City departments in converting paper records to electronic and then moving electronic data into the City's customized Laserfiche database to promote long-term secure retention, as well as promote transparency through increased accessibility.
- **Codification** – The City is working towards a full recodification, and eventually an entirely new Code will be adopted. Continuous assessment of the existing Code ensures accuracy, efficient processes, modernization, and compliance with all federal, state, and other applicable laws. It will also be congruent throughout and any and all issues identified through the exhaustive codification process will be addressed fully.

What we accomplished in FY 2025

Improved Licensing – The City Clerk Department rolled out large improvements to how licenses are processed, as well as continued to enact new licensing Codes to meet the needs of the community. The Department values the needs of the community and works hard to serve the community through ensuring businesses are safe and well equipped to meet their needs.

Continued Work on Citywide Recodification Project – Continued maintenance of the City's existing Code via the fully searchable eCode360 online database is an ongoing job, as is addressing issues within the Code. The Clerk Department continued to work diligently to improve the Code and prepare for a full recodification and adoption of a new Code in the future.

Continued Roll Out of the Laserfiche Document Database – In partnership with Information Technology, the City Clerk Department rolled out a new, custom document database Citywide in 2021. The database provides a single, centralized location for document storage and improves transparency by enabling better access to documents. The database also ensures better monitoring of contracts and associated deadlines. In 2022 the Clerk Department continued to work with other departments to implement use of and further improve the new database. This project is ongoing and impactful ensuring retention of documents and ease of access for better transparency.

Professional Development Achievements – The Interim Deputy City Clerk (regularly known as the Records & Licensing Specialist) completed a 12-week ICMA High Performance Leadership Program. Continued professional development is extremely important to all City Clerk staff. They participated in a variety of professional development opportunities together as a team and individually throughout the year.

Continued Citywide Staff Training – The City Clerk Department managed the City's Notary Public Staff Program offering regular support and training for notaries at the City. The Department oversaw the Boards & Commissions Staff Liaison Program that provides staff acting as Boards & Commissions liaisons a resource for training and continued education. The Clerk team regularly partners with the Legal Department to offer advice on best practices for fulfilling Freedom of Information Act requests, as well as this year partnered with the Human Resources Department to put out a training video focused on ensuring staff are prepared to interact with the community and ensure transparency.

Continued Partnering w/Information Technology Department in the Data Governance Project – The Data Governance Project is a Citywide effort to best manage and maintain the City's data. Because the City Clerk acts as the City's records keeper and the fact that managing and maintaining data directly relates to the management and maintenance of physical records, the City Clerk Department continues to partner with the Information Technology Department on the project. Managing and maintaining physical and electronic records is key to ensuring ease of access to documents/data and, ultimately, transparency.

Continued Moving Citywide Records to Electronic Format & Continued Maintenance of an Internal Records Disposal Certificate Searchable Database Increasing Knowledge of Available Documents/Data – The City Clerk Department continued to work Citywide with all departments to move records from paper to electronic formats. The move to electronic records improves access and inevitably increases the City's ability to best be transparent. The State determines what records the City must maintain and provides disposal approval through the issuance of disposal certificates. The City Clerk, as the Citywide records keeper, is responsible for managing issued certificates and has always done so manually. In an effort to increase transparency through ease of access to records and faster response times to requests for records, the Department developed a searchable database last year to store approved certificates. The database acts as a quick resource for staff to use when searching for records. If a document is not listed in the database, then the record is available to individuals making document requests both internally and externally. Continued maintenance is key.

Challenges

- **Changing Laws** – With laws always evolving it is a challenge, and so governing laws must remain a focus for staff at all times. We must monitor and continually train Staff on current, updated, and new laws. Primary focus of laws being the Open Meetings Act, the Local Records Act, the Freedom of Information Act, the City's Code, and many, many other laws.
- **Evolving Boards & Commissions** – The constant turnover of board/commission members is an ongoing job. It's crucial to make sure board/commission members and staff liaisons are prepared, equipped, and ready to serve.
- **Heavy Workload** – The Clerk Department is a very busy Department assisting every other department at the City, as well as managing 30+ boards/commissions, 50+ license/permits, all City records, the City Code, and all FOIA (Freedom of Information Act) requests. Demands are heavy for a small department of four. Staff must stay current on all City topics, Council items, procedures, laws, PAC findings, etc. to be able to provide the highest level of service both internally and externally to the community.
- **Increasing FOIA Requests** – The Department utilizes an electronic system called JustFOIA to assist in managing FOIAs; however, year after year the number of requests increases significantly, as does the complexity of the requests. The management and facilitations of the FOIA process requires a lot of staff time and effort.
- **Document Management** – The City Clerk is the keeper of all City records. Records maintenance is an important and daunting task. The Department, working in conjunction with the Information Technology Department and all other City departments, works hard to manage the endless inflow of documentation and the management of it thereafter.
- **Management of Business Licenses** – The Department manages more than 50 City license/permits that make up a noteworthy million dollar plus income stream for the City. The administration and supervision of 50+ license/permits can be an overwhelming and challenging task.

Fun Facts

The City Clerk is a mighty team only made up of 4 full-time staff.

HUMAN RESOURCES

10011410

Purpose

The Human Resources (HR) Department serves as the foundation of our city's workforce, ensuring that our employees are supported, well-trained, and equipped to serve the community effectively. Our mission is to recruit, retain, and develop a skilled workforce while fostering a positive and inclusive work environment. Through strategic workforce planning, continuous improvement initiatives, employee engagement initiatives, and compliance with labor laws, HR plays a crucial role in maintaining an efficient and responsive city government.

FY 2026 Budget & Program Highlights

The Human Resources Department is committed to strengthening the city's workforce and fostering a productive, inclusive, and compliant workplace. By securing necessary resources, we can enhance recruitment, development, and retention strategies, ultimately contributing to a more effective and service-oriented city government. We respectfully request the necessary funding to continue providing these essential services and support our city's employees in their mission to serve the community.

To continue fulfilling these critical responsibilities, the HR Department requires adequate funding for recruitment efforts, training programs, benefits administration, and compliance initiatives. Investing in human resources directly translates into a more efficient, motivated, and skilled workforce that enhances the city's ability to serve its residents. With proper funding, we can improve employee engagement, reduce turnover costs, and ensure a well-managed municipal workforce.

1. **Employee Relations and Workplace Well-being**

HR fosters a positive work culture by addressing employee concerns, resolving conflicts, and promoting open communication. We ensure adherence to workplace policies while advocating for a fair and respectful work environment. Additionally, we support employees through wellness initiatives, mental health resources, and work-life balance to enhance productivity and job satisfaction.

2. **Recruitment and Retention**

The HR Department actively works to attract and retain top talent by implementing fair and equitable hiring practices. We ensure that job postings reach a wide audience, conduct comprehensive candidate screenings, and support departments in selecting highly qualified individuals. Employee retention is strengthened through competitive compensation packages, career development opportunities, and employee recognition programs.

3. **Compensation and Benefits Administration**

Ensuring fair and competitive compensation is essential to maintaining a strong workforce. The HR Department manages salary structures, administers employee benefits, and oversees pension and retirement plans. By evaluating market trends and conducting salary analyses, we help maintain the city's ability to attract and retain skilled employees.

4. **Employee Development and Training**

Professional development is a key priority for the HR Department. We provide ongoing training programs that enhance job performance, leadership skills, and compliance with city policies and regulations.

5. **Compliance and Risk Management**

The HR Department ensures compliance with federal, state, and local employment laws, including equal employment opportunity regulations, labor laws, and workplace safety standards. We proactively mitigate risks by implementing policies that prevent discrimination, harassment, and workplace injuries, thereby reducing legal and financial liabilities for the city.

What we accomplished in FY 2025

1. **Employee Relations and Workplace Well-being**

HR fostered a positive work culture by addressing employee concerns, resolving conflicts, and promoting open communication. We ensured adherence to workplace policies while advocating for a fair and respectful work environment. Additionally, we supported employees through wellness initiatives, mental health resources, and work-life balance to enhance productivity and job satisfaction.

2. **Recruitment and Retention**

The HR Department actively worked to attract and retain top talent by continuing to follow fair and equitable hiring practices. We ensured that job postings reach a wide audience, conducted comprehensive candidate screenings, and supported departments in selecting highly qualified individuals. Employee retention was strengthened through competitive compensation packages, career development opportunities, and employee recognition programs.

3. **Compensation and Benefits Administration**

We ensured fair and competitive compensation to maintain a strong workforce. The HR Department managed several salary structures, administered employee benefits, and oversaw pension and retirement plans. By evaluating market trends and conducting salary analyses, we helped to maintain the city's ability to attract and retain skilled employees.

4. **Employee Development and Training**

Professional development is a key priority for the HR Department. We provided ongoing training programs that enhanced job performance, leadership skills, and compliance with city policies and regulations.

5. **Compliance and Risk Management**

The HR Department ensured compliance with federal, state, and local employment laws, including equal employment opportunity regulations, labor laws, and workplace safety standards. We proactively mitigated risks by continuing to follow policies that prevent discrimination, harassment, and workplace injuries, thereby reducing legal and financial liabilities for the city.

FINANCE-BILLING & COLLECTIONS/CASHIERS (THE HUB)

10011510

10011520

10011530

Purpose

The mission of the Finance Department is to promote the fiscal stability of the City by recommending policies and sustainable strategies to decision makers, implementing best practices in financial management and reporting, and providing accurate and unbiased information to the City's stakeholders. To execute this Mission, the Finance Department establishes financial management standards and monitors compliance to these standards based on federal, state, and local law, and generally accepted accounting standards. Additionally, the Department strives to present the data to the public in a format that is understandable and holds meaning for the community.

Main functions of the Finance Department are:

- Fiscal administration, reporting and compliance
- Budget development and monitoring
- Accounting and auditing services
- Debt and treasury management
- Local Business Tax Administration
- Long-term fiscal planning
- Utility Billing* (water, sewer, storm water and refuse monthly billing)
- Collections* - Payment Processing
- These functions and the related staff are the primary components of the City's Customer Service Department known as The Hub, a one-stop-shop where residents can conduct business with the City.

FY 2026 Budget & Program Highlights

- Convert the filing of the City's required business tax returns, Food / Beverage, Local Motor Fuel Tax etc., to an online format. This will bring efficiencies in processing to both internal staff and our business community.
- Continue focus on automating accounting operations, importing of data etc. and standardizing processes where possible.
- Continue focus on providing excellent customer service in The Hub – with a goal of assisting / facilitating resident's doing business with the City.

Funding Source

The Finance Department is primarily funded by General Fund revenues. However, some services such as Food and Beverage Tax collection is provided to the Town of Normal for a fee and operating expenses for the Billing and Collections areas of the Department are funded by the City's Enterprise Funds.

What we accomplished in FY 2025

Finance/Accounting

- Completed the FY 2024 annual City audit with an unmodified opinion and completed other required annual Regulatory filings such as TIF reports, Annual Financial Reports, Treasurer's Report and Unclaimed Property Report.
- Received the GFOA Certificate of Achievement for Excellence in Financial Reporting.

Debt/Capital Management

- Strategically utilized surplus funds to pay cash for equipment for the General Fund, executing on a Council initiative.
- Positioned the City for plans to borrow +140M over the next five years for Water Infrastructure Improvements, via financial modeling and rating agency discussions.

Budget

- Received the GFOA Certificate of Achievement for Excellence in the Comprehensive Annual Budgetary Award for the 13th consecutive year.
- Successfully assisted department heads in managing budgets resulting in the sound financial execution of City services and Fund stability.

Local Business Tax Administration

- Administered – collected over \$17M in local taxes such as Local Motor Fuel, Food/Beverage, Packaged Liquor, Hotel/Motel/Short Term Rental, Vehicle Use, Franchise and Amusement.

Billing, Cashiers, The Hub

- Administered – billed over \$40M in utility related activity (water, sewer, storm water, garbage)
- Focused on integrating / optimizing interdepartmental communications and processes related to Hub services and utility residential account maintenance and interactions (for +30K utility accounts).

Challenges:

Managing financial events that are out of the City's control always pose a challenge. These can take the form of economic turmoil such as inflation to unfunded mandates by the State or Federal Government. Proper planning, sound reserves and cautious execution can help mitigate these threats.

INFORMATION TECHNOLOGY

10011610

Purpose

The Information Technology department provides the following inventory of programs and services for all City departments:

- Shared Common Technology Infrastructure
 - o Network infrastructure, including local area networks, wide area networks, fiber backbone connections throughout the city, wireless point-to-point networks (for remote connectivity) and wireless networks for client access
 - o Roughly 150 Physical and virtual (cloud) servers and over 600TB of storage technology to support enterprise applications, video, and file storage.
 - o End user desktop, laptop and tablet computers, mobile phones, printers and other peripherals, productivity software and many applications specific to a department or end user.
- City-wide Enterprise Business Applications
 - o Financials, Human Resources, Payroll, Utility Billing, Public Safety, Parks, Public Works, Community Development, GIS, Web Services, Email, Parking Management, Physical Access Control, Video Surveillance, City Web Sites, Citizen Engagement Applications, Smart City technology, Social Media, and other departmental specific applications.
- Information Security
 - o Enterprise Data Backup/Redundancy/Recovery, Disaster Recovery, Business Continuity, Cybersecurity Oversight, Management and Communication of Security Policies and Procedures.
- IT Strategic Plan development, planning and communication.
- Manage and communicate the use of standard Information Technology principles and best practices.
- Unified Communications
 - o LAN/WAN network design and implementation, Internet connectivity and security, Structured Cabling Systems, City-wide Voice over Internet Protocol (VoIP) telephone system, Cellular phones for roughly 300 City users, Mobile Computing Devices, Mobile data network supporting Fire, Police, Community Development, Water and other operational departments Email.

FY 2026 Budget & Program Highlights

- Develop the 2025-2028 IT Strategic Plan to continue the maturity of our department and communicate the roadmap for how we plan to achieve it.
- Additional Tier 1 and Tier 2 support resources to increase our level of service and provide more responsive and proactive support in the most cost-effective manner.
- Continued implementation of video surveillance technologies in strategic locations throughout the City.

- Begin implementation of the Enterprise Asset Management (EAM) module. Includes work orders, inventory fleet management, and facilities management.
- Implement or upgrade multiple new or replacement applications city-wide to improve departmental efficiencies and advocate for sun-setting obsolete software.
- Add technology to increase resident outreach and communication through website, social media, and enhanced applications.
- Provide strategic guidance on technology investments for major capital projects, ensuring alignment with the City's goals and maximizing long-term value.

What we accomplished in FY 2025

- Leveraging ITIL best practices, we have continued to build out our Information Technology Service Management (ITSM) methodologies to include contract and software management tracking.
- Implemented a new Information Technology Financial Model (ITFM) to better evaluate and communicate IT spending to the various audiences within our organization.
- We have hired for all vacancies and new positions in the department. This was accomplished with both internal promotions and great external hires.
- Network infrastructure upgrades at both the City Hall and Government Center data centers have been completed, providing fully redundant cores at each location. This redundancy ensures high availability and protects against single points of failure, significantly improving network reliability and uptime.
- Implemented a new Enterprise Backup Strategy that leverages on-premises and cloud storage, as well as off-site media. This ensures timely backup of our critical data and allows us to meet several record retention and data security requirements.
- We enhanced our disaster recovery capabilities and further improved performance, by adding a redundant array to our on-premises storage environment. This addition provides us with an extra layer of data protection and ensures business continuity in the event of hardware failure or other unforeseen issues.
- Continued work on the new Data Governance Policy. This is a multi-year initiative to better understand the data we use and keep. This policy will then enable us to manage the life cycle of that data more efficiently.
- Established a cloud-based disaster recovery solution, providing enhanced business continuity and faster recovery times in the event of a disaster.
- We completed several network fiber infrastructure projects and upgrades, including new and redundant routes to existing and new City facilities, as well as improved connectivity for public safety cameras and sensors across the city.
- Continued to enhance our security posture through security awareness training for all City staff to learn about how to identify potentially malicious or suspicious activity. This system manages the continual training and simulated phishing attacks for staff.

Challenges

- **Evolving Threat Landscape:** Maintaining a strong cybersecurity posture is an ongoing challenge due to the ever-present threat of data breaches and the rapidly evolving threat landscape. We remain vigilant and proactive in our efforts to protect City resources, leveraging innovative approaches and partnerships with federal and state agencies to enhance our cybersecurity education, threat detection, and incident response capabilities.

- **Budget Constraints:** Balancing the need for robust cybersecurity with limited budget resources can be difficult.
- **Remote Work Security:** Securing remote access and endpoints in a hybrid work environment adds complexity to cybersecurity management.
- **Technological Pervasiveness and Staffing Level:** Almost every initiative, or project, within the City organization includes a technological component. Most initiatives depend heavily on technology for their success. The importance of technology in key projects and initiatives throughout all City departments continues to demand more IT staff time. While new initiatives require more staff time, the current systems also continue to need to be maintained. This continues to challenge IT resources.
- **Project Management: Managing Expectation in Technology Adoption –** The Information Technology department is always in the middle of multiple implementations. Each project's implementation is important as it is typically replacing a paper-based system or improving the efficiency of an existing electronic system. This requires prioritization and management of the schedule while also finding ways to use outside resources wherever possible. We will reference the IT Strategic Plan for guiding principles and initiatives to prioritize our work and are implementing Project Portfolio best practices to track the progress of the various initiatives.
- **Cloud Management Complexity:** Managing cloud resources, optimizing costs, and ensuring security in a multi-cloud or hybrid cloud environment requires specialized expertise.
- **Data Growth and Management:** The City's data volume is projected to grow exponentially due to the increasing use of video and high-resolution imagery, including police body-worn cameras, in-car video systems, high-resolution GIS images, video surveillance, and the sewer video inventory project. Managing and protecting this data will require significant infrastructure and management resources, both on-premises and in the cloud. We are exploring enhanced data retention and management policies, including the development of new Data Governance policies.
- **Demonstrating Value:** Quantifying the value of IT investments and demonstrating ROI can be difficult.

Fun Facts

The Information Technology department, staffed by 19 full-time employees and 2 contracted workers, manages all technology needs for City departments. Last year, our team resolved over 8,000 user requests, leveraging our ITSM system to streamline support and minimize disruptions. This includes maintaining over 3,000 computing and communication devices and more than 100 software applications across 40 Bloomington/Normal locations.

Purpose

The goal of the Legal Department is to provide the City of Bloomington with high quality legal, procurement, and contracting services. The Legal Department facilitates the various operations of the City and helps to protect its legal and financial interests. The Legal Department staff provides legal counsel and opinions to City officials on matters of federal, state, and local law and represents the City in matters pending in the Circuit Court and before various administrative agencies. The Department also advises various City boards and commissions. The Department aids in the collection of accounts receivable due to the City, assists with the negotiation of City contracts and intergovernmental agreements, participates in collective bargaining matters including negotiation and grievance proceedings, prepares City ordinances and resolutions, prosecutes violations of the City Code, and other legal-related matters. Finally, the Legal Department's procurement and contract personnel assist with City purchasing, bids, and contracts.

FY 2026 Budget & Program Highlights

- Prosecuting ordinance and related violations in Administrative Court
- Representing the City in litigation and working on litigation prevention
- Advising the City in personnel matters, collective bargaining negotiations and employment matters
- Providing training to City staff on legal, procurement and contracting matters
- Enhancing efficiency through implementation of a case management software
- Identifying and integrating contract management software to better access, monitor, and track the City's many contractual relationships

What we accomplished in FY 2025

I. SPECIAL LARGE FY 2024 PROJECTS

Procurement

- o The procurement Division worked in conjunction with Administration and the Diversity, Equity, and Inclusion Division to create and implement the New Equal Opportunity Initiative and Goals for City Contracts. Procurement participated in multiple meetings with the contractors and public while writing and implementing the ordinance to receive feedback and provide transparency to the policy change. The changes were then integrated within the eProcurement platform, OpenGov. A public training was held at the Minority Business Development Center to assist Women and Disadvantaged Businesses register and receive certification with the City for future procurement opportunities. Over the past few months of 2024, the Department negotiated and adopted a Project Labor Agreement (PLA) with the local building trades that will include most City projects over \$50,000.00.

Collections

- o The Legal Department continued assistance with the implementation of the collection of certain debts through circuit court and the State of Illinois Debt Recovery Program.

Employee Relations

- o Significant resources were dedicated to advising on new legislation having major impacts on the City including the SAFE-T Act and the Paid Leave for All Workers Act.
- o Advising and implementing significant changes in the City's hiring process for firefighters, including changes to City Code, Administrative Rules, and Board Rules
- o Significant resources are routinely used to provide counsel and legal guidance on various labor and employment-related issues including all levels of progressive discipline including matters involving participation in grievance arbitration and termination hearings (see below).

Contract Management

- o The Legal Department will propose an expansion of the role of the Contract Manager with City departments including a process and framework intended to modernize the City's contracting process.
- o The proposal is aimed toward implementing procedures that will reduce City expenditures by more efficient tracking of existing agreements, and decrease risk to the City by modernizing, cultivating, and further promoting efficiencies throughout all City departments. This is achieved through:
 - Creation of a Standard Operating Procedure to be distributed to all City departments.
 - Development and implementation of appropriate training to educate on the advantages/need and to promote adherence.
 - Acquisition and deployment of a Contract Lifecycle Management software that is expected to:
 - increase efficiencies in drafting, communication, and negotiation of agreements and renewals.
 - provide reporting capabilities that would allow for optimal contract management.
 - increased efficiency in providing a common source for identifying and locating existing agreements.
 - provide cost savings through the monitoring automatic renewals, termination dates, annual cost increases, etc.

II. ECONOMIC DEVELOPMENT & LAND USE

- o The Legal Department assisted with the drafting and work associated with various property annexations.
- o The Legal Department continued its program provide legal guidance to the Zoning Board of Appeals, Plan Commission and Building Board of Appeals.
- o Provided legal guidance and advice regarding the effects and options for addressing homelessness in the City.
- o Drafted purchase agreement and lead the City efforts in the acquisition of a 34.43-acre property to be used as the future home of the Public Works department and potentially other department uses.

III. LABOR & ARBITRATIONS

- o The Legal Department is involved in the negotiation of several collective bargaining agreements.
- o The Legal Department has been involved in numerous employment disciplinary issues and reviews.
- o The Legal Department represents the City in matters before Administrative Agencies such as the Illinois Labor Relations Board and the Illinois Department of Human Rights.
- o The Legal Department is involved in employment arbitrations on behalf of the City.
- o The Legal Department is often called upon to provide counsel and advice related to matters pending in both state and federal court.
- o The Legal Department intervenes as necessary on behalf of the City in Pension Board proceedings to protect the City's interests in such matters.

IV. LITIGATION

State and Federal Court:

- o Represent the City in multiple lawsuits and administrative matters, such as Police Pension Disability cases.
- o Assist with the prosecution of underage liquor complaints.
- o Provide litigation oversight and reporting to the City Council on pending matters.
- o Assist in the acquisition and/or demolition of distressed properties.
- o Represent the City in nuisance cases, circuit court ordinance cases, LM contempt cases for both collection and abatement.
- o Represent the City in collection abatement, injunction, and demolition cases.
- o Represent the City in collection cases for contractual small claims, vehicle use tax cases, food beverage tax cases, short term rental tax cases, and amusement tax cases.
- o Provide litigation support for outside counsel on both state and federal cases.
- o Review and makes recommendations on workers compensations litigation strategy and settlement requests from outside counsel.

Administrative Court

- o Represent the City in enforcement actions and administrative appeals in the City's Administrative Court system.
- o Prosecute ordinance violation cases including nuisance abatement (behavioral ordinance violations) and housing (property) code violations.
 - In FY 2024, a total of 389 behavioral ordinance citations were issued (106 more than during FY 2023) and 155 property cases were filed in Administrative Court.
 - In FY 2025, to date a total of 272 behavioral ordinance citations have been issued, and 102 property cases have been filed in Administrative Court.

V. GENERAL POLICY / ORDINANCE UPDATES

Drafted numerous ordinances and resolutions, including but not limited to the following topics:

- Ordinance adopting the City's paid leave policies in response to the Illinois Paid Leave for All Workers Act;
- Resolution opting re: potential participation in class action settlement;
- Ordinance amending Chapter 39 of the City Code pertaining to the Amusement Tax;
- With the City Clerk's office, multiple ordinances related to the issuance of City licenses;
- Ordinance amending Chapter 22.2 of the City Code re: the City's Human Relations Policy;
- Ordinance related to municipal property exchange;
- Ordinance approving amendments to real estate contract;
- Ordinance regarding mobile food vendors;
- Numerous other resolutions and/or ordinances related to zoning and variance issues.

VII. PROCUREMENT

- o Procurement was integral in assisting with the Project Labor Agreement (PLA) Ordinance and integrating the new agreement into the Procurement Formal Solicitation Process for construction projects over \$50,000. This will be an on-going process ensuring adherence to the Ordinance and Letter of Assents for awarded projects.
- o The Procurement Division continues to play a large role in securing goods, services, and projects on behalf of the City. It also helps prevent fraud, waste, and corruption by upholding the City's ordinances, policies, and procedures.
- o Procurement played an active role in the implementation of the City's ERP System Munis upgrade and provided training and ongoing support. This was a significant upgrade that required hours of testing and preparing new training guides for employees and vendors.
- o Procurement continues to be an integral part of the creation, review, and support process for all the council and procurement memos.
- o Procurement has been committed to providing on-going Procurement Policy training, online PCard training, and is offering frequent refresher trainings and one-on-one trainings.
- o Procurement has just begun the implementation process of a new employee reimbursement module for citywide travel that will convert a cumbersome paper process to a much more user-friendly on-line method for travel requests and processing. In conjunction with this software implementation is an update to the 2005 travel policy. This project was delayed by a major upgrade to the City Enterprise system and finding the right timing to work with Human Resources and Finance to ensure the integration works in the most efficient and best way for all involved departments and employees.
- o Procurement has successfully solicited and negotiated complex projects with continued involvement with project oversight and management.
- o Through approximately six months of FY 2025, Procurement has been involved with 21 formal solicitations and 10 have been completed year to date (e.g., bids, RFPs, RFQs). This equates to approximately \$4,161,830.95 in purchases. For all of FY 2024, approximately 49 solicitations were administered with an approximate award amount of \$42,368,574.04.
- o In FY 2024, Procurement reviewed and converted 451 requisitions and managed 644 purchase orders. Purchase orders totaled \$85,923,100.08.
- o Procurement reviewed and approved roughly 2,754 invoices for approximately \$144,211,989.47 in FY 2024. Procurement continues to be support for accounts payables.
- o In FY 2024, the Procurement Division reviewed and audited approximately 9143 credit card transactions by 240 City PCard holders in an approximate amount of \$2,087,281.11.
- o Procurement manages citywide accounts including but not limited to Amazon, Warehouse Direct, Home Depot, Sam's Club, Fastenal, Staples, Rogards, Uline, Grainger and ODP.
- o The Procurement Division manages and maintains approximately 5,497 City vendors focusing on creating and maintaining professional vendor relationships.
- o The Procurement Division trained and assisted Finance in compiling the City's Treasurer's Report.
- o This year the Procurement Division executed 266 1099-NECs, 34 1099-Gs and 2 1099-MISCs forms and successfully completed the necessary federal filings.
- o Procurement, working with Contract Administration, has had to be more flexible and agile to adjust to the volatile market conditions including more research into best practices with the supply chain issues and increasing costs. Solicitations and agreements are being revised to tie to either the Consumer Price or Producer Price Index to protect the City from unreasonable and non-justified increases as well as de-escalation clauses to benefit the City when prices return to a more normal level.
- o Procurement is continuously striving to provide superior, gold standard internal and external customer service to assist departments and outside parties with not only their purchasing needs but often facilitate other City business being done the easiest, timely and efficient manner.
- o Procurement continues to play an active role in assisting departments with various grants from the application, procurement needs, project management and reporting.

VIII. BOARDS & COMMISSIONS

- o City attorneys attend and provide legal counsel to several of the City's boards and commissions including:
- o Fire & Police Commission.
- o Human Relations Commission.
- o Traffic Commission.
- o Public Safety & Community Relations Board
- o Zoning Board of Appeals
- o Planning Commission.
- o Historic Preservation Commission; and
- o Liquor Commission

IX. CONTRACTS

- o City attorneys and the Contract Manager are involved in the preparation, negotiation, review, and approval of all agreements in which the City is involved.
- o The function of Contract Manager, under the supervision of the City attorneys, has historically been to participate in the drafting and review of City contracts as requested by City departments, and to then store completed contracts in accordance with the State's record retention requirements for public bodies.
- o In addition to mitigating the risks involved with entering contracts and seeking out efficiencies that save the City time and money, the overall goal of the role of the Contract Manager is to provide City Departments with a service that allows our directors, managers, and other professionals to focus on their areas of expertise while alleviating the burden of getting through the "red tape."

X. GENERAL MATTERS

- o The Legal Department continues to respond to FOIA Requests, including redacting exempt information and handling requests for review from the Illinois Attorney General's Office.
- o The Legal Department advises on City contracts, procurement, and finance questions on a routine basis.
- o The Legal Department provides routine guidance to the Police Department on its legal and enforcement issues.
- o The Legal Department spends considerable resources on employment matters, including serving as an investigator for employment investigations, as well as discrimination and sexual harassment investigations.

Challenges

I. Overview of Legal Department

The range of legal issues facing the City is extensive and requires a substantial number of resources. Over the course of FY 2024, the City's Legal Department devoted a substantial amount of time and attention to on employment issues, litigation matters and subpoena requests, collective bargaining, police protocols, administrative court, code development issues, procurement of City contracts and various administrative and legal compliance issues.

FY 2025 marks the fifth full fiscal year after the City transitioned from a hybrid approach of legal services, with one in-house attorney and other outside contractual attorneys, to more in-house reliant. The department continues to work reduce the usage of contractual attorneys by limiting their use to situations requiring specialized knowledge or experience (e.g. environmental law, I.C.C. regulations, railroad, etc.) and matters involving either a potential conflict of interest or when the use of independent counsel may

avoid the appearance of a conflict and protect the integrity of the process (e.g., hearing officers, certain investigation, etc.).

II. Specific Challenges

(A) Employment & Labor

With 11 unions and over 1,100 full-time and seasonal employees, labor and employment issues are demanding and constant. This includes handling arbitrations, as well as, advising on employee grievance/disciplinary matters and attending step meetings and labor management conferences. To address these needs, the Legal Department pairs attorneys who concentrate in employment matters with the Human Resources Department. This equates to a significant portion of the Legal Department's resources.

(B) Assisting with FOIA Management

The large volume of requests made under the Illinois Freedom of Information Act continue to be a management challenge. Many documents that are requested require the exemption of confidential information in order to protect citizens from violations of privacy (particularly identity theft) and for other authorized reasons, such as safeguarding fair trials. The Legal Department is charged with assisting with this process and handling all Request for Reviews of FOIA request responses from the Illinois Attorney General's Office (requestors can have the Attorney General's Office review the City's denial of their request).

(C) Maximizing Resources

Maximizing the limited City's legal resources is a primary challenge and goal of the Legal Department. This need to maximize resources is coupled with increased demand in several key areas, including litigation, labor and employment, and development issues. To accomplish this, the Legal Department established an administrative court with the goal of requiring less legal resources for prosecutions, ease of access for the constituents of the City and the ability to keep and collect more of the fines being levied. The administrative court is also helping the City reach the goal of ensuring code violations are properly addressed and remedied as efficiently as possible.

Fun Facts

The attorneys employed by the City have 119 years of combined legal experience!

Assistant Corporation Counsel, George Boyle, regularly plays the drums in a local band, and is an accomplished musician.

Contract Manger Melody Mansour is an accomplished amateur artist with a primary interest in watercolors and gouache.

Paralegal Chris Maurer also has an artist's eye and puts out an extensive and elaborate display for the holidays (his Halloween display is to die for!)

PARKS ADMINISTRATION

10014105

Purpose

The Parks Administration Division is the “Center of the Department”. This division consists of the Director, Assistance Director, Business Operations Manager, Office Manager, Marketing Manager, Marketing Analyst, and two Support Staff positions.

Some of the major responsibilities of the division are as follows:

- Set priorities, allocates resources and provides direction and support to all the divisions within the Department.
- Parks Administration oversees operating budgets for Parks Administration, Park Maintenance, Recreation, Aquatics, SOAR, Bloomington Ice, Golf, Park Dedication and Miller Park Zoo.
- Administration provides administrative support, customer service, long-range capital improvement and budget planning.
- Reports for City Council's consideration is prepared and approved by Park Administration Division.

FY 2026 Budget & Program Highlights

- Continue to review and look at additional revenues to increase or implement new revenue streams.
- Continue to provide quality product/services for the community.
- Move forward with the Department's long-range planning.
- Continue to find ways to work with other entities (government, non-profit organizations, public/private partnerships) to cut costs and provide better services to the community.
- Continue to see out grants for potential capital projects and equipment.

What we accomplished in FY 2025

- O'Neil Aquatics Center officially opened May 25th and had its first season after re-opening to the public. **“Insert picture ONeilParkandPoolHR-3446”**
- Miller Park Zoo received AZA Accreditation and recognition as one of only 237 zoos & aquariums worldwide, signifying staff's excellence in, and commitment to, such things as animal management and welfare, safety conservation and education.
- Historic Katthoefer Building in Miller Park Zoo was re-opened to the public on August 1, after significant updates to ensure safety of visitors and animals.
- Completion and opening of Sweeney Park.
- Continued to increase digital marketing presence for Parks & Recreation divisions through social media, email marketing, and website content management.
- New playground/exercise equipment for White Oak, Empire Junction, and Northpoint Parks were secured financially.

Challenges

- The Parks & Recreation Department continues to look for ways to lower subsidies in all divisions.
- The Parks & Recreation Department continues to look for ways to expand programming and events with available space.
- The department faced staffing challenges in some divisions with seasonal staffing.

Fun Facts

The Parks & Recreation Department re-opened O'Neil Aquatics Center in May of 2024 after making significant renovations to the pools and facility. This re-opening comes 50 years after O'Neil Pool, Bloomington's "first swimming pool" originally opened on May 30, 1975.

PARKS MAINTENANCE

10014110

Purpose

The Parks Maintenance division helps support the many educational and recreational opportunities throughout Bloomington. Parks Maintenance consists of the forestry, horticulture, utility and maintenance divisions. The Forestry division is responsible for all trees on City property. Park staff takes pride in providing a safe, functional, and clean environment in all parks, trail areas, and public buildings.

The Department also assumed the responsibility of maintaining all City rights-of-way and provides physical support to all City departments and field maintenance support to more than 20 athletic groups. The park maintenance division also assists both school districts with playground installation and maintenance.

FY 2026 Budget & Program Highlights

- Continue to provide a quality park experience for all visitors
- Provide high quality maintenance that is both cost effective and timely
- Continued strong City forestry program. Staff includes 3 ISA Certified Arborists
- Continued aquatic vegetation management in City lakes and retention ponds; 6 locations
- Continued Support of City departments
- Continued Beautification of Downtown Bloomington
- Continued timely and high-quality management of 1200 acres of turf on rotation
- Ecologically sound storm water management in the parks, rights-of-way and conservation areas
- Continued prescribed burning program
- Installation and development of playground at Westwood Park
- Resurfacing of Rt. 66 trail-Funks Grove to McLean
- Vehicle Upgrades / Replacements –add F650 to pull new stage
- Equipment Upgrades / Replacements – 2 Trailers
- Staff includes a Master electrician, licensed plumber and 2 HVAC Master Mechanics.

What we accomplished in FY 2025

- Downtown Bloomington beautification-continued work with Economic Community Development Department
- Replacement of (photo engraved) concrete caps at McGraw Park for the sister Cities Program
- Installation of a Dog Park at Ewing III Park

- Installation of playgrounds at Northpoint School and White Oak Park
- Installation of Welcome to Bloomington sign at Ft. Jesse and Towanda Barnes
- Continual support of Miller Park Zoo AZA accreditation items
- Equipment Upgrades / Replacements – Sand Pro, mower, stump grinder and forestry chipper
- Vehicle Upgrades / Replacements – Mobile Stage, 3 pickups and a liftgate truck
- 375 trees removed, 1284 trees trimmed, responded to 117 storm damage events
- Planting of 450 Street and Park Trees - All removed trees in an eligible location were replanted.
- We continue to work to increase species diversity of our urban forest; 24 different species are available
- Installation of building over McGraw Park fountain equipment
- Updated Empire Junction Park with new plantings and exercise equipment and upgraded parking lot
- Maintaining annual flowers pots throughout downtown including outdoor dining pots
- Continued Strong Beautification Program - Staff continued to plant and maintain flower beds and hanging baskets throughout the city.
- Continue to be liaison for Citizens Beautification Committee
- Resurfacing of Bunn Street to State Farm Park trail and Locust Street to Chestnut Street trail
- Installation of new section of Trail from Stoneroller Circle to Benjamin School
- Continued Conservation Management – Staff maintained 132 acres of native Illinois Prairie through prescribed burning and ecological mowing.
- Forestry work and prescribed burning for Water Department at Lake Bloomington
- Hiring of a certified Plumber
- Completed full park and playground inspections of entire park system.
- Continued strong turf and grounds maintenance program supporting 20 athletic groups.
- Invasive plant removal and ecological mowing at The Grove Prairie and Tipton Park Prairie.
- Cooperative nature area management and maintenance with Audubon Society at Ewing Park and Anglers Lake Park natural area.
- Mowing and grounds maintenance at police range for BPD
- Mowing and grounds maintenance at 6 fire stations for BFD
- Mowing and grounds maintenance at 2 parking garages for Facilities
- Holiday decorating and banner installation Downtown Bloomington
- Memorial tree and bench program
- Tree City USA and Growth Award for leadership in urban forestry
- Installed the City of Bloomington chevron planter at Route 9 and Veterans Parkway and planted with annuals and improved landscape plantings.

Funding Source

General Fund & Fees

Challenges

- Numerous personnel changes
- Acquiring seasonal staff
- Increased mowing and right of way locations - locations and acreages continue to increase every year
- Continued request for assistance and services from other departments, government entities, and outside groups
- Police Department range property mowing and maintenance
- Forestry record keeping with a new system
- Deteriorating road systems in Miller and Forrest Park
- Deteriorating asphalt trail system
- Maintenance demands of aging facilities at Miller Park Pavilion, Lincoln Leisure Center, and Miller Park Zoo, and our permanent restrooms.

Fun Facts

The City's current park system contains 42 parks, 6 public buildings, 4 spray parks, 2 swimming pools including an aquatic center, 5 lakes, and 30 miles of trail. In addition, we have a skate park, a public ice-skating rink, 3 golf courses and a zoo.

What Else Do We Do?

- Mowing and maintenance of 995 acres of parkland
- Mowing of 160 right-of-way (ROW) locations totaling 225 acres
- Athletic field preparation for softball, baseball, football, soccer, lacrosse and rugby
- Chemical and turf management program
- Management of 132 acres of native Illinois prairie
- Installation and maintenance of all public flower beds and baskets on City properties
- Holiday decorating at City Hall, Withers Park, Courthouse Square, Downtown Bloomington
- Swimming pool and spray park maintenance
- Aquatic vegetation management at City lakes and retention ponds
- Daily cleaning and setup of all parks and rental facilities
- Daily garbage pickup at park locations
- All playground and department building maintenance.
- We grind our removed tree material and use it as mulch in the parks.
- Beautification of Downtown Bloomington and pot maintenance.
- Tree maintenance, which includes removal as needed, pruning, chemical treatment and replanting of all park and public right-of-way trees.
- 24 hour 365 days a year storm damage and hazard tree response
- HVAC inspection and maintenance at 6 public buildings, the golf courses and Miller Park Zoo
- In house landscape and park design for internal and outside agencies
- Forestry work, support and consultations for Lake Bloomington

RECREATION

10014112

Purpose

The Recreation Division of Bloomington Parks & Recreation Department encompasses recreation programs, the Special Opportunities Available in Recreation (SOAR) program, Aquatics, and the Bloomington Ice Center. There are separate budgets for each area.

This budget covers year-round recreation programs for individuals of all ages in a variety of areas including arts, sports, special interest, camps, older adults, concerts, and special events. The Parks & Recreation website, www.BloomingtonParks.org, contains the seasonal program guides which list all the programs offered. The various programs promote community unity & pride among citizens through programs, events, & community outreach.

FY 2026 Budget & Program Highlights

- Continue to offer safe, quality programs for a variety of age groups.
- Offer free family and holiday-themed special events and free concerts to the community.
- Provide a wide variety of introductory programs for the community in the areas of sports, music, dance, and special interest.
- Provide fee assistance for those unable to pay full price for non-contractual programs.
- Continue to operate and update the Lincoln Leisure Center & the Miller Park Adult Center.
- Contract with outside vendors (dance, gymnastics, adult fitness) to provide some niche programs and activities.
- Programs offered benefit individuals mentally, socially and/or physically.

What we accomplished in FY 2025

- Expanded capacity of offerings and number of participants in programs.
- New programs and events were added to the mix of popular programs throughout the year including expanded dance programming, increased older adult programming and trips, and expanded summer program offerings in sports, art, STEAM and more.
- Distributed three program guides to promote the department programs and activities.
- Operate the Lincoln Leisure Center - including updated carpeting, paint, and entrance.
- Continued to operate Miller Park Adult Center with new offerings for the older adults including the Senior Showcase.
- Offered affordable camp programs to parents for the summer season.

Funding Source

General Fund with the remainder is made up of Activity Fees, Donation Fees, and Grants.

Challenges

- There is a need for facilities on the east side of Bloomington. The only indoor City-owned recreation locations are west of Main Street while the majority of the community lives east of Main Street.
- Recruiting quality seasonal staff is an ongoing challenge for the division. We rely on many seasonals to be able to offer quality programming all year round.

Fun Facts

The Recreation Division operates with 4 full-time program managers under the direction of the Superintendent of Recreation. Programs are held at the Lincoln Leisure Center, Miller Park Adult Center, City parks, and District 87 & Unit 5 schools. Staff relies on schools as indoor facilities and gym space for programs. The Recreation Division employs hundreds of seasonal employees each year – including a significant number of teens and college students.

What Else Do We Do?

- Employ a large number of teens and college students as sport instructors and assistants, day camp counselors, special interest class instructors and more.
- Contract with outside vendors (dance, gymnastics, sports & adult fitness) to provide some programs and activities.
- Promote community unity & pride amongst citizens through events, & community outreach.

Purpose

The Aquatics Division of Bloomington Parks and Recreation operates two outdoor aquatics facilities (Holiday Pool and O'Neil Aquatics Center), Miller Park Paddleboats, and four Splash Pads (McGraw Park, Miller Park, O'Neil Park, and Tipton Park).

The aquatics programming includes:

- Daily public open swim sessions
 - Season pass holder swim sessions.
- Swim lessons offering lifesaving skills.
 - Group and private swim lessons
 - Lessons offered to ages 6 months to adult.
- Safety training classes
 - Offering Lifeguard and Jr. Lifeguard programs
- Low to medium impact exercise programs
 - Adult Lap Swim, Aqua Zumba, River Walk, and Youth Swim Team
- Miller Park Paddleboats
 - Have both 2-seater and 4-seater boats.
 - 30-minute ride for family fun and additional exercise, option to fish
- Pool rentals offered before and after regular scheduled public open swim sessions.
 - Birthday parties, sport teams, church outings, scout groups, day camps, etc.
- Four outdoor Splash Pads, two chlorinated and two freshwater
 - Extended operating season, weather permitting, May – October
 - Inclusive for all ages.
 - Free for public

FY 2026 Budget & Program Highlights

Help make our City family friendly through access to affordable, family-oriented activities.

- Offer open swim daily from Memorial Day through Labor Day
- Sell season passes at an individual rate which is more affordable for families
- Work with non-profit organizations to offer them a discounted rate for groups
- A place for healthy family fun and socializing
- Staff provides the highest quality of surveillance and guest experiences
- Offer sensory swim for those families needing a quieter and calmer environment.

Offer alternative choices for entertainment and recreation:

- Offer family fun at Miller Park Paddleboats Friday-Sunday from Memorial Day - Labor Day
- Continue to offer morning, evening, and weekend swim lessons from group lessons to private lessons for all ages
- Multiple special events for family-oriented fun at the pool
- Interactive splash pads for all ages and abilities.

Funding Source

General Fund with the remainder from Activity Fees, Admission Fees, and Concession Revenues

What we accomplished in FY 2025

- Between group swim lessons, private swim lessons and lifeguard classes, we saw many new and returning participants in our programs. With the large number of participants going through our water safety classes, we were able to teach lifesaving skills to many members in the community.
- Staff continues to see loyal families returning year after year and new families discover the great opportunities of swimming that Bloomington offers.
- We continue to improve and provide better customer service to our guests.
- New rentable area with O'Neil Aquatics Center facility and Community Room, which can accommodate up to 35 guests.
- Holiday Tot Pool work to fix a leak underneath the pool
- O'Neil Aquatics Center had 31,614 visits during the inaugural 2024 season!
- Great staff recruitment opportunities:
 - o 121 staff worked for the Aquatics division this summer!
 - o HR approved Aquatics seasonal employee incentive program; 54 employees qualified.
 - o Unit 5 qualifies high school students for the American Red Cross lifeguarding certification.

Challenges

- Holiday Pool (the aluminum pool liner) has been serving the city for 54 years. Significant upkeep to keep the pool operational. Aluminum pool liners have a life span of 25 years.
- Leaks at Holiday Tot Pool resulted in sporadic closures of the tot pool. Parks staff is working hard to resolve!
- Keys for O'Neil Aquatics Center received just two weeks prior to opening! Staff worked tirelessly to get the facility prepared the ribbon cutting and opening weekend.
- Sales of season passes began on May 1, and put us at a competitive disadvantage compared to other recreation agencies that begin selling pool passes in March.
- Structures exist for the addition of two more slides at O'Neil Aquatics Center, which would provide an improved experience for residents and more amenities for the tween/teen crowd.

Fun Facts

The aquatics facilities are open daily from Memorial Day weekend through Labor Day weekend. Holiday Pool closed August 11 during FY2025 due to staffing limitations once college and high school age employees return to school, while O'Neil stayed open through Labor Day. We are open on Friday evenings and weekends during the back-to-school season, while being closed Monday-Thursday during the week.

Miller Park Paddleboats opened the weekend before Memorial Day and closed Labor Day weekend. Miller Park Paddleboats is a great family activity even on cooler summer days.

BLOOMINGTON CENTER FOR THE PERFORMING ARTS 10014125

Purpose

The BCPA has attracted audiences from over 750 Illinois communities, 48 states, and 13 foreign countries, highlighting its value as an ever-growing tourist attraction and influence on the cultural life of the community. The facility also provides a significant community service as a venue for wedding receptions, fundraisers, social events, arts workshops and community meetings. The annual performance series offers 40-50 performances, and this past year there were 100 total rentals and performances.

The Mission Statement of the Bloomington Center for the Performing Arts is:

"To create Lasting Memories"

Authorization

The City of Bloomington Arts and Entertainment Department and its related activities have been codified in Chapter 5 of the City Code

FY 2026 Budget & Program Highlights

- The BCPA will make bond payments totaling \$560,714 (principal and interest) during FY 2026 the General Obligation 2005 refinanced in 2018 bond issuances for renovation of the BCPA.
- Fundraising efforts, spearheaded by the Friends of the BCPA, including grant requests to private and corporate foundations, are ongoing in FY 2025 and will continue into FY 2026. Including the finalizing of a \$2,000,000 grant payment from the Illinois Arts Council Agency.
- The BCPA is a regional destination for excellent arts and cultural programming in central Illinois.
- The BCPA had its best year even in terms of attendance and ticket sales in FY25 and plan to see similar number in FY26.

Funding Source

Funding for BCPA programs and operations is provided, in part, by a portion of the ¼ of 1% Home Rule Sales Tax instituted for this purpose. Revenues generated in both the BCPA, and the Creativity Center come from sources including ticket sales, facility rentals, user fees, grants, sponsorships, memberships, class fees and donations. Specific grants coming through the Illinois Arts Council Agency. There has been a precipitous fall in federal, state and local grant funding over the past five years, but with the formation of the Friends of the BCPA and the addition of the Development Manager's position, the BCPA plans to raise money to help offset some of the costs associated with providing diverse arts programming.

What we accomplished in FY 2025

- Attendance has risen to pre-pandemic levels. BCPA has already had nine sold out shows with more heading in that direction.
- With the creation of the Arts & Entertainment Department we will have more outreach opportunities bring exposure to our facilities.

Challenges

- Programming – We continue to monitor the national economy and local school funding to evaluate a proper balance of programming, and we continue to develop new partnerships to support our existing programming and minimize financial risk.

What does the BCPA do for Bloomington?

We are financially responsible in the management of our programs.

- The BCPA has 120 dedicated volunteers who work as ushers and in a number of other capacities. The volunteers staff over 50 public events at the BCPA annually, contributing approximately 8,900 hours (4 FTE) support to the program, a \$200,060 value to the BCPA
- We play a vital role in supporting and enhancing the Downtown area.
- Based on ticketed events, the Bloomington/Normal Area Convention and Visitors Bureau estimates the BCPA's economic impact on the community at over \$3,000,000. Using an arts-specific economic calculator, Americans for the Arts estimates the BCPA's total impact at over \$7 million annually, including expenditures by patrons and the income by the 160 artist jobs supported by BCPA programming during the year.
- The BCPA's Student Spotlight Series attracts over 3,000 students from across Central Illinois each year. The Student Spotlight Series helps teachers meet Illinois Common Core Standards on a wide variety of subjects, including Performing Arts, English Language Arts, History, Science, and Math. The BCPA is also involved in education programs within the schools and works in conjunction with the Community Educators Group of McLean County

What is the Creativity Center?

- The Creativity Center will be a place where a wide variety of community performing arts groups can come together as stakeholders. But it will also be a place where, through arts education, disenfranchised people can find their value and their voice. When people understand what it is to create, they will be less likely to destroy. Newcomers to the creative process can come to understand that they can have a positive impact on their community.
- BCPA staff and supporters continue to work on the development of a Creativity Center for arts education. We currently rent rehearsal, storage, and office space within the Creativity Center and BCPA to the Pantagraph Holiday Spectacular, Inc., Creative Healing Arts Therapy, and BCAI School of Arts as well as an improv acting workshop, private piano lessons, instruction in stringed instruments, dance classes and more. Local visual artists recognize the value of the building as a place where they can work on outdoor art before it gets moved to its permanent location.
- Plans are still underway for the privately funded renovation of the Creativity Center. Architects from Farnsworth Group were hired in early 2010 and completed the initial designs for the project, including a plan that will allow renovation of the building to be completed in phases as donations are received. Over \$1 million has already been raised toward a \$5 million goal. In 2020, The Creativity Center project received a grant in the amount of \$2,000,000. The first payment of \$500,000 was received in FY 2023, with \$300,000 additional received in FY 2024, with the rest of the money being allocated this fiscal year.

MILLER PARK ZOO

10014136

Purpose

The Miller Park Zoo (MPZ) stewards a collection of over 600 animals, many of which are endangered, and exists to engage the community in "Conservation, Education, and Fun." MPZ is an accredited member of the Association of Zoos & Aquariums (AZA) and participates in several population management programs. The Zoo provides a variety of animal- and conservation-based education programs developed for diverse visitor and member demographics. MPZ hosts several popular annual events, many in partnership with the Miller Park Zoological Society, which experience high attendance and positive community feedback. The Zoo provides opportunities for meetings, community services, and private/group site rentals. Adjacent to the zoo and within Miller Park is an 18-hole mini-golf course that is operated by zoo personnel.

FY 2026 Budget & Program Highlights

- Federal (USDA) AWA guidelines adjusted how zoos are required to manage bird species moving forward. This will impact our staffing needs and some facilities improvements,
- Master Planning is budgeted to occur in FY25. This may result in some follow-up documentation or consulting needs in FY26.
- Capital Equipment funds requested for several needs identified across the facility, including aging HVAC units critical to animal care, as well as guest service improvements.
- Facility improvements identified by Utility team and P & R Project Manager include continued update of Katthoefer Animal Building (KAB) HVAC (FY25 budget will not cover replacement of all units), repair/replacement of Kitchen roof, aging HVAC for main entrance building, multi-year plan for installation of emergency generators.

Funding Source

- MPZS continues to support the Zoo with two annual contributions per the MoU. In FY 2024, the Society generously provided significant extra funding (up to \$100,000) to assist with AZA-related costs. The Board has indicated that they will continue to support the Zoo with identified projects and needs. In calendar year 2024, all three primary fundraising events hosted by MPZS sold out.
- IDNR grant for Katthoefer Animal Building improvements.
- Carousel restoration project timeline remains on track to reinstall in March of 2025. This would reinstate this specific revenue line (zeroed for FY25).

What we accomplished in FY 2025

- Received our AZA reaccreditation. This accreditation remains in effect until the next inspection cycle in 2028.
- Re-opened the indoor viewing area of the KAB; this area had been closed to the public due to COVID-related risks to the animals. Improved ventilation in building and coordination of vaccines for the animals were key factors.

- Re-certified for our USDA license for three years (exp. 2027). Received a clean USDA inspection report; no “non-compliance” items or concerns identified by federal inspector. Inspector again heartily complimented the team on continued improvements to the facility and care protocols.
- Identified project for MPZS fundraising campaign. Rainforest habitat upgrade (sloth) selected by MPZS for funding, which will be coordinated with City for planning. MPZS estimated project costs at approx. \$100,000, funded in CY25.
- Numerous improvements made to MPZ protocols, documentation, and internal planning processes.
- MPZ won two separate awards in “Best In...” categories for community choice awards in B/N area. (BOB, The Pantagraph).

Challenges

- Aging facilities and outdated animal habitats/holding areas continue to require upgrades to better represent modern zoological standards (reference made by AZA Accreditation Inspectors/Commission) and improve animal/staff safety. Master Planning and improved designs will mitigate this problem moving forward; in the interim, we still need to assess and modify existing facilities.
- Maintaining compliance with all USDA and AZA guidelines and standards. These industry standards are constantly evolving; diligent attention is required to research changes, adjust management and protocols accordingly, while ensuring budgetary adjustments are properly reflected.
- Historic structures for staffing and budget do not appropriately represent a structure reflecting modern zoological management. MPZ still has few full-time positions, and daily operations rely heavily on Seasonal staffing, volunteers, and interns. We are appreciative of the two new full-time positions approved in FY25, as these had a significant positive impact on morale and workloads for the animal care team.

Fun Facts

- The Miller Park Zoological Society is a non-profit organization dedicated to supporting the rich history of the Miller Park Zoo through fundraising, education, and community outreach. The Society works closely with staff to make the Zoo a better place for the animals, guests, and staff. Two Miller Park Zoological Society employees are currently based at the Zoo and are compensated solely by the Zoological Society.
- The Ewing Zoo Foundation also provides support to the Zoo. This foundation has supported capital projects in the past and currently assists with funding acquisition and shipping costs for animals being added to the collection. This arrangement allows the Zoo to acquire animals and keep a diverse collection for its guests without utilizing operational funds.

BLOOMINGTON ICE CENTER

10014160

Purpose

The Bloomington Ice Center is a community ice rink that provides recreational learning programs to increase the awareness of ice sports. It also serves as a rental facility and is used by other local groups that offer other skating activities.

Programs offered:

- Learn to Skate and Learn to Play Hockey
- In House youth and adult hockey leagues
- Birthday Parties and Group Outings that can include Broomball, Curling, skating instruction and educational entertainment opportunities

Practice Ice offered:

- Open Skate
- Freestyle
- Open Hockey (Stick & Puck and Pick Up)
- Broomball for groups

Facility Rental Groups:

- Bloomington Youth Hockey, Inc. (youth travel organization, member of USA Hockey)
- McLean County Youth Hockey Association (high school club organization, USA Hockey member)
- Illinois State University Men's and Women's Ice Hockey (American Collegiate Hockey Association, Mid-America Collegiate Hockey Association and Midwest College Hockey League)
- Central Illinois High School League (CIPHL)
- Lincoln Land Hockey League (LLHL)
- Central Illinois Girls Hockey Association (CIGHA)
- Central Illinois Figure Skating Club (CIFSC)
- Bloomington Men's Hockey Club (BMHC)
- Central Illinois Special Hockey Association (CISHA)

FY 2026 Budget & Program Highlights

- Increased registration fees for adult hockey league play and freestyle fees.
- We have become the secondary practice rink of the Bloomington Bison.
- Continued streamlining of the advertising program at the BIC.

Funding Source

The facility is funded through in house programming and ice rentals.

What we accomplished in FY 2025

- Upgraded original scoreboards (2006) with new scoreboards and a video screen.

- Replaced the rink's dasher board system.
- Updated the Bloomington Ice Center lobby flooring.
- New city branding and logos have been added to the lobby area and updated paint colors.
- Development of hockey game standard operating procedures, including security and bartending positions.
- Added the Central Illinois Courage, an American Special Hockey Association program, an adaptive version of ice hockey for athletes with intellectual, developmental and physical disabilities.

Challenges

- The Bloomington Bison has been a great addition to the city. The ice center has faced challenges meeting storage needs of community organizations and having adequate locker room space for programming and game play.

Fun Facts

- Every time the Zamboni ice re-surfacer cuts the ice it takes off 1/32nd of an inch of ice.

SPECIAL OPPORTUNITIES AVAILABLE IN RECREATION (S.O.A.R.) 10014170

Purpose

The SOAR program exists to maintain and enhance the quality of life for individuals with disabilities through comprehensive, specialized recreation programs, activities and events. SOAR is a division of the Parks and Recreation Department and provides therapeutic recreation services in five component areas: Special Olympics, Sports & Fitness, Cultural Arts, Youth Programs, and Special Events. SOAR also receives annual funding and facility support from the Town of Normal.

Authorization

The City of Bloomington Parks & Recreation Department and its related activities have been codified in Chapter 19 & Chapter 31 of the City Code.

FY 2026 Budget & Program Highlights

S.O.A.R. offers access to affordable, family-oriented activities.

- Programs are kept at an affordable cost and reduced fees are offered for those who might not otherwise be able to participate.
- Payment plans and reduced fees are offered for those who meet financial requirements. These costs are offset by donations.

S.O.A.R. provides Choices for Entertainment and Recreation:

- Individuals and/or families have the choice of programs in the areas of cultural arts, special interest/events, youth programs, transportation, Special Olympics, and inclusion.

Funding Source

Program fees and donations with the remaining balance paid 60% by Bloomington and 40% by Normal.

What we accomplished in FY 2025

- During FY 2025, SOAR applied for and received \$4,048.41 from the David and Kay Williams Music Education Grant through the Illinois Prairie Community Foundation. This grant helped fund our Music Education class.
- During FY 2025, SOAR received a donation in the amount of \$118,303.55. This will be used to improve multiple aspects of SOAR.
- During FY 2025, inclusion services doubled from the previous fiscal year. SOAR is required to provide inclusion aides as requested. Because of this, we added a new seasonal role to help inclusion run smoothly.
- During FY 2025, we offered a total of eight new programs.

Performance Measurements

SOAR	FY 2024 Actual	FY 2025 Adopted Budget	FY 2025 Projected	FY 2026 Proposed Budget
Outputs:				
Programs offered				
Cultural Arts programs	20	27	21	21
Fitness/Recreation programs	33	35	33	33
Special Event programs	44	45	46	46
Special Interest programs	43	25	35	35
Special Olympic programs	25	18	29	29
Youth/Teen Programs	40	36	35	35
Programs that offered door to door transportation	59	60	70	70
Participation:				
Cultural Arts	913	1,800	1,209	1,209
Participants- Fitness	2,681	3,479	3,126	3,126
Participants- Special Events	934	1,145	1,177	1,177
Participants- Special Interest	1,342	1,080	1,665	1,665
Participants-Special Olympics	2,201	2,070	2,627	2,627
Participants-Youth/Teen	557	1,150	631	631
Participants-Transportation	542	434	808	808

Challenges

- We have seen an increase in participation numbers. Due to this, we have noticed that we are lacking resources in the space we use for programming. Due to facility constraints, we are only able to have a certain number of participants in each of our programs, therefore, a lot of our participants are getting waitlisted for programs. This has become a challenge because we want to make sure all participants are getting the access to recreation they deserve.

Fun Facts

- During FY 2025, we started the planning process in creating a sensory room at the Lincoln Leisure Center that will not only benefit participants of SOAR, but also participants of Bloomington Parks and Recreation programs as well.

Purpose

As an exemplary law enforcement agency, the City of Bloomington Police Department (BPD) proactively engages with community members and stakeholders, provides protective services and addresses a myriad of public safety challenges, including but not limited to traffic safety, violent crime, mental health challenges, major retail theft, and adolescent misconduct. The Police Department enforces laws through constitutional policing services, upholding the rights of all, while promoting accountability, procedural justice, and transparency. The department continues to develop and strengthen community relationships, emphasizing community engagement and problem-solving. The police department complies with the State of Illinois, Safety, Accountability, Fairness, and Equity Today Act (SAFE-T) and Pre-trial Fairness Acts, which has new accountability, certification, training, and other direct responsibilities, as well as managing new rules of the accused. Moreover, the police department participated in a re-accreditation through a rigorous process governed by the Illinois Law Enforcement Accreditation Program. As part of this process, the department's policies, procedures, and practices are reviewed to ensure they meet or exceed best practices in the policing profession. Afterward, assessors follow up with a site visit to ensure that administrators, civilians, and sworn personnel are performing their duties in accordance with these standards.

The goals for the Bloomington Police Department are:

1. Reduce crime and fear of crime
 2. Improve the quality of life in neighborhoods
 3. Maintain advances in law enforcement technology
 4. Strengthen and diversify our workforce
- The BPD Executive Management team, which is tasked with the overall leadership, administration, and management of the police department, is critical for the direction of the Department. The vast responsibilities include accountability, budgeting and procurement; officer wellness, strategic planning, training; policy research and development; staff recruitment and retention; internal investigations, grant application and management; information and technology development and management; discipline, building, equipment, and fleet management; community engagement; Public Safety Community Relations Board collaboration, Special Commission for Safe Communities Board liaising, and city council reporting.
 - The Public Information Officer (PIO) reports to the administration. This position establishes and nurtures relationships with the media and the public. The PIO plays a critical role in keeping community members informed in both the day-to-day business of the police department and during critical incidents. The PIO provides a vital conduit for information exchange between the police department, media, and the public, promoting effective partnerships. This position is also vital in educating the community about crime prevention and safety tips.
 - The Bloomington Emergency Communications Center (ECC) operates an advanced and triple-accredited dispatching service for the Bloomington Fire and Police Departments. The International Academics of Emergency Dispatch for Emergency Medical Services, Fire, and Police accredit ECC. This 24-hour, 365-day center is crucial for an effective public safety service delivery for the City of Bloomington.

- The Parking Enforcement Unit conducts parking enforcement activity in the City of Bloomington, primarily in the downtown footprint. This service is vital for government, residential, and business stakeholders for equitable accessibility.
- The Patrol Division is the most visible component of the police department and public safety in this community. This Division requires the most personnel, training, and equipment to accomplish the mission. The Patrol Division's primary responsibility is crime prevention, community engagement, proactive security, promoting traffic safety, reporting and investigating criminal activity, problem-solving, and general public safety to this community on a 24/7 basis, 365 days a year.
- The Criminal Investigations Division (CID) is responsible for investigating violent and non-violent crimes that require resources beyond the Patrol Division's response due to offense complexity, severity, and demand for specialized investigative techniques. CID has a Crime Intelligence and Analysis Unit (CIAU), consisting of detectives and officers who focus on various crimes. It is comprised of personnel with specialized training in the following areas:
 - Homicides
 - Violent Crimes
 - Illegal Gun Offenses
 - Sexual Crimes, including those involving children
 - Arson
 - Domestic Violence
 - Street Crimes
 - Cyber Crimes
 - Financial Crimes
 - Crime Scene Processing
 - Fugitive Apprehension
 - Illicit Drug Crimes
 - Complex Retail Theft Operations
- The Crime Intelligence and Analysis Unit (CIAU) monitors public safety threats, crime, and traffic issues within the city and identifies trends. The addition of the Real Time Crime and Information Center will increase capabilities of information sharing, crime solvability, collaboration, evidence gathering, and police officer support. CIAU's analysis of this information is used to assess the effectiveness of strategies currently used to achieve department goals. The information obtained is used to create or modify approaches and coordinate resources appropriately. CIAU personnel also manage the Public Safety Camera and Automatic License Plate Reader programs.
- The Special Weapons and Tactics team (SWAT) is comprised of specially trained officers from other assignments and responds on an as-needed basis. SWAT serves high-risk search warrants and responds to incidents of violence and ongoing threats, such as hostage situations, barricaded subjects, and active shooter scenarios. This team trains intentionally to ensure preparedness, increase capabilities, decrease harmful outcomes, and reduce liability.
- The Crisis Negotiations Unit (CNU) is comprised of officers from other assignments. These officers are specially trained in crisis negotiations and establishing rapport with individuals who have taken hostages and/or barricaded themselves while threatening harm to hostages, themselves, the general public, or officers. They use specialized communication tools to enhance their ability to de-escalate situations. These personnel are CNU officers and Crisis Intervention Team certified. CNU often responds with SWAT in such situations.

- One sergeant leads the Community Engagement Unit (CEU), which consists of the Neighborhood Focus Team (NFT) and several officers who participate in various engagement activities for the BPD. The CEU's mission is to promote the department, build trust, educate the public, and establish meaningful relationships with community members. In addition to the benefit of having positive relationships, the efforts of the CEU and all officers of the BPD allow our agency to be effective, legitimate, and supported.
- The Neighborhood Focus Team (NFT) manages recurring issues in Bloomington neighborhoods requiring an ongoing targeted response. These issues may include abandoned vehicles and towing, dog bites, neighbor disputes, speed complaints, unhoused populations, code violations, and sex offender compliance enforcement and checks. These personnel collaborate with other City Departments to resolve many problems and promote public safety. This unit provides police presence as both witnesses and security during code-related administrative hearings.
- The School Districts and the City of Bloomington partner to provide four School Resource Officers (SRO). The SROs promote the safety and security of students, faculty, and school visitors through innovative engagement and relationship building. They also handle most public safety and crime incidents occurring on school grounds, reducing the need for a patrol response to the schools. The SROs collaborate through a McLean County Youth Diversion Collaboration with the McLean County Juvenile Court Services and the State's Attorney's Office. This collaboration addresses prevention, intervention, and suppression of youth delinquency, which includes restorative justice practices.
- Community Service Officers (CSO) are non-sworn personnel who staff the front desk and assist members of the community who visit the police department to report minor crimes, public safety matters, and crashes, as well as register as sex offenders and process administrative tow releases. They also function as the information hub for many community members. CSOs also provide basic fingerprinting services to the public. This allows sworn officers to focus on patrol duties.
- The Evidence and Records Unit is responsible for BPD records and a plethora of administrative and criminal evidence generated by police personnel. This unit is also responsible for fulfilling hundreds of FOIA requests, entering records into various databases, and monitoring and preparing for relevant administrative hearings. This Unit manages court requests for officers, criminal evidence transfers, and evidence destruction.
- In keeping with the Department's strategic plan, the agency has placed an emphasis on Employee Wellness, which assists BPD's staff in creating a healthy work/life balance. This occurs through offerings of ongoing training and resources for them and their families. BPD has a very active Peer Support program. The new requirement of the SAFE-T Act for officers to receive regular mental health screenings was initiated.
- The Department provides additional patrols for the downtown area to maintain a safe environment and deter bad actors. Historically, calls for service have increased on Thursday, Friday, and Saturday nights, along with special events/holidays, due to the lively atmosphere downtown offers. The Department is committed to increasing public safety with officer presence and high visibility at gatherings attended by many community members and visitors at city events and public venues.
- The department contracts with McLean County Animal Control Department for animal control services 24 hours a day.
- The City has an intergovernmental agreement with the McLean County Jail to provide booking services. This service includes the intake and booking of persons arrested by the police.

FY 2026 Budget & Program Highlights

- The Bloomington Police Department will continue working to hire and retain engaging, well-trained, and professional personnel who can assist in achieving Department goals. The police department will continue to build on successful recruitment efforts seeking to promote diversity. The health and welfare of our employees are essential to an effective workforce, so the Department will continue to prioritize officer wellness after expanding a functioning program that has already delivered benefits.
- The Bloomington Police Department will use the Pillars identified by The President's Task Force on 21st Century Policing to guide our agency in accomplishing our goals. Those Pillars are:
 1. Building Trust and Legitimacy
 2. Policy and Oversight
 3. Technology and Social Media
 4. Community Policing and Crime Reduction
 5. Training and Education
 6. Officer Wellness and Safety
- The Bloomington Police Department's extensive use of social media continues to promote community awareness and involvement with the Department both socially and professionally. The BPD has used two vendors to continuously survey the community about public safety and BPD performance. The BPD will continue to look for ways to improve BPD's transparency and interactions with the public by increasing the functionality of its website and finding new innovative ways to engage with the public.
- The Bloomington Police Department will continue working with recognized community organizations with an established track record of community service to strengthen relations and find collaboration opportunities. These community stakeholders are essential in promoting police-community partnerships to address public safety and chronic problems affecting neighborhoods.
- In FY 2025, the Bloomington Police Department launched a Real Time Crime and Information Center (RTCIC). The center will allow the police department to harness the technology from ALPR Cameras and Public Safety Cameras to help coordinate an effective and diligent response to incidents as they happen. Grant funding to address large-scale retail theft was secured to support this project. This Center will continue to be a considerable resource for patrol officers and detectives, allowing for more time to focus on their important functions.
- The Bloomington Police Department will continue to research and pursue new technologies to enhance public safety and address/prevent criminal activity. Many of these tools will also be available for real-time analysis and information sharing by all sworn officers.

What we accomplished in FY 2025

- The Bloomington Police Department implemented a traffic division to address the public's traffic safety concerns, reduce crashes, and conduct proactive enforcement. An approximate 7% reduction in crashes has been realized compared to the previous year.
- The Bloomington Police Department increased its sworn staffing by 5, resulting in a full complement of 133 police officers. Additionally, BPD added two criminal analysts for the Real Time Information and Crime Center. The Emergency Communications Center is also at full staffing with the addition of 3 Public Safety Dispatchers.
- The Bloomington Police Department hosted its second School Resource Officer Summer Academy. This camp had 28 students from all Bloomington school's attend. They participated in a range of

interactive activities. These included speakers on violence reduction, conflict resolution, and team building. Trips to Wildlife Prairie Park, Iron Coyote, and a local pool were highlights of the program.

- The Bloomington Police Department secured 17 new patrol, detective, and administrative vehicles in FY25. These vehicles were stripped with new-look packages, which have received positive feedback from the community. All officers received laptop computers, increasing efficiency, preparedness, and flexibility.
- The Bloomington Police Department began an e-citation, ordinance, and traffic warning program. Printers were installed in all vehicles to reduce officers' time issuing citations, ordinance violations, and trespass warnings. This program also tremendously increased efficiency with document management and accountability, allowing for faster transmittal to the circuit clerk's offices.
- The SWAT Team was able to order a BEARCAT armored rescue vehicle, which will provide a much-needed resource for our SWAT Team and the community. It is anticipated that this vehicle will be built and delivered in FY'25. Lastly, a vehicle was repurposed from a different department in the city and converted into a new Crisis Negotiation Unit Vehicle at substantial cost savings.
- The Bloomington Police Department upgraded much of its current technology, including Body Worn Cameras, Fleet Cameras, Public Safety Camera Network, ALPRs, information sharing, and Mobile Data Terminals.
- The Bloomington Police Department continues to work with the 100 Club and Lighthouse. An officer wellness application was also created and added to all officer's work phones. This application provides resources for officer wellness and peer support.
- The Bloomington Police Department administered the SAFE-T Act mental health screenings for police officers. All officers participated in the screenings and a new nutritional and exercise lesson.
- The Bloomington Police Department is utilizing technology that works in conjunction with the National Integrated Ballistic Information Network, to identify firearms used in all gun incidents quickly. This is providing leads in gun violence cases that would otherwise go unsolved.
- The Bloomington Police Department has installed an additional 10 Public Safety Cameras and 19 ALPR Cameras/Integrations along heavily traveled routes in Bloomington. New technology will also enhance the ability to search for available footage as part of the new Real Time Information and Crime Center.
- Numerous promotions were made to fill vacancies at the ranks of Sergeant and Lieutenant. The Chief and an Assistant Chief successfully completed the Northwestern University Center for Public Safety Executive Leadership Program. Four Lieutenants and a Sergeant successfully completed the Northwestern University Center for Public Safety, School of Police Staff and Command Course. A Sergeant completed the Center for Defense and Homeland Security Emerging Leaders Program at the Post Naval Academy at no cost to the City.
- The Bloomington Police Department has increased its diversity in police and civilian staff.
- The Police Department has continued to update office furniture, some of which is original to the building, to provide better ergonomics and wellness for our employees and increase workplace efficiency and employee wellness.
- The Bloomington Police Department hosted its inaugural Community Police Academy, attended by 15 community members comprised of leadership from local organizations and businesses. The 7-week academy received exceptional feedback from attendees.
- The Bloomington Emergency Communications Center was re-accredited for Emergency Fire Dispatch.

- The Bloomington Police Department received an Illinois Department of Transportation traffic safety grant in the amount of \$56,834 which allowed for 636 enforcement stops during overtime details, substantially enhancing highway safety.
- The Bloomington Police Department received a \$62,812 grant from the Illinois Attorney General's Office to address Organized Retail Crime, which allowed for Public Safety Camera and Automatic License Plate Reader technology.
- Assistant Chief Chad Wamsley completed the illustrious Federal Bureau of Investigation, National Academy in Quantico, Virginia. This was at no cost to the BPD.
- Lieutenant Rick Beoletto and Sergeant Jared Bierbaum completed the City of Bloomington High-Performance Leadership Course.

Bloomington Police Department Recruitment Plan

- The Chief of Police shall ensure the department's recruiting efforts are designed to attract a high-quality and diverse applicant pool. The department will continue to develop methods to encourage qualified female and minority candidates to join the department. The department will collaborate with the Human Resources Department, to conduct initial dispatcher and police applicant testing and better market the BPD.
- The department will also strive to recruit high quality experienced officers from other law enforcement agencies. Recruiting both experienced officers and new hires ensures a larger pool of candidates with diverse backgrounds.

An Area to Improve Upon is Staffing and Community Engagement

- The department will continue to strive to reach the goals outlined in the recruiting plan to increase diversity and reach full authorized staffing. Attrition continues to challenge full staffing levels. As additional officers are added, the BPD vacancies will stabilize, allowing a reduction in general staffing overtime and officer fatigue. The recruitment team continues to assist the BPD in finding new talent (21st Century Policing: Pillar 1, recommendation 1.8)
- Community engagement is a second area in which the BPD will continue to invest in. Each of the past few years, the police department has participated in over 200 community engagement events, reaching more community members than ever before. However, the BPD understands through our surveys that we need to give a more robust effort towards community members we have not been able to engage with as often in a positive setting. The police department will implement additional strategies through FY26 to assist in connecting with community members. Continuously improving the BPD website, social media posts, and survey tools will allow for better engagement and community collaboration our stakeholders wish for. A component of this will include real-time data and statistics dashboards. The police department will also reach out to community members through various platforms to provide important information and request pertinent and timely feedback. These programs aim to allow for better communication between the police department and the community while also making the police department more responsive to the community's needs.

Performance Measurements

Police Department (employee count includes Communication Center)	FY 2024 Actual	FY 2025 Adopted Budget	FY 2025 Projected	FY 2026 Proposed Budget
Inputs:				
Sworn Full Time Employees	127	133	133	133
Civilian Full Time Employees	35	37	37	37
Officers & Supervisors Assigned to Patrol	76	76	76	78
**Number of Police Vehicles	87	93	93	94
Outputs:				
Number of CFS per Patrol Officer FTE's	1092	1250	1092	1050
Injury-Producing Traffic Accidents per 1,000 Population	2.46	3.82	2.5	2.4
DUI Arrests per 1,000 Population	2.18	3.43	1.91	2
Total Police Reports	5,730	8,000	5,931	6,100
**Vehicles are replaced relative to their mileage, hours, condition, age, maintenance costs, and what the vehicle is used for. The department does not limit the fleet to one particular vehicle make and model in an attempt to reduce the impact of any safety recalls that could otherwise put the whole fleet out of service. However, due to vehicle shortages, the type of vehicle is often dictated by its availability. Call for service (CFS) per officer is anticipated to go down due to the increased staffing projected for patrol.				

Challenges

Adversity is not new to law enforcement, nor are the specific challenges BPD faces. The Bloomington Police Department will optimistically stay the course from last year and continue to mitigate the impact or wholly resolve the challenges noted below:

Staffing - As the responsibilities for the department increase, so does the necessity to have officers and specialty units with a broad understanding of all nuances of the job. This results in an increased need for training to provide knowledge in those areas. The department will strive to recruit the best possible employees to provide exceptional service to the members of the Bloomington community.

SAFE-T Act- The Act requires BPD's compliance with arresting, bonding, training, accountability, and court standards. This Act has led to increased overtime for investigations, reporting, and technology uses. The Act has several unintended and unfunded mandates and consequences that impact BPD's administration and operation.

New Technology - As new law enforcement technology is developed; the department has and will continue to review and research new technologies in order to make informed decisions on what items would best assist the department in becoming more effective and efficient in the service to our community. Another consideration resulting from the proliferation of technology-based solutions to law enforcement is supporting equipment software beyond the initial purchase. Maintenance agreements and other associated costs will continue to grow and impact the police department budget. Mandates and other recommendations have required law enforcement to explore, adopt, and embrace new technologies, often without the funding to support them.

High Crime and Crash Areas - Calls for service are a significant indicator of high crime and problem traffic areas. There has been an uptick in gun shootings and illegal gun possession among juveniles, which has tripled. When high crash and crime areas are identified, the police will respond with appropriate resources

as they are available. These areas can move and shift in response to police presence and activity. The department will continue to use technology and community involvement to identify and respond to high crash and crime areas.

Community Surveys- Surveys suggest the BPD needs to increase its visibility throughout the city and lower response times. Traffic safety, gun violence, theft, unhoused individuals, and police services are among the top concerns of community members. Of those surveyed, 86% had a positive view of the BPD, and 93% had a neutral or positive view.

Fun Facts

The City of Bloomington Police Department, founded in 1850, is authorized the following staffing in FY 2026: the Police Chief, 3 Assistant Police Chiefs, 6 Lieutenants, 16 Sergeants, and a total of 107 Patrol Officers, 18 Professional Support Staff, 1 seasonal support staff, and 4 seasonal background investigators.

COMMUNICATION CENTER

10015118

Purpose

The Bloomington Emergency Communications Center (ECC) serves as the primary public safety answering point (PSAP) and dispatch center for all emergency and non-emergency calls in the City of Bloomington. It acts as a critical link between the public and the City's first responders, ensuring effective communication and coordination. The ECC facilitates interactions between the public, City departments, other public safety agencies, and support service organizations. It is recognized as an Accredited Center of Excellence in Medical, Fire, and Police Dispatch by the International Academy of Emergency Dispatch, reflecting its commitment to excellence in public safety communication.

Key Services

The Emergency Communications Center is a 24/7/365 environment, and is currently staffed with 1 full-time Communications Center Manager, 1 full-time Communications Center Supervisor, 16 full-time Public Safety Dispatchers, and 4 seasonal Public Safety Dispatchers.

The Communications Center staff provides the following key services:

- Answers 911 Emergency calls.
- Answers non-emergency and administrative calls.
- Dispatches police, fire, and emergency medical services.
- Maintain an automated vehicle location (AVL) system that tracks the location of all police, fire, and ambulance units in the City. This system allows staff to send the closest available fire or ambulance units to emergencies.
- Tracks dispatched unit status and maintains contact to assure responder safety.
- Provides post-dispatch and pre-arrival instructions to callers utilizing emergency medical dispatch protocols, including instructions for CPR, choking, and childbirth.
- Controls access to the Police facility after hours and on weekends.
- Maintains detailed and accurate computer records pertaining to stolen and missing items, sex offender registrations, and criminal history information.
- Tracks false alarm dispatches and issues ordinance violations when appropriate.
- Passive monitoring of the public safety camera network located throughout the City
- Continually provide training opportunities for telecommunications staff based on national best practices.
- Serves as after-hours contact answering service for other City departments, making necessary call outs during emergency situations.
- Collaborate with BPD's emerging Real Time Crime Center (RTCC) to enhance public safety by combining immediate call response with the investigative and analytics tools available to RTCC analysts. This partnership enables quicker, more informed decision making during critical incidents.
- Provide tactical dispatchers to enhance communication and coordination during specialized events. These events can include SWAT and Crisis Negotiations Unit (CNU) activations and training exercises.

Provide on-site dispatching for large-scale public events to enable rapid response and situational awareness.

- Staff and support the Emergency Operations Center as needed, fulfilling critical roles in the City's response to emergency situations.

FY 2026 Budget & Program Highlights

Transitioning the Tyler Public Safety Suite to a Software as a Service (SaaS) model leverages cloud technology to optimize time and resources typically devoted to managing on-premises systems. This project is jointly supported by the City Information Technology Department and offers several key benefits:

- **Improved Technology Management:** Provides access to advanced technology without requiring additional staff for maintenance.
- **Cost Efficiency:** Reduces or eliminates hardware costs, enabling more accurate budget forecasting.
- **Enhanced Operations:** Ensures systems remain up to date with faster upgrades, reduced downtime, and streamlined maintenance.
- **Data Security and Recovery:** Tyler manages data preservation and recovery, ensuring faster recovery from natural or man-made disasters, including security breaches.
- **High Availability:** Redundant infrastructure, including multiple power sources, networks, and connectivity, ensures system reliability.
- **Regulatory Compliance:** Fully adheres to governmental mandates, including Criminal Justice Information Systems (CJIS), Health Insurance Portability and Accountability Act (HIPAA), Federal Information Processing Standards (FIPS), Security and Organizations Controls (SOC), and Payment Card Industry (PCI) requirements.
- **24/7 Monitoring:** Proactively identifies and resolves issues before they affect operations, including the application of security patches and addressing known vulnerabilities.

We are also enhancing our maintenance agreement with Motorola by incorporating Managed Detection and Response (MDR) services for the public safety radio system used to dispatch police, fire, and EMS. This service is provided by Motorola's Security Operations Center (SOC) through the advanced ActiveEye security platform.

The SOC's team of cybersecurity analysts monitors the radio system continuously, 24/7/365, for potential threats or anomalies. If a threat is detected, the SOC analysts immediately investigate and determine the appropriate course of action to protect the system and ensure its operational integrity.

This proactive approach strengthens the cybersecurity posture of our public safety communication system, minimizing risks and ensuring reliable service during critical operations. By leveraging MDR, we enhance the system's resilience against cyber threats, maintaining public safety and continuity of emergency response operations.

What We Accomplished in FY 2025

- **Enhanced Officer Efficiency with Enforcement Mobile Integration**

We successfully added Enforcement Mobile to our Tyler Suite, enabling officers to electronically issue traffic citations, ordinance violations, and criminal trespass warnings. This transition reduces paperwork, streamlines processes, and allows officers to spend more time on patrol and less time managing administrative tasks. Electronic crash reporting is also scheduled to be deployed.

Improved CAD Integration for Public Safety and Engagement

- Axon Integration: Interfaced the Tyler CAD Suite with Axon, increasing officer efficiency through streamlined workflows and enabling the deployment of public surveys. This integration strengthens community engagement and fosters transparency.
- Flock Integration: Connected the Tyler CAD Suite with Flock, enhancing the capabilities of the newly established Real Time Crime Center. This upgrade provides officers with better tools to monitor and respond to real-time criminal activity, improving situational awareness and overall public safety.

Addressed Mental Health Emergencies with Protocol 41

- Implemented Protocol 41, Caller in Crisis, to better support residents experiencing mental health crises. This protocol equips dispatchers with tools to handle these sensitive calls more effectively, ensuring residents receive the appropriate resources and response.

Expanded and Upgraded AED (Automated External Defibrillator) Deployment

- Deployed 25 new AEDs to the patrol fleet, enhancing life-saving capabilities during emergencies. Additionally, refurbished older AED units were reassigned to other divisions, maximizing resources and ensuring broader coverage across departments.

Challenges

Staffing Shortages

- Recruiting and retaining qualified personnel is a persistent challenge for 911 centers. The high-stress nature of the job, combined with irregular hours and increasing call volumes, often leads to burnout and turnover. We have made significant progress recently. Continued focus on innovative approaches to hiring, competitive compensation, and prioritizing mental health and wellness programs for staff.

Adapting to Evolving Technology

- The rapid advancement of technology presents both opportunities and challenges. 911 centers must integrate systems like Next Generation 911 (NG911), which enables text, video, and data transmission from the public. Staff are continually challenged to learn new and evolving technologies. Ensuring cybersecurity for our complex systems is an additional concern, as we face increasing threats from cyberattacks that could disrupt critical operations.

Fun Facts

- Over 100,000 phone calls processed each year.
- Over 80,000 dispatches to Police, Fire/EMS each year.
- A newly hired telecommunicator is trained for about 18 weeks before going "solo".

FIRE DEPARTMENT

10015210

Purpose

The Bloomington Fire Department provides comprehensive emergency services across multiple disciplines to ensure community safety and health. Our core services include:

- **Emergency Medical Services (EMS):** Our department provides basic, intermediate, and advanced life support through fire apparatus, ambulances, and a single personnel response vehicle (chase). These EMS services operate under the guidelines of the Illinois Department of Public Health and the McLean County Area Emergency Medical Services System, directed by the system's Medical Director. Personnel handling EMS incidents also respond to fires and other emergencies.
- **Fire Suppression and Rescue Operations:** These services cover all non-EMS responses, including fires, hazardous conditions, and service calls. Personnel also respond to EMS calls and handle related responsibilities, including fire hydrant testing, equipment and station maintenance, as well as public fire safety education.
- **Fire Cause and Origin Investigations:** Illinois State Statute mandates investigations for all fires. In cases where the cause is unclear or suspicious, trained staff conduct thorough investigations. Fire Investigators are also assigned to a regular response position in the department.
- **Hazardous Materials Response:** The department serves as the regional response team for hazardous materials incidents, providing specialized support and containment.
- **Fire and Public Safety Education:** Public education programs aim to reduce fire risks cost-effectively by reaching targeted groups, including preschool, school-age children, and adults. Our Public Education Officer leads programs such as fire extinguisher training, holiday safety, school initiatives, and group presentations.
- **Aircraft Rescue and Firefighting (ARFF) for Central Illinois Regional Airport (CIRA):** We provide a qualified ARFF Engineer 24/7 at CIRA to ensure FAA Part 139 compliance. Responses cover aircraft emergencies, fuel spills, in-flight medical events, and additional fire and EMS incidents across the airport property. The City receives support from the airport, including equipment, facility space, and a training stipend.

FY 2026 Budget & Program Highlights

- **Emergency Operations Center (EOC) Upgrades:** Continue improvements to enhance EOC functionality. (Goal 2: Upgrade City Infrastructure and Facilities).
- **Structural Firefighting PPE Replacement:** Continue replacing structural firefighting PPE per NFPA Standard 1851, which recommends a 10-year replacement cycle. (Goal 2: Upgrade City Infrastructure and Facilities).
- **Starcom Radio Purchase:** Invest in new mobile and portable Starcom radios for improved communication capabilities. (Goal 2: Upgrade City Infrastructure and Facilities).
- **Traffic Pre-emption System Upgrade:** Collaborate with Public Works to transition the traffic pre-emption system citywide to a GPS-based solution. (Goal 2: Upgrade City Infrastructure and Facilities).
- **Fire Station Upgrades:** Replace HVAC system at Station #3. (Goal 2: Upgrade City Infrastructure and Facilities).

What we accomplished in FY 2025

- Strategic Planning: Developed a three-to-five-year strategic plan, including updates to the department's Mission, Vision, and Values.
- Wellness Initiatives: Completed annual wellness physicals for over 95% of firefighters through Site Med. (Goal 1: Financially Sound City Providing Quality Basic Services).
- Station Alerting and Security Systems: Continued upgrades to enhance station alerting and security. (Goal 2: Upgrade City Infrastructure and Facilities).
- ALS360 Agreement: Established a 10-year agreement with Stryker Medical Equipment for the ALS360 program, equipping all ambulances with new Lifepak 35 cardiac monitors, LUCAS devices, stair chairs, power cots, and power load systems, along with maintenance and repair services. (Goal 2: Upgrade City Infrastructure and Facilities).
- New Fire Apparatus and Support Vehicles: Received a new E-One Engine (Engine 4) and six support vehicles: EMS-1, Battalion-1, Car-1, Car-2, Car-4, and PIO. (Goal 2: Upgrade City Infrastructure and Facilities).
- Station Upgrades: Completed kitchen remodel at Station #3, boiler replacements at Stations #1 and #2, architectural and engineering (A&E) work for HVAC replacement at Station #3, and roof replacement at Station #1. (Goal 2: Upgrade City Infrastructure and Facilities).
- Mobile Data Upgrades: Replaced vehicle mobile data terminals with iPads across all emergency response vehicles. (Goal 2: Upgrade City Infrastructure and Facilities).
- Promotional Processes: Conducted promotional processes for the ranks of Captain and Battalion Chief.
- Standard of Cover: Progressing on contracting for a comprehensive Standard of Cover study for the Fire Department.
- New SCBA Equipment: All new Self-Contained Breathing Apparatus (SCBA) units were placed into service.
- Outdoor Warning Sirens: One outdoor warning siren was replaced to improve emergency alert capabilities. (Goal 2: Upgrade City Infrastructure and Facilities).
- Vehicle Replacements: Initiated the order for a 100-ft platform ladder truck to replace Truck 2 (build time: 40-48 months) and ordered two ambulances to replace aging units, maintaining the replacement program (build time: 28-30 months).
- Fire Safety Education: Purchased a new fire safety trailer to enhance community education efforts. (Goal 2: Upgrade City Infrastructure and Facilities).

Challenges

Fire Operations

- EMS Training: With the hiring requirement changes, the department has achieved the staffing levels outlined in the ordinance. In the coming year, in-house paramedic training will begin for new employees.
- Maintaining Staffing Levels: Address ongoing hiring needs to sustain proper staffing levels as retirements occur and operational adjustments arise.
- Community Paramedicine Program: Explore the development of a program focused on mental health and patient well-being.
- Traffic Signal Preemption: Implement the citywide plan for traffic signal preemption to enhance safety for responders and the public.

- **Diverse Recruitment:** Allocate resources to attract a diverse, high-quality pool of applicants through enhanced recruitment efforts.

Fire Department Equipment and Facilities

Develop a long-term strategy to address fire station needs, including:

- **Establishing a new station** between the current Station 1 and Station 3, as recommended in the Illuminative Strategy Report.
- **Dividing the large northeast response district** into two smaller districts serviced by separate stations to achieve a four-minute travel time for 90% of calls.
- **Building a new station** on the west side of the city to address current and future development, reducing travel times to meet the same four-minute benchmark.

Fire Department Training

- **Diverse Recruitment:** Allocate resources to attract a diverse, high-quality pool of applicants through enhanced recruitment efforts.
- **Training Facility Expansion:** Expand training facilities and props at Station #2 to support hands-on, all-hazards training. This includes constructing a "dirty classroom" with offices and storage.
- **In-House Paramedic Training:** Launch the first in-house paramedic training program for probationary firefighters.

Fire Technology

- **Fire Prevention Mobile Software:** Purchase and implement software to support pre-incident planning for city facilities and improve collaboration with Fire Inspectors during inspections.
- **Performance and Data Management Software:** Acquire and implement software (e.g., First Watch) to organize data collection, measure performance, and track operational benchmarks.

Fun Facts

The City of Bloomington Fire Department consists of 1 Fire Chief, 3 Deputy Chiefs, 3 Battalion Chiefs, 1 Public Education Officer, 2 Training Supervisors, 18 Captains, 3 EMS Shift Supervisors, 21 Engineers, 69 Firefighters and 6 Civilian Support Staff. The City operates 5 fire stations and provides emergency response for fire and rescue, emergency medical, auto extrication, hazardous materials, and airport rescue firefighting.

The department responded to 13,615 incidents in 2023 and is projected to see a 5% increase in 2024, with a projected total of over 14,000. Emergency Medical Services (EMS) incidents account for approximately 76% of our total responses, reflecting the critical role of EMS within our operations. Other incident types, including fire, hazardous conditions, and false alarms, make up the remaining 24%.

POLICE & FIRE PENSION PLANS 10015111 & 10015211

Purpose

These plans account for the payment of the annual pension contributions to the Police and Firefighter Pension plans.

Facts

- These single-employer defined benefit pension plans are mandated by Illinois Compiled Statutes (40 ILCS 5/The Illinois Pension Code) and may be amended only by the action of the Illinois Legislature.
- The plan assets are separately managed by the Police and Fire Pension Boards.
- The City contributions to the plans are based on actuarially-determined amounts.
- Police sworn personnel are required by State Statute to contribute 9.91% of their base salary to the plan, while Fire sworn personnel are required to contribute 9.45% of their base salary to the plan.

Defined Benefit Plan: Payment of benefits is guaranteed by the employer to an employee at retirement, providing a fixed monthly income for life.

Authorization

- Funding for the Police and Firefighter Pension Plans is established by an Ordinance in City Code Chapter 16, Article III, and Section 46.
- Required funding of Police and Firefighter Pension Plans is mandated by State law under Articles 3 and 4 of the Illinois Pension Code.

Funding Source

Property Taxes, Replacement Taxes and the portion of Utility Taxes that are a result of the rate increase approved by City Council on April 28, 2014.

FY 2025 Funding Status (May 1, 2024)

	Firefighter Pension	Police Pension
Actuarial Value Assets	\$98,215,713	\$118,771,254
Actuarial Accrued Liability	\$162,289,686	\$200,257,498
Unfunded Actuarial Accrued Liability	\$64,073,973	\$81,486,244
Percent Funded:		
Actuarial Value of Assets	60.5%	59.3%
Market Value of Assets	72.2%	65.8%

FY 2026 Budget & Program Highlights

Legislation passed in 2011 required Police and Firefighter Pension Plans to be funded at 90% by Fiscal Year 2040. After considerable review and analysis, the City adopted a 100% funding goal. Legislation passed in late 2019, however, will require the consolidation of separate Downstate municipal Police and Fire Pension funds into just two State-level funds. Final funding requirements under this new legislation is unknown at the time of the FY2021 budget finalization. Therefore, the City has opted to retain its 100% funding strategy until further guidance is given.

The 2024 actuarially determined combined Police and Fire contribution is \$15,747,097 for FY 2026. This will be funded by:

- Tax Levy*: \$9,604,000
- Utility Tax: \$2,105,135
- Replacement Tax: \$ 10,000
- General Fund Reserves: \$4,027,962

*These tax levies account for approximately 43% of the total City (non-library) Tax Levy of \$22,320,384.

What We Accomplished in FY 2025

The City continued to exceed the State Minimum Contribution, as determined by the actuary; keeping the City on track for a goal of 100% funded vs. the State mandate of 90% funded, by Fiscal Year 2040.

Challenges

Police and Fire pension benefits are legislatively mandated leaving the City unable to manage a large driver of expense. In addition, investments are managed by each pension board which are a separate legal entity. The City can control the number of firefighters and officers hired and their salaries however, demand for public safety services continues to increase.

BUILDING SAFETY

10015410

Purpose

The Building Safety Division focuses primarily on the review and inspection of the built environment. Services include plan review and inspection of construction, plumbing, electrical, heating/ventilating and air-conditioning (HVAC), and fire prevention systems. Routine fire inspections ensure public safety and provide information about current uses and layouts. The City adopted the 2018 International Code Council regulations, which set minimum building-related life-safety rules and are enforced primarily through the Building Safety Division. Other state and national codes also come into play, as noted below.

The Division consists of 17 positions, including three support staff with some cross-division responsibilities. The Building Safety Division provides staff support to the Building Board of Appeals. This nine-member appointed Board hears and decides all appeals from rulings or determinations made by the Director of Economic & Community Development or Department Staff.

Key Services Provided

- **Building Review and Inspection:** This category represents work traditionally considered when thinking about building safety. Applications and plans are received which typically lead to issuance of a permit before any construction can begin. Residential and commercial construction reviews are handled separately. In both cases, inspections are conducted at several points during construction, eventually leading to issuance of a certificate of occupancy for each new building or unit. Non-residential projects also receive a detailed plan review in advance of issuance of any permit. Plan reviewers for general construction must be knowledgeable about all aspects of construction, but without the detail represented by inspectors in the next category.
- **Plumbing, Electrical, Fire Prevention and HVAC Inspections:** Four specialists conduct plan reviews and inspections related to each of these components. They regularly participate in the review and inspection process for new buildings and major remodeling. The fire prevention reviews and inspections are focused on commercial properties, while the others work in both residential and commercial projects. The State mandates use of the Illinois Plumbing Code, in place of the ICC code. The National Fire Protection Association Code (NFPA) is commonly referenced, alongside the International Fire Code.
- **Fire Inspections:** Three inspectors perform annual inspections of existing commercial buildings to assure they remain in compliance with the life-safety parameters defined by the staff (and their predecessors) above. While there is a code enforcement aspect to their inspections, maintaining compliance is the true goal.
- **Multi-Discipline Inspections:** This position focuses on permitting and code compliance in mobile home parks, and the unique rules and regulation associated with them. The Multi-Discipline Inspectors also assists in residential and light commercial inspections when other inspectors are not available.

FY 2026 Budget & Program Highlights

- Training of staff on skills needed for drone inspection program to continue.
- Adoption and implementation of updated Building Codes (2021 International Code Council family of Codes, 2023 National Electric Code, and re-adoption of 2014 Illinois Plumbing Code) planned to be completed FY 2026.
- Staff will continue to update and standardize Review / Inspection Checklists for implementation into new online permitting software.
- Staff will continue to update permit application workflow for the new permit intake process through online permitting software.
- Continued efforts will be made to provide for a thorough plan review process in a timely manner.
- Staff will be continuing to standardize and formalize Department policies and Division procedures.

What We Accomplished in FY 2025

- The Division maintained plan review and inspection schedules during dynamic and changing construction environment.
- Online permit intake process continues to be implemented, including the updating and reformatting of many permit applications and associated documents.
- Additional Fire Inspector position created and filled in FY 2023 has allowed staff to update inspections forms and processes.
- Additional Multi-Discipline Inspector position created and filled in FY 2023 has allowed back-up / relief to other trade inspectors who experience a higher volume of daily inspections.
- Performed more than 3,100 inspections in 6-month period of May 1 – Oct 31, 2024.
- Issued nearly 3,800 construction permits in 6-month period of May 1-Oct. 31, 2024.
- Processed nearly 700 third-party inspection reports for fire prevention systems in 6-month period of May 1-Oct. 31, 2024.
- Processed and maintain reports and records for plumbing Cross Connection Device Inspections for all Commercial Properties located within the City.

Challenges

- Staff loss in key area (trained drone pilot / operator) required drone inspection program to be paused.
- Increased housing demand yet tighter limits on financing make anticipating needs for plan review services and inspections more challenging. Many construction projects are paused or altered in scope, requiring multiple reviews of the same projects or the phasing of projects making project tracking more difficult.

Fun Facts

The City's Cross Connection Program provides safeguards to prevent the contamination of our drinking water by inadvertent and illegal plumbing connections to our water supply. This is done semi-annually by private, qualified inspectors who review commercial buildings and identify sources of possible contamination for correction.

Additionally, very few people know the reason for Building /Codes and without Zoning Codes, most cities would be unlivable.

PLANNING 10015420

Purpose

The Planning Division of the Economic & Community Development Department is primarily responsible for administering the Zoning, Subdivision, Annexation and Sign Codes, and related short-range and long-range planning activities for the City. This entails Staff support to three land use commissions, coordinate with McLean County, review site and building permit applications for zoning compliance, and host a weekly informational meeting for Developers. This Division also provides representation to McLean County Regional Planning for regional planning activities, including transportation and planning activities within 1½ miles of the City's corporate boundaries; and represents the City on a number of regional committees.

The Division consists of two City Planners and one Assistant Planner, with direction and oversight by the Director.

Key Services Provided:

- Oversees Comprehensive, Strategic and Other Area plan creation, implementation, and update.
- Provides customer assistance for general inquiries on zoning and land use matters by current and future residents, owners, and professionals.
- Provides support to building safety and community enhancement staff related to zoning interpretation and compliance. Conducts site plan reviews for commercial development and accessory structure.
- Coordinates a weekly Project Review Group meeting that allows developers an opportunity to meet multiple City Divisions involved in the development approval process, including Building Safety, Fire, Economic Development, Parks, Planning, and Public Works – Engineering.
- Assists customers with land use applications related to annexation, historic preservation, legislative site plan review, subdivision plans, planned unit developments, site plan review, variations, a special use permits, a zoning or comprehensive plan change or text amendment.
- Provide Staff support to Land Use Commissions:

Historic Preservation Commission – Seven-member appointed Commission with powers and duties to help administer the City's Historic Preservation Program and related Ordinances. This includes survey work, keeping a local historic register, public education, and holding public hearings for designations, alterations, and Eugene D. Funk and Harriet Fuller Rust grant assistance. Bloomington's Commission is a Certified Local Government.

Planning Commission – Ten appointed members, conducts public hearings related to the official Comprehensive Plan, annexation agreements, zoning amendments, planned unit developments, and text modifications to the City's zoning and subdivision codes.

Zoning Board of Appeals - Seven-member appointed Board holds public hearings for Special Use requests and decides requests for variation and appeals related to enforcement of the City's Zoning Code, Chapter 44, and the City's Sign Ordinance, Chapter 3.

FY 2026 Budget & Program Highlights

- The budget includes funding for the Harriet Fuller Rust and Eugene D Funk Preservation Grants. These grants are incentives for investing in the Historic Downtown and preserving Bloomington's historic resources. Other Purchased Services augments staff resources to do special planning projects specifically related to code changes and long-range planning.

What We Accomplished in FY 2025

- During FY 2025 the Planning Division implemented a number of improvements that allow for efficiency and an ever-improving high level of customer service for planning and zoning administration. Additionally, the division continues to work on many projects with broader initiatives that benefit the community as a whole.

Significant accomplishments:

- Hosted a weekly informational meeting for developers to discuss upcoming projects with development review staff in various divisions, including Fire, Public Works Engineering, Economic Development, Planning, and Parks. In the first six months of the fiscal year, the team met with 18 developers concerning 142 acres of land.
- Increased use of mapping and analytic tools to provide a higher level of professional recommendations for land use cases, property development and reuse, and strategy for overall comprehensive and strategic planning.
- Continued to manage and provide staff support to three Land Use Commissions, including the Planning Commission, Zoning Board of Appeals, and Historic Preservation Commission, and added a strong focus on improvements commission guidance; and the overall public hearing and review process.
- Continued to coordinate interdepartmental work-related to subdivision and development, annexation strategy, and changing regional needs.
- Provided site development and zoning support to Economic Development.
- Continued implementation of Bloomington's recently updated Historic Preservation Plan, including collection of historic survey information and public education opportunities. Participated in collaborative events with the MCRPC, the County, and Town of Normal to increase awareness and understanding of City Planning
- Presented text amendments to the zoning code adopted in 2019 to provide clarity and resolve gaps and adapt to economically driven best practices for smart and effective growth and development strategies.
- Developed a dashboard for www.buildingbloomington.com that shows active building permits and provides developers information on development-ready and serviceable lands.
- Continued to streamline development review process for more efficient government services by capitalizing on the reorganization of Public Works and the improved staffing capacity of Planning.
- Adoption of Open Gov for land use applications has increased process consistency and improved planner coordination.
- Identified key data layers for mapping initiatives to improve project tracking, reporting, transparency to the public, and efficiency in research for cases and FOIA.

Challenges

Bloomington continues to see growth, which is a rare opportunity for large scale planning for long term benefit. This includes a wide range from environmental sustainability, livability, economic opportunities, business attraction, urban design, infrastructure needs, housing choice, public transportation, pedestrian connectivity, and so much more. The challenge continues to be how to time and implement these items to not miss any great opportunities. Updating of subdivision and annexation chapters of City code updating will improve efficiency for the property entitlement process.

Fun Facts

Staff working in this division offer the City about 75 years of combined professional and related planning experience.

COMMUNITY IMPACT & ENHANCEMENT

10015430

Purpose

The Department of Community Impact & Enhancement works to preserve and improve the economic and social health of the City of Bloomington by reducing disparities, enhancing neighborhood livability, responding to community needs, proactive community engagement, and dedicated downtown revitalization. The department is comprised of the following divisions: Community Enhancement, Grants Management, Administrative Programs, and Community Impact.

The Community Enhancement Division is primarily responsible for the inspection, maintenance and life-safety of existing homes and commercial buildings throughout the City of Bloomington. The division manages the Rental Registration Program, Neighborhood Preservation & Vacant Commercial Building Registration, as well as respond to Property Maintenance complaints that are reported to the department. The Community Enhancement Division provides staff support to the PMRB. The PMRB manages amendments to the Property Maintenance Ordinance of the City Code and is available for certain appeals to that code. The Community Enhancement Division is comprised of the Community Enhancement Division Manager, seven Community Enhancement Inspectors, and one part-time Seasonal Technical Inspector in the Spring-Fall to assist with the tall grass/weed complaints.

The Grants Management Division is comprised of the Grants Manager, two Grant Specialists, the Lead-Based Paint Hazard Reduction Program Manager, and the Rehabilitation Specialist. This division utilizes Federal, state, and local funding sources to invest in the community through programs serving primarily low-to-moderate income residents. The Grants Management Division also completes community engagement activities to inform residents about programs they may qualify for and to gain ground level knowledge of community development issues within the city. Additional information about the Grants Management Division and programs can be found in the narratives for the Community Development, IHDA, and John M. Scott budgets.

The Administrative Programs Division provides business support services to both the Department of Community Impact & Enhancement and the Department of Development Services. These services include front office customer support, processing of all permit applications, rental registrations, contractor registrations, FOIA requests, and management of the cross-connection program. The division is comprised of the Administrative Programs Supervisor, and four Support Staff

The Community Impact Division concentrates special effort on the growth and development of Downtown Bloomington with the goal of creating a place where people want to live, work and visit. The Division promotes and assists with all Downtown events, manages the Downtown Bloomington Farmers' Market, and assists with the attraction, retention, and expansion of businesses within the downtown district. The Division is comprised of 2 Downtown Development Specialists who also participate in other community impact activities, such as processing all city-wide Special Event Permits, and supporting the Rivian employee Farmers' Markets

FY 2026 Budget & Program Highlights

- Continue efforts to regularly monitor major corridors to identify and address code violations related to tall grass and weeds, signage, and snow removal.
- Continued partnership with the City Legal Department to improve the Administrative Court process related to property maintenance violations.
- Continue efforts to provide funding to address court ordered abatements of property maintenance violations.
- Strengthen connections between the Downtown and surrounding neighborhoods.
- Collaborate with Downtown business owners and residents to improve cleanliness and safety.
- Coordinate and promote special events in the Downtown.
- Continue to coordinate, promote, and host the Downtown Bloomington Farmers' Market.

What we accomplished in FY 2025

- This past fiscal year the division responded to 1,127 property maintenance complaints. These complaints range from weeds and tall grass to debris and life-safety issues.
- The Community Enhancement Division coordinates with the Building Safety Division to process over 200 additional property maintenance cases annually. The cases typically relate to specific mechanical or commercial building complaints.
- The Community Enhancement Division administers and manages the NPO program, including inspection of abandoned properties and maintains all registered properties on the current list. We currently have 81 vacant properties registered in the NPO.
- The City of Bloomington's rental inspection program addresses approximately 3,000 rental buildings containing approximately 12,000 units. Through this proactive program, the City strives to ensure safe and decent living conditions for its residents and works to keep blighted conditions from creeping through our neighborhoods.
- Held 26 outdoor Farmers' Markets. The outdoor market averaged 2,300 attendees with 83 vendors throughout the season, and provided a platform for 26 different local musicians, 71 community organizations.
- Downtown Bloomington Farmers' Market was recognized for community event excellence through three 1st place Best of Pantagraph Readers' Choice Awards for Best Community Event, Best Weekend Activity, and Best Place to Buy Local Produce.
- Continued partnership with Rivian to provide 4 mini farmers' market at Rivian's main campus featuring vendors from the Downtown Bloomington Farmers' Market and LINK services for Rivian employees who qualify for the program.
- Provided monthly programming for a kid's club at the Farmers' Market called Club Carrot, these activities were comprised of educational opportunities for kids and their parents about how to eat more vegetables, how to store market finds to increase their shelf life, Sign Sing and Story Time with Communication Junction, how to make moving fun with Iron Coyote Challenge Park, and more.
- Applied and received \$10,000 of grant funding from Enjoy Illinois facilitated through the Bloomington-Normal Convention and Visitors' Bureau for the Downtown Bloomington Farmers' Market.
- Coordinated Downtown Dog Day at the farmers' market, handing out 250 dog bandanas, and partnering with five local shelter and rescue organizations to show off adoptable dogs.

- Distributed \$12,973 worth of LINK Match to use at the market to buy fresh fruits and vegetables, this program is made possible through a partnership with USDA and Experimental Station IL.
- Partnered with Lifelong Access to conduct Downtown litter clean-up efforts. The department also coordinated with the Bloomington-Normal Revivalists to bring two volunteer community clean-ups to downtown and partnered with the McLean County Museum of History and Girl Scouts of Central IL to schedule two downtown cleanups. This program ties directly with both the Strategic Plan and Comprehensive plan, which identifies cleanliness as a top Downtown priority.
- Hosted Eggs on the Square providing a free event over the Easter weekend for kids and their families to attend gathering 2,110 visitors in the downtown area.
- Partnered with the Parks and Recreation Department to decorate Downtown for each season including the Holiday season for the annual tree lighting and Once Upon a Holiday celebration.
- Continued to improve Downtown amenities, such as new cigarette receptacles, and a full new set of winter banners.
- Processed and issued 70+ special event permits to community organizers.
- Developed and released a new special event permitting application that creates a transparent approval process for customers via Open Gov. With this new application process, customers can follow their permits as it goes through each City department. Any communication that departments need with the organizer can now be facilitated through this application process. The renewal process of annual or repeating special events is now done automatically for customers.
- Provided promotional support to downtown businesses through marketing and activities, including 12 "First Friday" retail and art promotions, Small Business Saturday where 30+ businesses within the district will be participating in a Shop, Stamp, Share campaign that encourages Downtown visitors to shop local in order to win a grand giveaway at the end of the week-long event, and the continuation of Saturdays on the Square concert series, bringing an estimated average attendance of 2,700 visitors.
- Coordinated and promoted 7 new events in Downtown Bloomington including Movies at the Mural series which received over 1.3k likes on the Downtown Facebook announcement, First Friday Concert series that encouraged First Friday participation by offering free admission for those who showed a receipt from one of the Downtown businesses open during the retail event, and Downtown Halloween Window Painting which created a space for kids to get creative for Halloween!
- Increased efforts on signature Downtown Events such as adding branding and event bags to Second Saturday Sidewalk Sales and increased the number of vendors and activities to the annual Once Upon a Holiday event.
- Continued partnership with the Bloomington-Normal Hare Krishna Community by providing Downtown as the location for their beloved Festival of Joy event for the second year. The event welcomed thousands to Downtown and inspired many to get interactive about the event via social media.
- Supported and promoted the Downtown Artists' community as they launched their "Art Scene in McLean County Passport" campaign funded by our partners at Visit BN.
- Continued promotion through a direct mail campaign to over 60,000 Bloomington-Normal households.
- Coordinated with the downtown artists' community to promote Slow Art Day, a Route 66 Art Trail Walk and scavenger hunt, and the 24th Annual Art Walk.
- Hosted the second day of Illinois Main Street's Upstairs Downtown Forum where small business leaders, state representatives, building/business owners throughout the Country were given the opportunity to learn more about upstairs renovations through the years.
- Represented Downtown Bloomington at conferences such as National Main Street Now 2024, International Downtown Association 2024, and Everything Local 2025.

- Celebrated partnership with Nation Main Street for the 20th year in a row and continued accreditation with Illinois Main Street for the 10th year since they reformed as an organization.
- Increased social media interaction and post reaches by investing in more boosted content resulting in over 430,000 post reaches in the last 3 months alone.

Funding Source

General Fund, Rental Registration Fees and Administrative funding from various Federal, State, and local grant programs.

Challenges

- The Division works to educate and improve citizen understanding of our community property maintenance standards.
- To keep residential NPO properties moving toward effective and timely property maintenance violation compliance.
- The Division continues to address the high volume of complaints and time spent in court for non-compliance.
- To promote the Downtown community to the wider region and beyond through events, the Farmers' Market, and business mix in the district to continue making Downtown a destination to visit.
- Continued revitalization efforts in the Downtown community including communication and involvement in the Downtown for Everyone Streetscape Plan and beyond.

Fun Facts

- The Community Impact Division works to coordinate over 80+ events annually in the Downtown community ranging from parades, farmers' markets, festivals, live music, and more to provide quality of life for residents and to attract visitors to the region.
- The Community Impact Division processes over 80+ special event permits for the City of Bloomington. Each permit requires the division to coordinate with several different departments across the City to ensure every event is safe, inclusive, efficiently set up, and as successful as possible.
- The Community Impact Division hosts an award-winning year-round Farmers' Market that features over 90 local vendors, 70 community groups, and 32 local musicians bringing the community together to source fresh produce, local meats, baked goods, and handmade artisan products.

ECONOMIC DEVELOPMENT

10019170

Purpose

The Economic Development Division of the Economic & Community Development Department seeks to enhance the economic vitality of our community through the attraction, retention, and expansion of high-quality commercial and residential development. The Division concentrates special effort on the growth and development of the Downtown with the goal of creating a place where people want to live, work and visit.

In addition, the Economic Development Division makes use of economic development tools and collaborates with other economic development organizations at the local, state, and national levels with the goal of improving the City's economic future and quality of life for its residents.

Authorization

The Economic & Community Development Department was established in 2020 (Ordinance No. 2020-53 – August 10, 2020). The department's activities are part of the City Council's Strategic Plan. The department implements the City's Economic Development Strategic Plan (Resolution No. 2012-33 – October 22, 2012) guided by the Economic Development Incentive Guidelines (Resolution No. 2012-34 – October 22, 2012, amended by Resolution 2018-38 – June 25, 2018). The department also implements the City's Comprehensive Plan 2035 (Resolution No. 2015-31 – August 24, 2015), Downtown Bloomington Strategy (Resolution No. 2013-17 – December 9, 2013), and the Bloomington Community Preservation Plan (Approved September 27, 2021).

FY 2026 Budget & Program Highlights

The Economic Development Division will continue to:

- Work with city-wide stakeholders to attract and retain commercial, industrial, and retail businesses to the City of Bloomington.
- Identify underutilized commercial spaces and work with various stakeholders to fill those vacant spaces.
- Maintain in-depth knowledge of economic indicators in the region and the State, which affect the City of Bloomington.
- Promote and monitor investment in the City's Tax Increment Financing (TIF) Districts (see <https://www.bloomingtonil.gov/TIF>).
- Promote successes of the department's Economic Development efforts throughout the City of Bloomington.
- Strengthen relationships with other Economic, Business, and Workforce Development organizations in the region that affect the City of Bloomington.
- Strengthen connections between the Downtown and surrounding neighborhoods.
- Provide a one-stop shop, white glove service to developers and businesses looking to invest in Bloomington.
- Actively recruit new businesses and developers through outreach efforts.

What We Accomplished in FY 2025

The Economic Development Division promotes the sustainable economic development of the City of Bloomington by employing various municipal economic development tools to encourage private sector investment within the City and the greater the McLean County area. These efforts have resulted in capital investment, job creation, an expanded tax base, creative and niche development, recreation and entertainment venues and other developments.

A few highlights of those efforts during FY 2025 include:

- Continued to market the City-owned properties at 800 N. Main Street and 408 E. Washington Street.
- Managed rebate payments to several entities per 8 existing Redevelopment Agreements:
- Green Top Grocery – Total Project Cost: \$1,950,000
- Colonial Plaza - Total Project Cost: \$10,000,000
- Best Western Plus Hotel - Total Project Cost: \$5,875,000
- Commercial Packaging Co. - Total Project Cost: \$40,000
- Washington Sr. Apartments – Total Project Cost: \$17,000,000
- Egg Republic – Total Project Cost: \$792,500
- Red Raccoon Games – Expected Total Project Cost: \$1,589,000
- 102 S East, LLC –Total Project Cost: \$4,366,187
- Partnered with the Bloomington-Normal Economic Development Council to promote the Enterprise Zone to support the retention, expansion, and attraction of businesses.
- Successfully designated a new Downtown Tax Increment Financing District to assist with the redevelopment of the Downtown and Downtown adjacent areas.
- Actively managed ongoing projects related to existing business expansions, relocations, and new business attraction in the industrial, office, and retail sectors.
- Supported potential developers via the Project Review Group, providing general feedback on proposals along with other key Departmental contacts on a weekly basis.
- Continued marketing the city as a destination for doing business through print and digital advertising.
- Grew the department's economic development LinkedIn to 1,300+ followers and continue to promote our efforts and position the city as a source for local development news and resources.
- Grew the City's main LinkedIn by more than 970 followers and continue to promote City efforts and successes.
- Continued to track the completion of ARPA Small Business Rehabilitation Grant program projects.
- Assisted with the DCEO Rebuild Downtown & Main Streets grant application for Phase 1 of the Downtown for Everyone Streetscape project.

Challenges

The Economic Development Division Staff are continually looking at ways to leverage limited resources and promote community assets to make Bloomington the city of choice for developers and residents, and to spark further revitalization of the key City corridors, including the downtown.

What else do we do?

The Economic Development Division serves the community by improving the economic future and quality of life for everyone in Bloomington. In accordance with City Council adopted guidelines, the division also contributes to the effort to create a diverse local economy with choices for entertainment and a vital Downtown through the following activities:

- Providing the business community with access to information and resources.
- Offering technical assistance to first-time developers.
- Helping to attract new business ventures and job opportunities.
- Diversifying the tax base to relieve the burden on residents.
- Promoting positive working relationships with local businesses and organizations.

Fun Facts

The Division works with property owners, commercial brokers, developers, and others to expand and enhance the tax base for Bloomington; retain and attract new retailers and service providers to the community; and to increase employment opportunities for current and future residents of the area. It does so in cooperation with local, county, state and federal officials, regional associations, area units of government and other non-governmental partners.

FACILITIES MAINTENANCE

10015480

Purpose

- The Facility Management Division of the Department of Operations and Engineering Services manages building operations, maintenance, and energy consumption for various City-owned buildings, including: Operations Building (109 E. Olive Street), Police Administration (305 S. East Street), Public Works Garage (401 S. East Street), Public Works Fleet (336 S. Main Street), Facility Maintenance (301 E. Jackson), Old Engineering Building (401-1/2 S. East Street), Salt Dome (502 S. Main Street), Downtown Parking Facilities (budgeted separately), and Grossinger Motors Arena (maintenance only - budgeted separately).
- The Division (1) provides support to other departmental buildings and operations that are not necessarily under its direct control, including fire stations, parks facilities, water treatment facilities, the Bloomington Center for the Performing Arts, and police training and storage facilities; (2) administers energy supply contracts for Municipal Aggregation and all City facilities; (3) reviews and pays utility bills for all City facilities, traffic lights, and some street lighting; (4) monitors maintenance of City buildings listed above to ensure regular maintenance is done in a timely manner; (5) ensures that fire alarm, fire suppression, elevator, and other life safety inspections of City buildings listed above are performed as required by State and Federal requirement; (6) provides technical assistance to other departments on building maintenance; (7) provides oversight for third-party cleaning contractors; (8) oversees the bidding process for major City facility maintenance projects; (9) provides project management for major City facility maintenance and repair projects.

FY 2026 Budget & Program Highlights

Facility Management will be actively involved in overseeing and helping to facilitate many projects throughout the City. A few of the larger projects are listed below.

- Plan, design and construct general, security, and life safety improvements at various City facilities.
- Replace the rooftop units at Grossinger Motors Arena.
- HVAC improvements at the Police Department.
- Additional drainage and sealant improvements to the Abraham Lincoln Garage.
- Improvements to the Butler and Douglas surface parking lots.
- Evaluate emergency facility repairs as needed.

What We Accomplished in FY 2025

- Completed structural and safety improvements to the Market Street Garage.
- Completed structural, safety, and drainage improvements to the Abraham Lincoln Parking Garage.
- Assisted the IT Department with the installation of security cameras at multiple facilities.
- Ongoing department office relocations.
- Remodeled the Economic & Community Development Department offices in the Government Center, including installing new mechanical, electrical, plumbing, and life safety upgrades, carpeting, paint, window treatments, reconfiguring existing cubicles and workstations and constructing a new conference room, reception area, and breakroom.

Challenges

The largest challenge for the Facilities Management Division is trying to reduce the backlog of deferred facility repair issues identified in the facility condition assessment while also keeping up with ongoing, routine maintenance. Addressing these issues is difficult because of current staffing levels. The International Facility Management Association tracks industry standards and other records regarding facility maintenance. According to these standards, for every 40,000 square feet of building space, a full-time employee is required to ensure adequate maintenance. The current Facilities Maintenance staff of six are responsible for maintaining nearly 1,000,000 square feet. The industry standard suggests that about 22 full-time staff members are needed to provide adequate maintenance. Additional staff members, especially those who actually perform maintenance and repairs, are still needed to address deferred repairs, perform ongoing maintenance, and allow the manager and facilities maintenance supervisor to focus their attention on long-term projects, energy management, and facility planning.

GOVERNMENT CENTER 10015485

Purpose

- Located at 115 E. Washington, the Government Center building is shared by both the City and McLean County. The City Clerk and the new "HUB" (Floor 1), Community Development (Floor 2), Human Resources, Finance and Information Services (Floor 3), Administration and Legal (Floor 4) offices are located in this building. The Government Center is a 126,300 square-foot building. The City occupies 63,150 square feet of space.
- The Government Center is a leased building. The lease runs until December 31, 2034 and is split equally with McLean County who shares the building. The City does not have any direct ownership in the building. The owner is the McLean County Public Building Commission. The lease with McLean County Public Building Commission was entered into on November 20, 2001 and amended on December 12, 2003, October 4, 2005, January 9, 2012, November 1, 2013 and July 27, 2015. The lease calls for both a rent payment and a maintenance and operations payments to be made to the McLean County Public Building Commission each year.

FY 2026 Budget & Program Highlights

- The maintenance and operations payment varies annually. The County operates and maintains the building for the McLean County Public Building Commission. The County determines a budget each year around November or December. The Commission approves this budget and distributes the cost evenly between the County and the City. For FY 2026, the maintenance and operations portion of the lease is budgeted at \$853,991.00. Maintenance and operation expenses include janitorial service, repairs, and utility services in the Government Center.
- In FY 2024, the City's portion of the annual lease, maintenance, and operations payments equates to a cost of \$6.77 per square foot.
- The County has included the following items in their calendar 2025 (City FY 2026) Budget. Some items were at the City's request.
 - o Window Replacements - \$100,000
 - o Building Automated System Upgrade - \$300,000
 - o HVAC Chiller Replacement - \$600,000
 - o Sidewalk Lift Replacement - \$305,000
 - o Electrical Switchgear Replacement - \$300,000

What We Accomplished in FY 2025

- o Cooling units for COB IT rooms
- o Modernization of center elevator
- o Boiler replacements

- o Engineering study of water pipes
- o Water pipe repairs/upgrades
- o Expenses related to the spatial study
- o Ductwork cleaning and sealing
- o LED lighting upgrades
- o Security cameras and upgrades

PARKING DEPARTMENT 10015490

Purpose

The City currently owns two parking decks and four surface lots. We also manage the Abraham Lincoln Parking Deck and Government Center surface lot for the Public Building Commission.

The Parking budget accounts for operations and maintenance of the Market Street Parking Deck, Arena Parking Deck, Major Butler surface lot, Douglas Surface Lots A, B & C and Government Center surface lot. This budget accounts for all parking and enforcement operations.

- Market Street Parking Deck – Built in 1974, this facility has 550 parking spaces. Repairs completed in 2013 were expected to extend the useful life of the garage about 10 years. Since 2013, a few minor maintenance projects have been completed, but no additional structural repairs have been done. Some structural repairs of the garage are expected to be finished during the beginning of calendar year 2023. A replacement plan for the garage is in process.
- Arena Parking Deck – Built in 2005 in conjunction with the Bloomington Arena, this facility has 260 parking spaces. Serious structural defects were discovered during the City's facility study. The defects were addressed in 2014 and the facility is currently rated in good condition.
- Major Butler Surface Lot – There are 71 parking spaces within the lot. Monthly parking was eliminated in January 2011 and brought back in July 2015. The lot was also converted to free four-hour parking in all areas except the rental spaces at that time.
- Douglas Surface Lots A, B & C – The City acquired these three lots from Frontier Communications during FY 2019. Lot A has 34 parking spaces and is still being used by Frontier Communication employees in accordance with the purchase agreement. There are 40 spaces in Lot B, which are primarily used by tenants of the Douglas Apartments. Lot C has 58 parking spaces and is primarily used by BCPA patrons.
- Government Center Surface Lot – There are 96 parking spaces within the lot. The lot is primarily used for customers doing business in the Government Center as well as City and County employees who are attending meetings in the downtown area. Eight spaces are reserved for M-Plate vehicles and the remaining spaces are for general parking with a 2-hour time limit.
- Parking Enforcement – Enforcement of time limits, handicap parking and other City parking codes are performed by the four parking enforcement staff.

FY 2026 Budget & Program Highlights

- Perform routine, general maintenance of parking facilities to ensure safe and efficient operations.
- Operate the parking decks and lots to provide Downtown residents and facilities a clean and safe place to park their vehicles.

What We Accomplished in FY 2025

- Performed routine, general maintenance of parking facilities to ensure safe and efficient operations.
- Completed structural and safety improvements to the Market Street Garage.

Authorization

The Parking Division and its related activities have been codified in Chapter 29 of the City Code.

Funding Source

- Fees are collected for parking in the parking deck, and fines are assessed for parking violations issued in Downtown Bloomington. Collection of fees and many parking violations continue to be an ongoing problem.
- The City offers a portion of the Market Street Parking Deck, Arena Parking Deck, Major Butler Surface Lot, and Douglas Lots A, B, and C for timed general public parking as well as reserved monthly parking. Monthly parking passes are available to the general public at a current rate of \$50 per month. All facilities are open for free general parking on Saturdays, Sundays, and holidays and after 6:00 PM on weekdays.
- Multiple parking spaces in Downtown Bloomington have time limits. Four parking enforcement staff patrol Downtown Bloomington to monitor compliance with regulations. The City issues parking violations for vehicles which exceed the time limits. The fines for these infractions range from \$10 to \$25 per violation.

Parking Facilities

Parking Facility	Total Spaces
Market Street Garage	550
Arena Garage	260
Major Butler Lot	71
Douglas Lot A	34
Douglas Lot B	40
Douglas Lot C	58

Challenges

- Encouraging customers to purchase monthly passes for the parking facilities instead of parking on the street and risk citations continues to be a challenge. This is shown by the large quantity of outstanding citations. Since there doesn't appear to be a consequence for not paying parking citations, customers choose to park in the street and ignore the citations.

PUBLIC WORKS GENERAL FUND DIVISIONS

Purpose

Public Works is a diverse department in the City of Bloomington. Within the General Fund, the department provides street maintenance and snow/ice removal which are all supported by public works administration.

Public Works Administration (10016110) includes managing employees, providing customer service, performing office tasks, researching, establishing policies and procedures, and recordkeeping in order to support the efforts of the Public Works Division.

Street Maintenance (10016120) funds are used to provide general street upkeep, which includes major and minor patching, repairing potholes, traffic line painting and patching and repairing streets after water line and sewer lateral excavations. Street resurfacing and reconstructing is included in the Capital Improvement (Asphalt & Concrete) Fund.

Snow & Ice Removal (10016124) operations include plowing and treating City streets, alleys, and parking lots to maintain safe roadways for residents and to keep commerce moving.

FY 2026 Budget & Program Highlights

- Patch and preserve roadways to extend their life.
- Work on repairing water and contractor ditches, traffic line painting, grinding, replacing concrete street panels, and grinding and using hot asphalt for the permanent pothole patching program.
- Work with DOES Department for the continued need for hammerheads and turn a rounds on new additions to subdivisions due to large equipment use.
- Maintain sign shop inventory in compliance with federal requirements and replace aging streets signs.
- Perform duties related to special events.
- Provide traffic control installation.
- Use salt brine and rock salt for treating streets for snow and ice removal.
- Continue to research efficient ways to remove snow and ice.
- Continue to implement Complete Streets.
- Utilize optimization software to prioritize street maintenance.

What We Accomplished in FY 2025

- Continued emphasis on citizen input, education of citizens and customer service.
- Continued using the road construction notification system that uses an interactive GIS map, SMS, and email to notify the public and other departments and agencies when there is a traffic delay, lane closure, or road closure as a result of City construction work.
- Patched and preserved roadways to extend their life.
- Worked on repairing water and contractor ditches, traffic line painting, grinding, replacing concrete street panels, and grinding and using hot asphalt for the permanent pothole patching program.
- Ensure sign shop inventory in compliance with federal requirements and replaced aging streets signs.

- Performed duties related to special events.
- Removed snow and ice.
- Used salt brine and rock salt for treating streets.
- Researched efficient ways to remove snow and ice.
- Televised and assessed combination and sanitary sewers, resulting in the assessment of approximately 80 percent of the 335 miles of combination and sanitary sewer since 2012.

Challenges

- Public Works is continuing to backfill positions to become fully staffed. The Department will continue to find ways to increase staff efficiency using new technologies, updating processes, and hiring seasonal staff.
- Though the situation has recently improved, Public Works continues to operate with limited resources. Public Works divisions are operating at resource levels equivalent to the resource levels that followed the Great Recession in 2009. Public Works is conscious of budgetary issues and has continued to work with other departments, the Council, and the public to accomplish Council directives, while keeping up with daily operations as the city continues to grow.
- Winter weather continues to be challenging, especially when Central Illinois receives an abnormal number of ice and snow events.
- Limited hours on snow and ice removal.
- New paving machine
- Aging Streets.

ENGINEERING DEPARTMENT

10016210

Purpose

The Support Division of the Department of Operations and Engineering Services (DOES) includes managing employees, providing customer service, performing office tasks, researching, establishing policies and procedures, and recordkeeping in order to support the efforts of DOES, the Public Works Department, and the Water Department.

The Engineering Division of DOES takes a planning and oversight role in many of the City's infrastructure projects, including streets, sewers, water, storm water, combined sewer elimination, sidewalks, and bicycle lanes as well as plans for roads, bridges, and developments. Engineering also oversees the implementation of the Bicycle Master Plan, Stormwater and Sanitary Sewer Master Plans, A Master Plan for Sidewalks, the Brick Streets Master Plan, and the draft Streetscape Master Plan. In addition, the Traffic Engineer oversees traffic signals and timing, traffic signs, pavement markings, traffic calming, traffic counts, and traffic crash reporting and analysis.

FY 2026 Budget & Program Highlights

- Continue to implement Complete Streets.
- Utilize optimization software to prioritize street maintenance.
- Perform a variety of project and program management initiatives.

Funding Source

General Fund & Maintenance and Fees

What We Accomplished in FY 2025

- Continued emphasis on citizen input and customer service.
- Made regular updates to public works webpages and websites, including department pages, bloomingtonstreets.com, and bloomingtonunderground.com.
- Continued using the road construction notification system that uses an interactive GIS map, SMS, and email to notify the public and other departments and agencies when there is a traffic delay, lane closure, or road closure as a result of City construction work.
- Stretched dollars and extended the life of streets through pavement preservation, potentially saving millions of dollars over several years, because of the City Council's increased commitment to funding street resurfacing and pavement preservation efforts.
- Continued utilizing Chip Seal and Reclamite pavement preservation and implemented using Pressure Pave pavement preservation.
- Continued utilizing optimization software to prioritize road maintenance.
- Continued street condition rating efforts.
- Made progress on Hamilton Road, from Bunn to Morrissey, and Fox Creek Road Bridge projects.

- Designed, implemented, and managed construction of multiple resurfacing and sidewalk improvement projects.
- Began construction for Phases 4 and 5 and design for Phases 8 and 9 of the Locust-Colton CSO elimination projects.
- Continued to implement Complete Streets.
- Moved to a Geographic Information System central services model providing geographic information system services for Water, Public Works, and DOES.
- Televised and assessed combination and sanitary sewers, resulting in the assessment of approximately 87 percent of the 335 miles of combination and sanitary sewer since 2012.
- Continued to work with the Ecology Action Center for the Stormwater Education Program, which provides educational outreach and citizen involvement regarding stormwater runoff.

FLEET MANAGEMENT

10016310

Purpose

The Fleet Maintenance Division of the Department of Operations and Engineering Services serves as the City's in-house repair garage but also provides additional tasks for the City such as developing specifications for vehicles and equipment, making recommendations to the City Council for new purchases, purchasing fuel, and purchasing items for equipment fitting, and performing maintenance and repair.

FY 2026 Budget & Program Highlights

- Continue developing plans for a fleet facility.
- Improve the utilization of GPS tracking for city vehicles.
- Continue to explore "green" options for the City fleet.

What We Accomplished in FY 2025

- On-site vehicle and equipment repairs eliminated cost overruns, appointments, and service calls for routine repairs.
- Made timely repairs of City service vehicles, including servicing vehicles during out-of-service hours to reduce the need for additional units.
- Provided Motor Pool vehicles to all Departments to reduce the number of units in the fleet while making vehicles available for out-of-town travel and seasonal employees.
- Explored "green" options for the City fleet.

Challenges

- Management of fleet maintenance in a competitive market is challenging. The City's diverse fleet covers over 15 different common and specialized vocational equipment fields. Fleet Maintenance needs enhanced technological training for staff to be able to work on new vehicles.
- Current funding limits strategic timing of the replacement of City vehicles within the City's fiscal restraints.
- Though a needs assessment for a Fleet Maintenance facility is underway, the current facility lacks indoor vehicle storage and workspace. As a result of supply chain and production demand constraints, the department has had difficulty obtaining commodities and equipment necessary to maintain infrastructure. In addition, impacts due to inflation and supply shortages are starting to impact capital project budgeting.

MCLEAN COUNTY HEALTH

10019140

Purpose

The City established the McLean County Mental Health division to account for the contribution provided to the County related to mental health. A joint initiative between the City of Bloomington, the Town of Normal and Mclean County whose purpose is to fund mental health services as identified in the McLean County Mental Health Action Plan of 2015.

Background

On September 21, 2015, the City Council took the Mclean County Mental Health Action Plan into consideration while discussing raising the Home Rule Sales Tax. City Council approved the amendment to Chapter 39 – Taxation, Section 130 of the municipal code that increased Home Rule Sales Tax by 1% with 10% of net proceeds or approximately one quarter of a percent earmarked for this initiative. At the time of inception, the increase was estimated at \$2.4M, which will be transferred to McLean County each year for the next twenty years. The Town of Normal also increased their Home Rule Sales Tax 1% and designated 10% of the net proceeds to this joint initiative and is estimated at \$1.675M annually.

FY 2026 Budget & Program Highlights

The City of Bloomington amount proposed for the McLean County Mental Health division in FY 2026 is \$3.06 million based on the overall Home Rule Sales Tax revenue proposed at \$30.6 million.

What We Accomplished in FY 2025

The City is projected to provide \$3.03 million dollars to the McLean County Mental Health division in FY 2025.

Challenges

As the City's overall tax revenues declines, the 10% portion of the Home Rule Sales Tax allocated to the McLean County Mental Health division is less dollars available to the General Fund for Public Safety and other General Fund Departments for daily city operations and programs.

SISTER CITY COMMITTEE

10019160

Purpose

The purpose of the Bloomington-Normal Sister City Committee, also known as Sister Cities Committee, is to further international relations and good will between the Bloomington-Normal and Asahikawa, Japan, communities through student exchange programs, community involvement in both cities to foster international cultural awareness and sharing of daily life experiences that are similar and different across cultures.

The Sister Cities relationship with Asahikawa began in 1962 and is one of the longest running in the country. It is a joint effort between the City of Bloomington and the Town of Normal. Asahikawa is on the northern island of Hokkaido, Japan.

Authorization

This relationship is pursuant of the People-to-People program instituted by the United States State Department (original ordinance 1982-91).

What is the Sister City Committee?

- The Sister City Committee is responsible for preparing an annual budget for its operations
- The Committee consists of a maximum of twenty (20) members, ten (10) approved by the Mayor and Council of each community.
- The Committee meets on the first Monday of each month at the Central Illinois Regional Airport, except during Monday holidays.
- The Committee is broken down into sub-committees that focus on educational exchange and community relations activities.

FY 2026 Budget & Program Highlights

- The City's General Fund will transfer \$13,311 to support the operations of the Sister City Committee in FY 2026.
- The Town of Normal will transfer \$13,310 to support the operations of the Sister City Committee in FY 2026.
- Private donations and corporate support provide additional funding for the community activities.

Funding Source

The City of Bloomington and Town of Normal provide funds for this organization in addition to private donations.

What We Accomplished in FY 2025

- The junior ambassador exchange program resumed in 2024. In March 2024, 4 middle school students and 2 chaperones were hosted in Bloomington-Normal with host families. The students and

chaperones met both mayors and participated in activities in the community in association with Sister Cities committee members.

- In June 2024, 6 middle school students and 2 chaperones traveled to Asahikawa and were hosted by families and committee members in the Asahikawa community. They met the Asahikawa mayor and participated in activities in the Asahikawa community.
- Due to hiatus of the exchange programs, the Sister Cities committee chair traveled to Asahikawa with the junior ambassadors and chaperones to reconnect with the Asahikawa committee and mayor.
- New members have joined the committee over the past year.
- The 2024-2025 high school exchange student was chosen and is currently attending high school in Asahikawa after participating in Japanese language lessons funded by the committee.
- Public relations efforts have increased as we continue to resume our exchange programs, including building a host family roster for high school students and junior ambassadors from Asahikawa. We are also recruiting junior ambassadors for the summer 2025 trip to Asahikawa and for a 2025-2026 high school student who will study in Asahikawa.
- We have redesigned the committee website to host a more attractive and easy-to-navigate site. The new website is designed to provide information about the committee and our exchange programs and to accept applications online for our exchange programs.
- The Committee continues to maintain the Japanese Garden in Normal.

Upcoming Changes

- Continued emphasis on growing our host family list to include more community members in our exchange programs.
- We will continue to maintain a website with current information about the committee, our meetings, and our meeting agendas.
- Recruitment of new members to the Committee continues, with a focus on attracting members with a passion for international exchange programs.
- We will continue promoting the committee's activities to the community at large with videos showing the exchange program and participation in community events, such as parades and festivals.

GENERAL FUND TRANSFERS

10019180

Purpose

General Accepted Accounting Principles (GAAP) define inter-fund transfers as a “flows of assets (such as cash or goods) without equivalent flows of assets in return and without a requirement for repayment.” In connection with the City's financial statements, the term transfer is used exclusively in connection with inter-fund activities which are activities between funds of the primary government. Transactions between the primary government and parties outside the financial reporting entity should be reported as revenues and expenses/expenditures rather than transfers.

Authorization

The City Manager and Finance Department recommend the budgetary practice of inter-fund transfers in the City's annual budget.

FY 2026 Budget & Program Highlights

- The General Fund will be reimbursed \$3,740,156 from the Enterprise funds for services provided to these funds by General Fund departments. This includes absorbing the Utility Billing and Collections areas into the General Fund beginning in FY 2019. This also includes a fee to Enterprise funds for services received from Administration, City Clerk, Human Resources, Finance and Information Technology.
- The General Fund will transfer \$1,843,878 to the Arena fund for salary & benefits of one employee, audit cost, City insurance, City Capital Projects, City Capital Lease payments for assets and other miscellaneous cost.
- The General Fund will transfer \$13,311 to continue the City's support of the Sister City program.
- The General Fund will transfer \$3,950,000 to the Capital Improvement Fund for projects not related to resurfacing or sidewalks.

What We Accomplished in FY 2025

- The General Fund was reimbursed \$3,309,457 from the Enterprise funds for services provided to these funds by General Fund departments.
- The General Fund is projected to transfer \$9,925,000 to the Capital Improvement Fund to allocate resources for Capital Projects.
- The General Fund is estimated to transfer transferred \$2,500,000 to subsidize Enterprise Fund(s).
- The General Fund is projected to transfer \$1,500,000 to the Capital Improvement (Asphalt & Concrete) Fund for resurfacing and sidewalk work.

Revenues & Expenditures

General Fund Transfers	FY 2024 Actual	FY 2025 Adopted Budget	FY 2025 Projected	FY 2026 Proposed Budget
Transfer In	(\$3,140,526)	(\$3,309,457)	(\$3,379,598)	(\$3,740,156)
Transfer Out	\$21,002,583	\$11,513,311)	\$13,938,311	\$5,807,189

Challenges

The biggest challenge is no current funding source for Capital Projects that are not related to Streets and Sidewalks.

PUBLIC TRANSPORTATION

10019190

Purpose

The City established the Public Transportation division to account for the subsidy provided to Connect Transit, a joint venture between the City of Bloomington and the Town of Normal whose purpose is to engage in a wide variety of activities necessary for the operation of a public transit system within the corporate limits of the two governmental entities.

What is Connect Transit?

Connect Transit operates 44 fixed route buses, 22 para-transit buses, and 5 micro-transit vans. In FY 2024, 2.30 million passenger trips were provided by the transit system. The ordinance (1972-69) approved in 1972 by the respective communities sets forth a formula to determine the contribution the City and Town will make to the Public Transit System to purchase capital equipment. The formula is based on population percentages at the most recent decennial census. This calculation led the City's portion used to purchase capital equipment is 59.9% (the capital equipment cost will vary from year to year). The Connect Transit fiscal year does not coincide with the timeframe of the City's FY 2026 budget. As a result, the contribution amount to the City's budget is calculated by including two months of the prior year contribution (Connect Transit FY 2025 budget) and ten months (Connect Transit FY 2026 budget) of the current contribution.

The Bloomington-Normal Public Transit System Board is composed of seven members. The City of Bloomington appoints four trustees, and the Town of Normal appoints three trustees. Connect Transit gives a monthly report of its activities to the City Manager through the Board of Trustees meeting. Connect Transit is funded primarily through federal and state governmental assistance. Other revenue sources include fares and contractual fees. The City's annual capital and operating subsidy will be paid from this division of the budget.

Connect Transit operates on a Fiscal Year of July 1 to June 30. The requested and budgeted operating subsidy from the City is \$910,000 for FY 2026; no change from FY25. The requested and budgeted capital subsidy is \$830,140 for FY 2026 and is based on the Transportation Improvement Plan submitted to the State through the MCRPC. The total requested and budgeted transit subsidy for The City of Bloomington in FY 2026 is \$1,740,140.

Funding Source

Connect Transit is funded primarily through federal and state governmental assistance. The City of Bloomington and the Town of Normal subsidize operating and capital budget deficits of the system in accordance with a prescribed formula.

FY 2026 Budget & Program Highlights

- Continue to provide new buses. Connect Transit plans on purchasing 10 fixed route buses as replacement buses in FY 2026, replacing buses purchased in 2011. Connect Transit plans on obtaining 6 para-transit buses from the Illinois Department of Transportation's Consolidated Vehicle Procurement Program. Connect Transit also plans on purchasing 10 micro-transit vans to increase the coverage of its popular on-demand service.

- Continue its Better Bus Stop campaign that provides new shelters, benches, and concrete pads at bus stops.
- 5% increase in Capital and Operation costs in recognition of inflation cost increases, service modifications and continued supply chain issues.

What We Accomplished in FY 2025

- Started a new on-demand service serving underserved areas in southwest Bloomington.
- Continued the Better Bus Stop campaign to improve infrastructure at bus stops.
- Provided free rides on Election Day and the month of September to support the Bloomington Library's Library Card promotion.
